## **Henry Miller and How He Got That Way**

2011-02-23

identifying six significant writers whitman dostoevsky rimbaud lewis carroll proust and d h lawrence kathy masuga examines their influence on miller s work as well as miller s retroactive impact on their writing she explores four forms of intertextuality in relation to each ancestral author direct allusions unconscious style reverse influence and participation of the ancestral author as part of the story within the text the study is informed by the theories of polyvocality from bakhtin barthes and kristeva and of language games and the indefatigability of writing in the work of blanchot wittgenstein and deleuze by presenting miller in intertextual context he emerges as a noteworthy modernist writer whose contributions to literature include the struggle to find a distinctive voice alongside a distinguished lineage of literary figures

## **Henry Miller and Religion**

2012-12-06

this study argues that this previously banned author devoted his entire life to articulating a religion of self liberation in his autobiographical books examining his life and work within the context of fringe religious movements that were linked with the avant garde in new york city and paris at the first of the 20th century this study shows how these transatlantic movements including gurdjieff rosicrucianism and theosophy gave him the hermeneutical devices not to mention the creative license to interpret texts and symbols from mainline religions in an iconoclastic manner ranging from obscure taoist treatises to the mystical works of jacob boehme the influence of numerous philosophical sources widely circulated in his most critical years particularly henri bergson s two sources of morality and religion 1932 also helped him develop a religious view situated between transcendence and immanence in which self liberation through the channeled flow of élan vital is the chief objective miller s knowledge of these intellectual currents along with his involvement with sidestream religious groups inspired him to meld his religious and literary aims into one perplexing project

## **Joaquin Miller, and His Other Self. [With Plates, Including Portraits.]**

1929

in this bold study james m decker argues against the commonly held opinion that henry miller s narratives suffer from formlessness he instead positions miller as a stylistic pioneer whose place must be assured in the american literary canon from moloch to nexus through such widely read texts as tropic of cancer and tropic of capricorn decker examines what miller calls his spiral form a radically digressive style that shifts wildly between realism and the fantastic drawing on a variety of narratological and critical sources as well as miller s own aesthetic theories he highlights that this fragmented narrative style formed part of a sustained critique of modern spiritual decay a deliberate move rather than a compositional weakness then miller s style finds a wide variety of antecedents in the work of such figures as nietzsche rabelais joyce bergson and whitman and is viewed by decker as an attempt to chart the journey of the self through the modern city henry miller and narrative form affords readers new insights into some of the most challenging writings of the twentieth century and provides a template for understanding the significance of an extraordinary and inventive narrative form

## **Henry Miller and Narrative Form**

2006-06-01

featuring unparalleled full color illustrations and detailed descriptions miller and evan s anatomy of the dog 5th edition makes it easy to master the intricate details of canine morphology content has been updated throughout the text to reflect the latest

2018-12-20

j hillis miller is undoubtedly one of the most important literary critics of the past century for well over five decades his work has been at the forefront of theoretical and philosophical thinking and writing from his earliest work with georges poulet and the so called geneva school which introduced a generation of north american critics to the concept of a phenomenological literary hermeneutic to a deconstructive rhetorical philology and an ethically motivated textual analysis miller s readings have not only reflected major movements in literary theory they have also created them surprisingly eamonn dunne s j hillis miller and the possibilities of reading is the first book devoted exclusively to examining miller s work dunne argues that an appreciation of miller is crucial to an informed understanding about the radical changes occurring in critical thinking in the humanities in recent years this book the first of its kind will be a vital and enabling avenue for further research into j hillis miller s exemplary and prolific output

## ***J. Hillis Miller and the Possibilities of Reading***

2010-05-06

presenting fresh insights into some of the most challenging writings of last century this provocative study explores the work of henry miller positioning him as a stylistic pioneer whose place must be assured in the american literary canon

## **Henry Miller and Narrative Form**

2005

2017 eisner award nominee for best academic scholarly work in the late 1970s and early 1980s writer artist frank miller turned daredevil from a tepid selling comic into an industry wide success story doubling its sales within three years lawyer by day and costumed vigilante by night the character of daredevil was the perfect vehicle for the explorations of heroic ideals and violence that would come to define miller s work frank miller s daredevil and the ends of heroism is both a rigorous study of miller s artistic influences and innovations and a reflection on how his visionary work on daredevil impacted generations of comics publishers creators and fans paul young explores the accomplishments of miller the writer who fused hardboiled crime stories with superhero comics while reimagining kingpin a classic spider man nemesis recuperating the half baked villain bullseye and inventing

a completely new kind of daredevil villain in elektra yet he also offers a vivid appreciation of the indelible panels drawn by miller the artist taking a fresh look at his distinctive page layouts and lines a childhood fan of miller s daredevil young takes readers on a personal journey as he seeks to reconcile his love for the comic with his distaste for the fascistic overtones of miller s controversial later work what he finds will resonate not only with daredevil fans but with anyone who has contemplated what it means to be a hero in a heartless world other titles in the comics culture series include twelve cent archie wonder woman bondage and feminism in the marston peter comics 1941 1948 and considering watchmen poetics property politics

