since the publication of his critically acclaimed debut collection *The Secret Lives of People in Love* Simon van Booy has been hailed as one of the most exciting and talented short story writers in Anglo-American fiction. This magnificent collection brings together twenty-four stories by a writer of unparalleled lyricism, generosity, and emotional power, set in a range of locations from Cornwall, Wales, and New York to Paris and Rome. These stark and beautiful stories are a perfect synthesis of intensity and atmosphere. Love, loss, isolation, and the power of memory are van Booy's themes, and in spare, economical prose he writes about the difficult choices we make in order to retain our humanity and about the redemptive power of love in a violent world.
