The Tao of Fully Feeling 2015

this book is a handbook for increasing your emotional intelligence moreover if you are a survivor of a dysfunctional family it is a guide for repairing the damage done to your emotional nature in childhood the tao of fully feeling focuses primarily on the emotional healing level of trauma recovery it is a safe handbook for grieving losses of childhood whether or not you are a childhood trauma survivor this book is a guide to emotional health the degree of our mental health is often reflected in the degree to which we love and respect ourselves and others in a myriad of different feeling states real self esteem and real intimacy with others depends on the ability to lovingly be there for oneself and others whether one s feeling experience is pleasant or unpleasant

The Tao of Fully Feeling 1995

please note this is a companion version not the original book sample book insights 1 the disease of emotional emaciation is epidemic and it is killing millions of people we are becoming more and more driven and compulsive and we are losing the ability to experience peace 2 we cannot be whole human beings if we only experience the positive emotions we need the darker emotions to access the infinite range of color hue and tone that makes life beautiful 3 when we befriend our emotions we suffer less from self destructive flights from feelings we accept the reality that our emotional nature like the weather changes unpredictably with a variety of pleasant and unpleasant conditions 4 forgiving your parents is a very personal process and one that should not be rushed real forgiveness as opposed to false forgiveness requires the opening up of your pain channels so that you can begin to feel your feelings

Early Chinese Mysticism 2001-02

did chinese mysticism vanish after its first appearance in ancient taoist philosophy to surface only after a thousand years had passed when the chinese had adapted buddhism to their own culture this first integrated survey of the mystical dimension of taoism disputes the commonly accepted idea of such a hiatus covering the period from the daode jing to the end of the tang livia kohn reveals an often misunderstood chinese mystical tradition that continued through the ages influenced by but ultimately independent of buddhism it took forms more various than the quietistic withdrawal of laozi or the sudden enlightenment of the chan buddhists on the basis of a new theoretical evaluation of mysticism this study analyzes the relationship between philosophical and religious taoism and between buddhism and the native chinese tradition kohn shows how the quietistic and socially oriented daode jing was combined with the ecstatic and individualistic mysticism of the zhuangzi with immortality beliefs and practices and with buddhist insight meditation mind analysis and doctrines of karma and retribution she goes on to demonstrate that chinese mysticism a complex synthesis by the late six dynasties reached its zenith in the tang laying the foundations for later developments in the song traditions of inner alchemy chan buddhism and neo confucianism
