for thousands of years chinese storytellers have delighted listeners with stories about the value of virtues like honesty respect courage and self reliance chinese folktales collects nineteen of these fantastic tales some of them dating back to the third century bce and retells them in contemporary english for a modern audience this updated edition previously titled chinese fables offers the same great stories in a smaller easier to handle format at a lower price each of these stories offers a nugget of ancient folk wisdom and glimpses of traditional chinese culture and lore all of the tales express the foibles and wisdom of human experience with great humor and affection although the lessons are universal the wit and flavor are uniquely chinese beautifully illustrated by a master chinese artist using a patchwork of ancient tones and textures with a deft touch of humor this book will give great joy to children and adults alike chinese children s stories include the practical bride stealing the bell kwan yin the goddess of mercy cooking the duck scaring the tigers the dragon slayer the previously published edition chinese fables won the aesop prize for children s and young adult literature the gelett burgess children s book award for fables folklore fairytales the creative child magazine book of the year award

The Constitution and Practice of Courts Martial with a Summary of the Law of Evidence 1873

on the tv screen as elsewhere there is often more than meets the eye for decades television has offered not just entertainment but observations subtle and otherwise on society this book examines the cultural commentary contained in buffy the vampire slayer a show that ran for seven seasons 1997 2003 and 144 episodes on the surface buffy is the marriage of a high school drama to gothic horror this somewhat unusual vehicle is used to present via the character of buffy fairly typical views of late 20th century culture teenage problems issues regarding a broken home and the search for meaning and validation in addition subtler themes such as cultural views of knowledge ethnicity and history are woven into the show s critique of popular culture organized into two sections this volume offers an in depth examination of the show first through the lens of buffy s confrontation with culture and second from the complex perspectives of the individual characters issues such as values ethical choices and the implications of one s actions are discussed without ever losing sight of the limitations of a medium that will always be dominated by financial concerns the final chapter summarizes what buffy has to say about today s society an appendix lists buffy episodes in chronological order

Remarks on the Constitution and Practice of Courts Martial. With a Summary of the Law of Evidence, as Connected with Such Courts ... Fourth, Revised, Edition 1873

for more than thirty five years the insider s guide to the colleges has been the favorite resource of high school students across the country because it is the only comprehensive college reference researched and written by students for students in interviews with hundreds of peers on campuses from new york to hawaii and florida to alaska our writers have sought out the inside scoop at every school on everything from the nightlife and professors to the newest dorms and wildest student organizations in addition to the in depth profiles of college life this 37th edition has been revised and updated to include essential statistics for every school from acceptance rates to the most popular majors a college finder to help students zero in on the perfect school insider s packing list detailing what every college student

really needs to bring fyi sections with student opinions and outrageous off the cuff advice the insider s guide to the colleges cuts through the piles of brochures to get to the things that matter most to students and by staying on top of trends and attitudes it delivers the straight talk students and parents need to choose the school that s the best fit

The Aesthetics of Culture in Buffy the Vampire Slayer 2006-01-18

in recent years shapeshifting characters in literature film and television have been on the rise this has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them this book aims to unravel the shapeshifting trope rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world with coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the united states canada the united kingdom and australia instructors considering this book for use in a course may request an examination copy here

folk tales are stories full of adventure courage daring fighting dragons trolls and giants and overcoming challenges how many of them have girls as the main heroic characters though these twelve folk tales from all over the world have been specially selected as they feature strong adventurous heroines some are funny some make you think and some like the story of fearless mary keep you on the edge of your seat with scares and surprises meet louisa freya the brave dragon slayer funny and clever sigrun and honest and humble scarface as well as other heroines from serbia norway china japan south africa and indonesia amy scott robinson s distinctive voice expertise and experience as a performance storyteller makes this a unique and fascinating collection aimed at readers aged 7 9 years at the end of each story amy shares a bit about where the story comes from how she has retold it and what the tale makes her think about when she is hearing or telling it including bible verses these folk tales deserve to be told as often as the more famous and well known ones after all why should boys defeat all the dragons enjoy the adventure

Restatement of the Law, Property (wills and Other Donative Transfers) 2000

criminal law a comparative approach presents a systematic and comprehensive analysis of the substantive criminal law of two major jurisdictions the united states and germany presupposing no familiarity with either u s or german criminal law the book will provide criminal law scholars and students with a rich comparative understanding of criminal law s foundations and central doctrines all foreign language sources have been translated into english cases and materials are accompanied by heavily cross referenced introductions and notes that place them within the framework of each country s criminal law system and highlight issues ripe for comparative analysis divided into three parts the book covers foundational issues such as constitutional limits on the criminal law before tackling the major features of the general part of the criminal law and a selection of offences in the special part throughout readers are exposed to alternative approaches to familiar problems in criminal law and as a result will have a chance to see a given country s criminal law doctrine on specific issues and in general from the critical distance of comparative analysis

