## **Educating About Social Issues in the 20th and 21st Centuries Vol. 2 2013-02-01**

over the course of the past decade and a half we samuel totten and jon e pedersen have co edited a series of books on teaching and learning about social issues our goal has been to build a series that would broadly represent the work that has been undertaken over the past 110 plus years related to the field of teaching and learning about social issues as we created and added to the series see for example addressing social issues in the classroom and beyond the

pedagogical efforts of pioneers in the field researching and teaching social issues the personal stories and pedagogical efforts of professors of education teaching and studying social issues major programs and approaches we came to the conclusion that the development of an annotated bibliography of the key works books chapters articles reports and research on a wide range of issues topics germane to teaching and learning about social issues was a logical addition to the series in educating about social issues in the 20th and 21st centuries volume 1 a critical annotated bibliography which was published in early 2012 the focus was on a host of programs models strategies and concerns vis à vis teaching and learning about social issues this new book constitutes volume two in the series entitled educating about social issues in the twentieth and twenty first centuries and picks up where volume one left off included in this book are the pioneering works of the following boyd bode alan f griffin g gordon hullfish richard gross robert yager and james banks collectively their work on social issues spans the period between the late 1930s through the present with james banks and robert yager continuing to publish through today as for the subjects topics other than pioneers of teaching about social issues addressed in this volume they are issues centered approaches to teaching geography addressing social issues in sociology and anthropology courses peace studies the vietnam war and lgbt

## **Libraries in the early 21st century, volume 2 2012-07-30**
