Annual Report

1880

discover how to build a grace based community

New York Court of Appeals. Records and Briefs.

1887

the cure gives the diagnosis of this century s religious obsession with sin management it has poisoned the church obscuring the original good news and sending millions away wounded angry and cynical from nearly any organized expression of faith the cure offers an authentic experience in christ that frees some from a self rewarded righteousness and others from a beaten down striving for a righteousness they can never seem to attain the cure infuses a relational theology of grace and identity which alone can heal free and create sustainable genuine loving life giving communities
