the period having risen from obscurity as a precocious

the time he released my beautiful dark twisted fantasy  
mbdtf in late 2010 west had evolved into a master collagist

new art form a look at the arc of his career from the heady  
chipmunk soul exuberance of the college dropout 2004 to  
the operatic narcissism of mbdtf tells us about the march
