Hunter

2021-09-16

history is lost america is no more and only a few safe places remain ranger quinn thought that morning would be like so many others a hangover a day off before going back to work keeping the lower levels of zion city safe from itself but a crime so horrific so brutal in its execution turns those mundane expectations around an investigation into the death of a senior leader in their underground utopia safe from the harsh radioactive wastelands beyond their walls forces quinn beyond that safety and into the world outside following the trail of the killers between the pockets of surviving humanity quinn soon learns that not all is well beyond the walls but the same could be said about zion city experience the start of a harrowing post apocalyptic series from the bestselling author of after it happened perfect for fans of the fallout games bobby adair and t w piperbrook also on audible narrated by r c bray after it happened hell divers

World on Fire

2021-04-16

the exciting second book in a post apocalyptic survival series that will leave you on the edge of your seat it s perfect for fans of world war z fallout and mockingjay coming q2 2021

Extraction

2018

ben joel allie and their dog gunner have faced down foes of all descriptions in their odyssey across the emp ravaged country in search of their families now as they approach the final leg of their journey the stakes are raised with no way of knowing what danger lurks ahead they encounter a new and never ending gauntlet of challenges and threats their ability to work as a team is tested anew and they realize survival in this new world will require them all to make sacrifices joel and allie are forced to grow up in a world that offers little forgiveness for mistakes will the physical and mental demands be too much for them to handle will ben s army training and survival skills get them through and allow them to reunite with family or will this be the last road they travel together

Traitor

2021-10-29

quinn now keeping unexpected company returns to jackson to find his friends had been and gone facing a choice of north or south of home or unfamiliar territory he has to make the tough call and deal with the consequences rivera and valentina are in helena where they struggle to tell allies from enemies the race is on to get back to zion and uncover the traitor before disaster strikes operating in the open the game of telling friend from foe becomes deadly don t miss book 2 in a harrowing post apocalyptic series from the bestselling author of after it happened perfect for fans of the fallout games bobby adair and t w piperbrook

The World Over

2021-02-25

the world ended once she won't let it happen again eight years ago the world as we know it ended now the last us government stronghold has sent a military recon team from camp david to the bombed out city of seattle but the mission turns deadly when a horde of horrifying mutant creatures are released onto the streets oliver marcus and trisha pike the only survivors of their nine man team are rescued by a group of scavengers led by their superhuman leader river kingston driven by the need to find her lost husband river is drawn in by mycroft the invisible puppet master behind new texas who promises her answers in exchange for favors but as the world continues to warp and change around her river becomes more and more wrapped up in the secrets and lies of post apocalyptic politics that will ultimately determine the difference between life and death for the people she promised to protect because even with humanity dangling by a thread people still like to have power and they still like to abuse it don't miss this harrowing post apocalyptic survival series that will leave you on the edge of your seat it's perfect for fans of world war z fallout and mockingjay grab your copy today

Republic of Ruin

2021-01-27

forget life liberty and the pursuit of happiness surviving is a feat in and of itself seventeen year old ellie hudson immerses herself in the few things the supply wars haven't destroyed her ranch work and secret baseball games with her best friend but her power hungry stepmother is leading a group of domestic terrorists in an effort to start another civil war and frame ellie as the instigator ellie's lost her father her home and her country but nothing can rob her of her need to preserve the american dream or what's left of it don't miss book 1 in a post apocalyptic survival series with a dark fairy tale spin it's a home run read for fans of the maze runner the lunar chronicles and the selection series

World of Ashes

2021-05-18

river issues a 24 hour evacuation notice for athens but emmett brown is 12 hours away at the long lake camp when the text comes in while preparing for the long ride home emmett is interrupted by the arrival of his old mentor one a new texas knight and former navy seal but with the knights implicated in river's disappearance emmett has to determine whether one is an old friend or a new enemy in new texas river's mia status threatens international stability leading secretary of state aiden stone to join the military unit dispatched to the old mcchord afb in tacoma wa while there he reveals a shocking discovery river kingston might actually be eryl stone aidan's younger sister who went missing after the camp winslow massacre five years ago unfortunately river's village isn't the only settlement remaining in the seattle tacoma area whidbey island is still around and they don't take kindly to trespassers the heart stopping finale in the stone world saga is here it's perfect for fans of world war z fallout and mockingjay