The Insider's Guide to the Colleges, 2011 2010-06-22

this book illuminates the racialized nature of twenty first century western popular culture by exploring how discourses of race circulate in the fantasy genre it examines not only major texts in the genre but also the impact of franchises industry editorial and authorial practices and fan engagements on race and representation approaching fantasy as a significant element of popular culture it visits the struggles over race racism and white privilege that are enacted within creative works across media and the communities which revolve around them while scholars of science fiction have explored the genre's racialized constructs of possible futures this book is the first examination of fantasy to take up the topic of race in depth the book's interdisciplinary approach drawing on literary cultural fan and whiteness studies offers a cultural history of the anxieties which haunt western popular culture in a century eager to declare itself post race the beginnings of the fantasy genre's habits of whiteness in the twentieth century are examined with an exploration of the continuing impact of older problematic works through franchising adaptation and imitation young also discusses the major twenty first century sub genres which both re use and subvert fantasy conventions the final chapter explores debates and anti racist praxis in authorial and fan communities with its multi pronged approach and innovative methodology this book is an important and original contribution to studies of race fantasy and twenty first century popular culture

Werewolves and Other Shapeshifters in Popular Culture 2012-05-25

issued on america's premier rap label at the peak of the thrash metal movement slayer's controversial reign in blood remains the gold standard for extreme heavy metal a seamless 29 minute procession of ten blindingly fast apocalyptic songs the first english book about slayer explores the creation of the most universally respected metal album and its long road to the stores through original interviews with the entire band producer rick rubin engineer andy wallace cover artist larry carroll and def jam insiders from russell simmons to m c serch from tori amos to pantera's phil anselmo dozens of fans and artists discuss the record's ongoing impact and slayer's status in the small fraternity of rock's greatest groups

A Compendious and Comprehensive Law Dictionary 1816

evil isn't simply an abstract theological or philosophical talking point in our society the idea of evil feeds entertainment manifests in all sorts of media and is a root concept in our collective psyche this accessible and appealing book examines what evil means to us evil has been with us since the garden of eden when eve unleashed evil by biting the apple outside of theology evil remains a highly relevant concept in contemporary times evil villains in films and literature make these stories entertaining our criminal justice system decides the fate of convicted criminals based on the determination of their status as evil or insane this book examines the many manifestations of evil in modern media making it clear how this idea pervades nearly all aspects of life and helping us to reconsider some of the notions about evil that pop culture perpetuates and promotes covering screen media such as film television and video games print media that include novels and poetry visual media like art and comics music and political polemics the essays in this book address an eclectic range of topics the diverse authors include americans who left the united states during the vietnam war era conservative christian political pundits rock musicians classical linguists disney fans scholars of american slavery and experts on holocaust literature and films from portrayals of evil in the television shows the wire and 24 to the violent lyrics of the rap duo insane clown posse to the storylines of the lord of the rings and harry potter books readers will find themselves rethinking what evil is and how they came to hold their beliefs

A Historical Treatise on Trial by Jury, Wager of Law, and Other Co-ordinate Forensic Institutions, Formerly in Use in Scandinavia and Iceland 1832

based on the conviction that only translators who write poetry themselves can properly re create the celebrated and timeless tragedies of aeschylus sophocles and euripides the greek tragedy in new translations series offers new translations that go beyond the literal meaning of the greek in order to evoke the poetry of the originals the volume brings together four major works by one of the great classical dramatists prometheus bound translated by james scully and c john herrington a

haunting depiction of the most famous of olympian punishments the suppliants translated by peter burian an extraordinary drama of flight and rescue arising from women s resistance to marriage persians translated by janet lembke and c john herington a masterful telling of the persian wars from the view of the defeated and seven against thebes translated by anthony hecht and helen bacon a richly symbolic play about the feuding sons of oedipus these four tragedies were originally available as single volumes this new volume retains the informative introductions and explanatory notes of the original editions and adds a single combined glossary and greek line numbers

A Broken Flute 2005-08-04

may all that you wish to protect burn to ashes having witnessed the staggering power of the shadow monarch jinwoo can t wait to level up and reach those heights and what better way to do so than to mobilize his army of soldiers against an s rank dungeon s worth of giants saving a country abandoned by the rest of the world has its benefits international renown the expansion of his guild an invitation to the most prestigious hunter conference in the world but perhaps the most unexpected bonus is a run in with another monarch who brings not so welcome tidings if he s to be believed a war is coming that not even jinwoo is strong enough to stop
