Use of Force Review 2016-08-19

throughout history the functions and roles of borders have been continuously changing they can only be understood in their context shaped as they are by history politics and power as well as cultural and social issues borders are therefore complex spatial and social phenomena which are not static or invariable but which are instead highly dynamic this comprehensive volume brings together a multidisciplinary team of leading scholars to provide an authoritative state of the art review of all aspects of borders and border research it is truly global in scope and besides embracing the more

traditional strands of the field including geopolitics migration and territorial identities it also takes in recently emerging topics such as the role of borders in a seemingly borderless world creating neighbourhoods and border enforcement in the post 9 11 era

U.S. Border Patrol's Implementation of "Operation Gatekeeper" 1997

for much of the twentieth century immigration and naturalization service officials recognized that the us mexico border region was a special case here the officials confronted a set of political social and environmental obstacles that prevented it from replicating its achievements at the immigration stations of angel island and ellis island in response to these challenges local officials resorted to the law amending nullifying and even rewriting the nation's immigration laws for the borderlands as well as enforcing them in the ins on the line's deborah kang traces the ways in which the ins on the us mexico border made the nation's immigration laws over the course of the twentieth century while the ins is primarily thought to be a law enforcement agency kang demonstrates that the agency also defined itself as a lawmaking body through a nuanced examination of the agency's admission deportation and enforcement practices in the southwest she reveals how local immigration officials constructed a complex approach to border control one that closed the line in the name of nativism and national security opened it for the benefit of transnational economic and social concerns and redefined it as a vast legal jurisdiction for the policing of undocumented immigrants despite its contingent and local origins this composite approach to border control kang concludes continues to inform the daily operations of the nation's immigration agencies american immigration law and policy and conceptions of this border today

Master the U.S. Border Patrol Exam: Preparing for the Border Patrol Exam 2011-03-01

qualitative research methods the definitive step by step resource for qualitative and ethnographic research qualitative research methods collecting evidence crafting analysis communicating impact is a comprehensive guide on both the theoretical foundations and practical application of qualitative methodology adopting a phronetic iterative approach this foundational book leads readers through the chronological progression of a qualitative research project from designing a study and collecting and analyzing data to developing theories and effectively communicating the results allowing readers to employ qualitative methods in their projects as they follow each chapter coverage of topics such as qualitative theories ethics sampling interview techniques qualitative quality and advice on practical fieldwork provides clear and concise guidance on how to design and conduct sound research projects easy to follow instructions on iterative qualitative data analysis explain how to organize code interpret make claims and build theory throughout the author offers her own backstage stories about fieldwork analysis drafting writing and publishing revealing the emotional and humorous aspects of practicing qualitative methods now in its second edition this thorough and informative text includes new and expanded material covering post qualitative research phenomenology textual analysis and cultural studies gaining access to elite and difficult to access populations persuasive writing novel interviewing approaches and more numerous examples case studies activities and discussion questions have been updated to reflect current research and ensure

contemporary relevance written in an engaging and accessible narrative style by an acclaimed scholar and researcher offers new and updated examples of coding and qualitative analysis full color photos and illustrations and a companion instructor website synthesizes the most up to date multidisciplinary literature on qualitative research methods including seven main approaches to qualitative inquiry grounded theory case study ethnography and ethnography of communication phenomenology narrative inquiry and autoethnography participatory action research and creative performative and arts based research presents innovative qualitative data collection methods and modern representation strategies such as virtual ethnography photovoice and mobile interviewing qualitative research methods collecting evidence crafting analysis communicating impact is an ideal resource for undergraduate and graduate students instructors and faculty across multiple disciplines including the social sciences healthcare education management and the humanities and for practitioners seeking expert guidance on practical qualitative methods

A Study in Contrasts 2014

this innovative research agenda uncovers links between different levels of border making processes or bordering from the political to the cognitive and connects everyday processes and experiences of border making to the wider social world it addresses the question of how everyday bordering practices and discourses can be productively linked to different aspects of social relations

