hi i am jose m gonzalez this is my story i was inspired by the lord jesus christ himself to write this book about my life story i alone would have never even thought to write a book about my life but i feel as if i have been led by god to write this it hurt to write this book because for my entire childhood and even as a young adult there was nothing but pain and misery this book takes you through my life and my hardships of growing up with nobody to care for or anybody to love and even as my struggles as an adult i hope this book touches and moves you to appreciate the things you have in life this story is a testament that god is real and he protects his children from all the things in this world if this book can help just one person than i would be happy i hope you enjoy god bless
