drawing on methodologies and approaches from media and cultural studies sociology social history and the study of popular music this book outlines the development of the study of men and masculinities and explores the role of cultural texts in bringing about social change it is against this backdrop that the beatles as a cultural phenomenon are set and their four live action films spanning the years 1964 1970 are examined as texts through which to read changing representations of men and masculinity in the sixties dr martin king considers ideas about a male revolt predating second wave feminism the

beatles as inheritors of the possibilities of the 1950s and the
beatles emergence as men of ideas a global cultural phenomenon that
transgressed boundaries and changed expectations about the role of
popular artists in society king further explores the chosen beatle
texts to examine discourses of masculinity at work within them what
emerges is the discovery of discourses around resistance non
conformity feminized appearance pre metrosexuality the male star as
object of desire and the emergence of the beatles themselves as a text
that reflected the radical diversity of a period of rapid social
change king draws valuable conclusions about the legacy of these
discourses and their impact in subsequent decades