Research Handbook on International Migration and Digital Technology 2021-12-07

the u s mexico border is the busiest in the world the longest and most dramatic meeting point of a rich and poor country and the site of intense confrontation between law enforcement and law evasion border control has changed in recent years from a low maintenance and politically marginal activity to an intensive campaign focusing on drugs and migrant labor yet the unprecedented buildup of border policing has taken place in an era otherwise defined by the opening of the border most notably through nafta this contrast creates a borderless economy with a barricaded border in the updated and expanded second edition of his essential book on policing the u s mexico border peter andreas places the continued sharp escalation of border policing in the context of a transformed post september 11 security environment as andreas demonstrates in some ways it is still the same old border game but more difficult to manage with more players played out on a bigger stage and with higher stakes and collateral damage

Illegal Immigration: Border-Crossing Deaths Have Doubled Since 1995; Border Patrol's Efforts to Prevent Deaths Have Not Been Fully Examined 2016-04-01

research in social movements conflicts and change showcases deeply empirical and often multi method research by senior and junior scholars alike comparative analysis and qualitative case studies push into new territories in this illuminating and important research which seeks to define and advance the multiple fields reflected in the series title

The Routledge Research Companion to Border Studies 2017

the border patrol police bpp of thailand was formed as a united states cia s paramilitary intelligence force in the early 1950s in the early 1960s changes in thailand s political leadership and the u s government s strategies for fighting the spread of communism in southeast asia led to a transformation of the bpp the organization became a civic action agency supported by the united states agency for international development and the thai monarchy its civic actions pinned on advancing anticommunist modernization civilian counterinsurgency and royalist nationalism soon extended from the margins to the center of thailand and contributed to building the border of thainess khwam pen thai the growing tension between the royalist network consisting of military and rightwing groups and the democratization movements culminated in a massacre on october 6 1976 the village scout a rural vigilante group that the bpp created through its civic actions and the police aerial reinforcement unit paru a subunit of the bpp attacked peaceful protesters at thammasat university the success of a military coup on the same day solidified the victory of the royalist network and it would continue to dominate thai politics and society into the post cold war era through a study of the border patrol police s transformations indigenizing the cold war shows how the thai ruling elite unflinchingly pursued their nation building with an introduction of the indigenization concept and an in depth analysis of postcolonial nation building this work challenges conventional cold war studies the cold war in thailand was not always and only about an ideological conflict between the communist and anticommunist it was a war between the local ruling elite and the people each pushing forward their visions for constructing a new nation state the indigenization framework reveals the nature of the collaboration between the global superpowers and the asian local ruling elite who took advantage of the american cold war for legitimizing and continuing their authoritarian regimes

The INS on the Line 2008

the sage handbook of qualitative business and management research methods provides a state of the art overview of qualitative research methods in the business and management field the handbook celebrates the diversity of the field by drawing from a wide range of traditions and by bringing together a number of leading international researchers engaged in studying a variety of topics through multiple qualitative methods the chapters address the philosophical underpinnings of particular approaches to research contemporary illustrations references and practical guidelines for their use the two volumes therefore provide a useful resource for ph d students and early career researchers interested in developing and expanding their knowledge and practice of qualitative research in covering established and emerging methods it also provides an invaluable source of information for faculty teaching qualitative research methods the contents of the handbook are arranged into two volumes covering seven key themes volume one history and tradition part one influential traditions underpinning qualitative research positivism interpretivism pragmatism constructionism critical poststructuralism hermeneutics postcolonialism critical realism mixed methods grounded theory feminist and indigenous approaches part two research designs ethnography field research action research case studies process and practice methodologies part three the researcher positionality reflexivity ethics gender and intersectionality writing from the body and achieving critical distance part four challenges research design access and departure choosing participants research across boundaries writing for different audiences ethics in international research digital ethics and publishing qualitative research volume two methods and challenges part one contemporary methods interviews
