through the first london season one was the cynical and brilliant mr warwick jones whose wit and wealth gave him free entry into society and whose pretended scorn for women was matched only by the sensual intensity of his passion for them the other was the handsome and honorable julian viscount hazelton whose fierce desire for an unobtainable beauty had led him to financial ruin but could not mar his irresistible godlike good looks warwick jones and julian were good friends until they took the inexperienced miss logan in hand each leading her on a different path of love and passion toward a decision that threatened to intoxicate her flesh and yield her ripe innocence to the one man whose tantalizing nearness she could no longer resist the game of love francesca wyndham knew the folly of gambling she had seen her father lord wyndham lose the family fortune forcing her to become a plain chaperone to an empty headed young miss but now francesca was taking a gamble even her father would have blanched at she was falling in love with the irresistible arden lyons a gentleman who was clearly anything but a gentleman when it came to winning what he wanted whether a hand of cards a test of strength or a lady's favors she knew nothing about this man except that she wanted him from the moment she saw him and though his past was a dark mystery his motives for choosing her over other seductive or wealthy young beauties were even more mysterious still francesca dared to pit her innocence against arden's expertise in a game where passion took all surrender to love miss eliza merriman knew how difficult it would be to capture julian dylan for julian was the handsomest lord in england a prize women would and did do anything to win somehow eliza had to be more dazzling than her captivating cousin constance aristocratic society's most celebrated beauty she had to be more endearing than her friend anthea who was everything that a man could seek in a wife and she had to weave a sensual spell stronger than that of the ladies of pleasure who swarmed around julian like bees around honey the sheriff of hell's murder case is the final novel in dr jack justin turner's highly acclaimed cumberland mountain trilogy with a mangled arm and with his long barreled luger close at hand sheriff jacob newton herald must muster all the cunning and courage that saw him through the great war to survive the sometimes savage place he calls home jake as he is known by both friend and foe has been described as a combination of hamlet and dirty harry but in this last volume jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life part murder mystery and part magnificent love story the sheriff of hell's murder case again demonstrates dr turner's powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern appalachian fiction turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers as one reviewer put it jack justin turner's voice rings so true that one might think the author is The Love Trilogy 2020-04-14

three great books form one terrific trilogy and all in one ebook love in disguise miss susannah logan felt very fortunate to have not one but two gentlemen shepherding her through the first london season one was the cynical and brilliant mr warwick jones whose wit and wealth gave him free entry into society and whose pretended scorn for women was matched only by the sensual intensity of his passion for them the other was the handsome and honorable julian viscount hazelton whose fierce desire for an unobtainable beauty had led him to financial ruin but could not mar his irresistible godlike good looks warwick jones and julian were good friends until they took the inexperienced miss logan in hand each leading her on a different path of love and passion toward a decision that threatened to intoxicate her flesh and yield her ripe innocence to the one man whose tantalizing nearness she could no longer resist the game of love francesca wyndham knew the folly of gambling she had seen her father lord wyndham lose the family fortune forcing her to become a plain chaperone to an empty headed young miss but now francesca was taking a gamble even her father would have blanched at she was falling in love with the irresistible arden lyons a gentleman who was clearly anything but a gentleman when it came to winning what he wanted whether a hand of cards a test of strength or a lady s favors she knew nothing about this man except that she wanted him from the moment she saw him and though his past was a dark mystery his motives for choosing her over other seductive or wealthy young beauties were even more mysterious still francesca dared to pit her innocence against arden s expertise in a game where passion took all surrender to love miss eliza merriman knew how difficult it would be to capture julian dylan for julian was the handsomest lord in england a prize women would and did do anything to win somehow eliza had to be more dazzling than her captivating cousin constance aristocratic society s most celebrated beauty she had to be more endearing than her friend anthea who was everything that a man could seek in a wife and she had to weave a sensual spell stronger than that of the ladies of pleasure who swarmed around julian like bees around honey