## ***Joaquin Miller and His Other Self***

2012-05-01

staunchly homosocial vaguely or overtly misogynistic anxiously homophobic this study follows the male breadwinner as he is incarnated in arthur miller s most celebrated plays and as he resurfaces in different guises throughout american drama from the 1950s to the present anxious masculinity offers a compelling analysis of gender dynamics and the legacy of this figure as he stalks through the works of other american dramatists and argues that the gendered anxieties exhibited by their characters are the very ones invoked with such success by donald trump claire gleitman examines this figure in the plays of miller and tennessee williams as well as later 20th century writers lorraine hansberry august wilson and sam shepard who reposition him in more racially and economically marginalized settings he reappears in the more recent work of playwrights tony kushner paula vogel and collaborators lisa kron and jeanine tesori who shift their focus to the next generation which seeks to escape his clutches and forge new often gleefully queer identities the final chapter concerns contemporary black dramatists suzan lori parks jackie sabbles drury and jeremy o harris whose plays move us from anxious masculinity to anxious whiteness and speak directly to the current moment

## **Frank Miller's Daredevil and the Ends of Heroism**

2016-07-27

words and women is the landmark work that reveals the sexual biases present in our everyday speech and writing and shows how they affect women s and men s perceptions of the world and one another

## **Anxious Masculinity in the Drama of Arthur Miller and Beyond**

2022-05-19

arthur miller for the twenty first century contemporary views of his writings and ideas brings together both established miller experts and emerging commentators to investigate the sources of his ongoing resonance with audiences and his place in world theatre the collection begins by exploring miller in the context of 20th century american drama chapters discuss miller and eugene o neill tennessee williams edward albee david mamet and sam shepard as well as thematic relationships between miller s ideas and the explosion of significant women and african american dramatists since the 1970s other essays focus more directly on interpretations of miller s individual works not only plays but also essays and fiction including a discussion of death of a salesman in china the volume concludes by considering miller and current cultural issues his work for human rights his depiction of american ideals of masculinity and his anticipation of contemporary posthumanism

## ***Words and Women***

2000

a unique edition of james s two complementary tales daisy miller and an international episode in which the young american girl

irrupts into european society this edition includes introduction and notes by adrian poole and an appendix on stage and screen versions of daisy miller

## ***Arthur Miller for the Twenty-First Century***

2020-02-27

new york times drama critic mel gussow first met arthur miller in 1963 during rehearsals of after the fall the play inspired by miller s marriage to marilyn monroe they then met regularly over the following forty years conversations with miller records what was discussed at more than a dozen of these meetings in the book the author of death of a salesman a view from the bridge and the crucible is astonishingly candid about everything from the personal to the political his successes and disappointments in theatre his role as an advocate of human rights his staunch resistance to the united states congressional witch hunts of the 1950s he also speaks forthrightly about his relationship with monroe personal wise and often very funny the result is a revealing self portrait of one of the giants of twentieth century literature who was both a regular guy and a fiercely original writer and thinker published to mark the centenary of arthur miller s birth this new edition of conversations of miller features a new foreword by richard eyre former artistic director of the national theatre and an afterword by publisher nick hern in which both reflect on their own conversations with america s greatest playwright

## **Daisy Miller and An International Episode**

2013-06-13

from an established author with a growing international profile in media studies media theory is an accessible yet challenging guide to ways of thinking about media and communications in modern life shaun moores draws on ideas from a range of disciplines in the humanities and social sciences and expertly connects the analysis of media and communications with key themes in contemporary social theory examining core issues of time and space moores also examines matters of interactions signification and identity and argues that media studies is bound up in the wider processes of the modern world and not just about studying the media this book makes a distinctive contribution towards rethinking the shape and direction of media studies today and for students at advanced undergraduate or postgraduate level

## **Conversations with Miller**

2015

an annotated bibliography describing editing and critical works on three of chaucer s tales the authors make extensive use of the standard bibliographies of english literature medieval studies and chaucerian studies

## **Henry Miller's Book of Friends**

1987

one of the leading textbooks in its field bringing fossils to life applies paleobiological principles to the fossil record while detailing the evolutionary history of major plant and animal phyla it incorporates current research from biology ecology and population genetics bridging the gap between purely theoretical paleobiological textbooks and those that describe only invertebrate paleobiology and that emphasize cataloguing live organisms instead of dead objects for this third edition donald r prothero has revised the art and research throughout expanding the coverage of invertebrates and adding a discussion of new methodologies and a chapter on the origin and early evolution of life

## **Susy Miller and her teachers. [With] More about Susy Miller's teachers, by her aunt**

1870

uncovered along with crazy cock in 1988 by miller biographer mary v dearborn moloch emerged from the misery of miller s years at western union and from the squalor of his first marriage set in the rapidly changing new york city of the early twenties its hero is the rough and tumble dion moloch a man filled with anger and despair trapped in a demeaning job oppressed by an acrimonious home life moloch escapes to the streets only to be assaulted by a world he despises even more a brooklyn transformed into a shrill medley of ethnic sights sounds and smells the antagonized moloch strikes out blindly at everything he hates battling against a world whose hostility threatens to overwhelm and destroy him

## **Atlantic Reporter**

1888

the theory of semigroups is a relatively young branch of mathematics with most of the major results having appeared after the second world war this book describes the evolution of algebraic semigroup theory from its earliest origins to the establishment of a full fledged theory semigroup theory might be termed cold war mathematics because of the time during which it developed there were thriving schools on both sides of the iron curtain although the two sides were not always able to communicate with each other or even gain access to the other s publications a major theme of this book is the comparison of the approaches to the subject of mathematicians in east and west and the study of the extent to which contact between the two sides was possible
