in a timely contribution to current debates over the psychology of boys and the construction of their social lives on my honor explores the folk customs of adolescent males in the boy scouts of america during a summer encampment in california s sierra nevada drawing on more than twenty years of research and extensive visits and interviews with members of the troop mechling uncovers the key rituals and play events through which the boy scouts shapes boys into men he describes the campfire songs initiation rites games and

activities that are used to mold the scouts into responsible adults the themes of honor and character alternate in this new study as we witness troop leaders offering examples in structure discipline and guidance and teaching scouts the difficult balance between freedom and self control what results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood on my honor provides a provocative sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires their innate aggressions their inclination toward peer pressure and violence and their social acculturation on my honor ultimately shows how the boy scouts of america continues to edify and mentor young men against the backdrop of controversies over freedom of religious expression homosexuality and the proposed inclusion of female members while the organization s bureaucracy has taken an unyielding stance against gay men and atheists real live scouts are often more open to plurality than we might assume in their embrace of tolerance acceptance and understanding troop leaders at the local level have the power to shape boys into emotionally mature men

you don t get wet because it s raining you get wet because you don t use an umbrella i m dilek i m the volunteer editor of the book i have witnessed some of the writer s struggle as the ideas emerged i witnessed that the book you hold is not an ordinary book and i want you to be a witness too in the introductory text i chose to say something about the author rather than the book the book will introduce itself to you when you read it izzet güllü is a psychologist who works in state hospitals in the province of malatya in eastern turkey not everyone knows him in his country yet maybe he will be known around the world before he is recognized in his country even though he has no such concerns he deserves this he s a good hearted courageous man besides being a psychologist and writer for years he has been struggling with the structural mistakes in his sector and advocating contemporary democratic

and universal values in his country in which almost all of the population consists of muslims he has quite bright ideas with original detections related to many areas years ago as an experienced psychologist at the hospital where he works he discovers a new approach to his field s problems he sees that this psychology model which he has shaped around the idea you get wet because you don t use umbrellas not because it s raining heavily not to become famous and rich by establishing a center right away he prefers to explain this technique with all the technical details by making more than 300 videos and to offer them to the benefit of a wider audience thus thousands of people in their homes could get rid of their problems in a short time in the eyes of thousands of people he becomes an angel of goodness and a hero he does not settle down with that of course first he established a publishing house with limited facilities for this book to be published the publishing house is active for months through his own means he doesn t want his book to be published from any publishing house just like an ordinary work and only benefit people in his country then he provides the translation of the book through his own means thus he presents his approach to the benefit of humanity of the whole world and presents it to all humanity he brings brand new perspectives to psychological processes such as anxiety fear anxiety distress emotion feelings etc this breaks the built in subconsciously learned false perceptions he does not decipher the great mental illness lie and others and does not convince people that they are not sick he introduces

people to the healing power of the belief that i am not sick in their homes it provides home self treatment for problems such as panic attacks obsession anxiety and depression and also provides a very effective opportunity for mental vaccination to people who want to protect themselves and their loved ones against such problems this text is my introductory text as a volunteer editor of the book i don t know how much i could put out of what i have been thinking perhaps by reading this work you want to know both the content and the author yourself i believe this will be much more accurate

Good Words and Sunday Magazine 1871

much of what has been portrayed concerning john the baptist and his message of repentance is that he was a wild man a loose canon who lived in caves never combed his hair or brushed his teeth and would yell at the top of his lungs repent you sinners in a thunderous voice author chris martin uncovers the truth about john and discusses how john s message of repentance is different from warnings of hellfire and brimstone preached on street corners and even some pulpits around the world repentance is a gift that god has granted us for the forgiveness of sins and is not some type of guilt ridden man made condemnation a thunderous voice is an insightful look into the reality that repentance goes hand in hand with a heart attitude an action and a blessing from god understanding true repentance will ultimately change the

way believers think about and respond to god's grace and mercy so that we can all walk in the freedom that christ purchased on the cross for his children this new and profound truth will empower anyone searching for hope and reconciliation enriching the lives of those who desire to shout with a thunderous voice to god
