Discovering food 1978 this is a workbook and study guide to accompany a child's history of the world by Virgil M. Hillyer during elementary school Hillyer's book and this workbook can be used as a history spine over multiple years or as an overview of history over one year this workbook is probably best suited for second and third graders

although advanced first graders could use it as well it could also be used by fourth graders that could benefit from a history overview and writing practice this workbook was created to help students focus on the key parts of each chapter to provide better comprehension and retention than might happen with reading alone many of the short answer questions are conducive to written and verbal narrations it is not necessary to print the included answer key if you would like to see a more comprehensive workbook sample please email stirenepress@gmail.com
