this book analyses local politics in limerick from 1898 to 1918 reaching back to the parnellite split and forward to the post independence era it explores at local level the relevance of the commemoration of 1798 the reunification of the irish parliamentary party and the emergence of multiple cultural political movements as well as the demise of unionism the question posed is twofold whether nationalist constitutional politics changed over this time period on the one hand and whether they were driven by local or national concerns on the other the conclusion is that the spirit of politics was intensely local that political patronage was largely locally controlled and that there were greater continuities than ruptures in the composition and behaviour of political elites in fact long term continuities of personnel social class and political allegiance existed side by side with the ability of existing structures to absorb change and to adapt in the light of wider political developments and internal manoeuvres index of archaeological papers published in 1891 under the direction of the congress of archaeological societies in union with the society of antiquaries index of archaeological papers published in 1891 under the direction of the congress of archaeological societies in union with the society of antiquaries on 4 august 1914 following the outbreak of european hostilities large sections of irish protestants and catholics rallied to support the british and allied war efforts yet less than two years later the easter rising of 1916 allegedly put a stop to the catholic commitment in exchange for a re emphasis on the national question in ireland and the great war niamh gallagher draws upon a formidable array of original research to offer a radical new reading of irish involvement in the world s first total war exploring the home front and irish diasporic communities in canada australia and britain gallagher reveals that substantial support for the allied war effort continued largely unabated not only until november 1918 but afterwards as well rich in social texture and with fascinating new case studies of irish participation in the conflict this book has the makings of a major rethinking of ireland s twentieth century this book examines the impact of world war one on the people of limerick it traces how recruitment which was weak at the commencement of the war increased locally after the leader of the irish parliamentary party john redmond issued his call for irish nationalists and others to enlist and as the war progressed how sinn féin separatists impinged on recruiting efforts it also shows that the british war office were unwitting contributors to the separatists cause by their ill conceived actions that only assisted them in their political cause and anti recruiting campaign the book also tracks how the separatists gained considerably in both military and political strength locally through the inept policies that changed public support for the war effort thereby paving the way for the sinn féin victory in the general election of december 1918 thus giving credence to the author and poet robert graves description that limerick had become a sinn féin ridden town further to this it demonstrates that despite the best efforts of local capitalists to procure war work contracted out by the british war office only very little was achieved the war office ensuring that the vast array of such work was to remain in britain some local capitalists did of course gain as a result of the war these were notably those such as merchants and farmers who were in a position to provide britain and her army with all the foodstuffs that she required those on low incomes namely the working class who also provided the majority of recruits for the armed forces were to suffer through the ever increasing price rises this book therefore reveals a complex scene where social and political alignments reflect much of what was happening nationally but also had uniquely local characteristics the artist and academia explores the relationship between artistic and academic ways of knowing historically these have often been presented as opposites the former characterized as passionate and intuitive and the latter portrayed as systematic and rigorous recent scholarship presents a more complex picture artistic knowledge demands high levels of skill and rigor while academic research requires creativity and innovative thinking this edited collection brings together leading artists and scholars as well as artist scholars to offer a variety of philosophical educational experiential reflexive and imaginative perspectives on the artist and academia the contributions include

