Teachers, counselors, and school leaders have deep concerns about the impact of immigration law on their students' lives both within and outside of school. This book answers many questions that educators have asked of the author, who is a former teacher and legal advocate for all families, including the differences among immigrant, refugee, green card, and undocumented students; the right of a school to deny immigration officers entry to the building; and how to connect families to services. The author also clears up misconceptions and provides useful information on the specific challenges, dangers, and benefits of each noncitizen category and their impacts on students. He notes protections provided by law even for the undocumented with classroom scenarios that bring student issues to life. This essential resource clarifies the law in plain, accessible language with practical suggestions on agencies and resources that schools can access or direct families to for advocacy and other supports. It is truly a book that belongs in every school book. Features offer a clear and concise explanation of immigration law and policy for teachers and school personnel, grounds the law and policy with real-life scenarios educators could encounter in their school or classroom, provides educators at every level with information they can use to advocate for their students, and directs them toward needed
