my poetry is often referred to as straight from the heart most of my poems were inspired from my own personal experiences or from the inspiration i felt when talking to others not necessarily my thoughts but the way i thought the other person felt within these pages you will find the expressions of many emotions tears of joy sadness laughter love and many others some may even make you shed a tear or two if so i was probably shedding a few of my own when i wrote it i tell my friends and family that these poems were written in tears and they truly were not all of my poetry is sad and should apply to both male and female of all ages i hope you enjoy my book and if you would like to comment on any of them you can contact me at mcaskeydrake yahoo com

normal everyone is trying to act normal but there is no clear definition to what it is we all end up confused we look up to society for guidance and we find a strong influencer marketing it tell us how to act what to think and who to be but marketing is contradictory overwhelming and driven by self interest it promises us happiness but instead give us obesity debt and depression but is happiness still possible it is by simple virtue of having the right information and changing how we think we can dramatically increase the quality of our lives and if everyone is suddenly happy how different our world would be
