however beyond the framework of individual gardens we may ponder why imperial gardens a subject matter that had seldom appeared in court paintings and never in publications of previous dynasties were repeatedly turned into a publication theme by the qianlong court

thoughts on meta metaverse r virtualreality reddit Jan 06 2023

well as a pc vr player i am concerned about the future of the gaming side of vr because the quest has made it so easy for meta to start taking over the vr industry in terms of gaming in terms of social vr the metaverse is never going to work as long as someone other than zuckerberg owns vrchat

meta takes 90 of the vr market share thoughts blind Dec 05 2022

vr is inherently a more deeply connected personal experience and the trend right now is for social media to be more pseudonymous and shallow ar might be different but that s 20 years behind where we are with vr