in depth scholarly discussions on the nature of knowledge and creativity as well as personal artistic statements from musicians dancers actors and writers additionally it explores both the mediational and subversive spaces created by the meeting of artistic and academic traditions while the book addresses global themes by global writers its core case study is an educational experiment called the irish world academy of music and dance at the university of limerick in ireland established in 1994 it set out to reconfigure the place of the artist in the context of contemporary higher education the material is clustered into three parts part one and part two explore the artist as mediator educator and subversive in academia grounded in close to practice research part three concludes the volume with a set of case studies from the irish world academy artistic and academic knowledge come together in this unique set of pieces to explore the development of more inclusive and imaginative pedagogical values socketed axes were widespread in the irish bronze age associated with a range of industrial domestic and ritual activities reflected in the enormous variety of axe sizes something that is immediately evident from eogan s typology and illustrated catalogue the irish contribution to world theatre is famous but today awareness of irish theatrical activity is chiefly confined to the modern period this book corrects that imbalance with an unparalleled study of the early history of drama and performance in ireland from the seventh century through the sixteenth and seventeenth centuries and ending on the eve of the arrival of oliver cromwell the work of professional entertainers is discussed as is that of amateurs in theatricals sponsored by churches guilds civic authorities and aristocratic patrons drawing on a wide variety of sources many unpublished alan fletcher opens up a vibrant but forgotten irish landscape in which drama and performance collaborated actively in the mapping and manufacture of social history modern irish drama is acknowledged as having a rich and vibrant tradition drama performance and polity in pre cromwellian ireland helps to show how that vibrant tradition of drama and theatre has a very long history dr fletcher deals not only with performance traditions outside the pale in the sixteenth and seventeenth centuries but for the first time delves into such traditions as can be gleaned about gaelic ireland during the preceding millennium fletcher surveys the native traditions beyond the pale early and sixteenth century activities within dublin kilkenny drama provincial centres outside dublin and dublin in the seventeenth century up to the arrival of oliver cromwell when the irish theatres were closed 1930 31 includes the report of the state controller 1940 41 financial report of bureau of accounts and control of the dept of finance 1930 31 includes the report of the state controller 1940 41 financial report of bureau of accounts and control of the dept of finance this book is about two prominent issues conflict prevention and the media conflict prevention is a challenging concept for the media because journalists normally work on current affairs reporting what is going on now not trying to change the course of events in the medium or long term however the media can also play a determinant role in conflict prevention by providing swift and reliable information of emerging or potential conflicts to local and external actors governments international organizations and public opinion alike need in depth understanding of pre and post conflict social economic cultural and political environments in order to fully understand the benefits and feasibility of preventive policies continuation of the reference work that originated with robert dodsley written and published each year which records and analyzes the year s major events developments and trends in great britain and throughout the world after 1815 the usual form became a number of chapters on great britain paying particular attention to the proceedings of parliament followed by chapters covering other countries in turn no longer limited to europe the expansion of the history came at the expense of the sketches reviews and other essays so that the nineteenth century publication ceased to have the miscellaneous character of its eighteenth century forebear although poems continued to be included until 1862 and a small number of official papers and other important texts continue to be reproduced

## **Limerick Constitutional Nationalism, 1898-1918**

2010-02-19

this book analyses local politics in limerick from 1898 to 1918 reaching back to the parnellite split and forward to the post independence era it explores at local level the relevance of the commemoration of 1798 the reunification of the irish parliamentary party and the emergence of multiple cultural political movements as well as the demise of unionism the question posed is twofold whether nationalist constitutional politics changed over this time period on the one hand and whether they were driven by local or national concerns on the other the conclusion is that the spirit of politics was intensely local that political patronage was largely locally controlled and that there were greater continuities than ruptures in the composition and behaviour of political elites in fact long term continuities of personnel social class and political allegiance existed side by side with the ability of existing structures to absorb change and to adapt in the light of wider political developments and internal manoeuvres

### **Ireland. Hand Book of Railway Distances. Compiled by Direction of the Secretary of State for War from the Official Returns,&c., of the Various Railway Companies by W. W. Browning ... and Revised by the Railway Clearing House, Dublin. War Office, Pall Mall, 31st Oct. 1868. [With a Map of Ireland.]**

1869

### **Report of the Commissioners Appointed to Inquire Into the Manner in which Railway Communications Can be Most Advantageously Promoted in Ireland**

1838

on 4 august 1914 following the outbreak of european hostilities large sections of irish protestants and catholics rallied to support the british and allied war efforts yet less than two years later the easter rising of 1916 allegedly put a stop to the catholic commitment in exchange for a re emphasis on the national question in ireland and the great war niamh gallagher draws upon a formidable array of original research

to offer a radical new reading of irish involvement in the world s first total war exploring the home front and irish diasporic communities in canada australia and britain gallagher reveals that substantial support for the allied war effort continued largely unabated not only until november 1918 but afterwards as well rich in social texture and with fascinating new case studies of irish participation in the conflict this book has the makings of a major rethinking of ireland s twentieth century

## **The Journal of the Royal Society of Antiquaries of Ireland**

1898

this book examines the impact of world war one on the people of limerick it traces how recruitment which was weak at the commencement of the war increased locally after the leader of the irish parliamentary party john redmond issued his call for irish nationalists and others to enlist and as the war progressed how sinn féin separatists impinged on recruiting efforts it also shows that the british war office were unwitting contributors to the separatists cause by their ill conceived actions that only assisted them in their political cause and anti recruiting campaign the book also tracks how the separatists gained considerably in both military and political strength locally through the inept policies that changed public support for the war effort thereby paving the way for the sinn féin victory in the general election of december 1918 thus giving credence to the author and poet robert graves description that limerick had become a sinn féin ridden town further to this it demonstrates that despite the best efforts of local capitalists to procure war work contracted out by the british war office only very little was achieved the war office ensuring that the vast array of such work was to remain in britain some local capitalists did of course gain as a result of the war these were notably those such as merchants and farmers who were in a position to provide britain and her army with all the foodstuffs that she required those on low incomes namely the working class who also provided the majority of recruits for the armed forces were to suffer through the ever increasing price rises this book therefore reveals a complex scene where social and political alignments reflect much of what was happening nationally but also had uniquely local characteristics