Flashpoint

2023-03-04

if your life dissolved in a flash would you be strong enough to survive half of the earth's population has been wiped out

impossible to predict or stop the gamma ray burst tore through the earth like a bullet its radiation wave killing hundreds of millions and the aftereffects ensuring the deaths of billions more now as the world crumbles around them a ragtag group of survivors make for the only home they know the small town of mercy spared the worst of the grb s effects the town is isolated safe and self sufficient for now the flash hasn t just decimated the earth s population though it s brought out the worst in many of those who are still alive survival in this new world doesn t just depend on preparedness it depends on strength it s the one disaster no one can plan for a rogue cosmic event called a gamma ray burst sending a spike of radiation through the earth like a 50 caliber bullet through a ripe watermelon it s speculated that such an event hit the earth at some point in the past causing a mass extinction event with two potential sources for a grb pointed directly at our heads the chances of another one happening in our lifetime is remote but still possible in flashpoint we explore such an event and the havoc it would wreak across the entire planet from destroying our atmosphere to millions dying from incredibly painful radiation exposure a grb would be unpredictable and unavoidable for everyone rich and poor prepared and unprepared alike flashpoint is a six book miniseries like event written by tara ellis and 1 best selling post apocalyptic author mike kraus this thrilling post apocalyptic survival series will have you second guessing the very nature of post apocalyptic disaster scenarios and leave you breathless with every turn of the page this complete edition of this series consists of all six books in the flashpoint series

Resistance

2018-07-08

how far would you go for family as ben joel allie and their dog gunner continue their trek across the emp ravaged country constant challenges face them at every turn the struggle to get through the post apocalyptic wasteland in an effort to find allie s dad in pittsburgh and reunite with joel s brother and sister in maryland tests ben s abilities as a former army ranger but the teenagers have trials of their own namely coming to terms with their lost youth as they are forced to grow up fast and make some tough decisions and as the group passes through one devastated town after another it becomes apparent that only the strong and prepared will survive in these dangerous days from kidnappers to roadblocks it seems it s every man for himself in this dangerous new world are there any good people left or is this dark road one they have to travel alone

America Offline

2020-03-02

a devastating cyber attack a deadly winter storm and a lone man who will stop at nothing to save his family the largest snowstorm in a hundred years is barreling down on the northern united states when it hits it will bring over a meter of snow and numbing arctic winds some are prepared most are not but something infinitely more dangerous is also on its way a multi pronged cyber attack that will destroy the power grid crippling the country at the worst possible moment like millions of others ex cop nate bauer and his family are bracing for the coming storm unaware that it will test them in ways they could never have imagined for hidden deep within the malignant code lies an even greater threat one that holds the potential to destroy america forever in the end only a single question will matter when the lights go out for good who will have what it takes to survive

Crimson Nation

2021-03-24

the vultures don't fear death they feed off it and their appetite is insatiable savannah knows the ravenous bloodlust of the vultures first hand and she's doing everything she can to avoid being dragged back into the volatile melee her parents are creating but can she stop them without succumbing to bloodlust herself kestrel becomes fiercely protective of her wards and the man who holds her heart while the whole of rock ridge wants to use him as retribution how can she protect her family from both friends and foes ellie's steadfast allegiance to her country is called into question with scandalous revelations about her past shaking her confidence as explosions echo throughout the town can she and those who know and love her move forward in this new knowledge between the blood bombs and belladonna these three patriots have to unite to save the country they love or they'll end up buried beneath the rubble of a broken nation don't miss the epic finale of the legacy of debris trilogy
