Jesus and Women

2021-10-28

in *Jesus and Women* Niamh Middleton combines insights from evolutionary biology feminism and the MeToo movement to highlight the revolutionary attitude of Jesus towards women. Her careful exegesis comparing the treatment and depiction of women in the Old and New Testaments illuminates the way forward for the treatment of women by church and society. More importantly, however, it holds the potential to greatly enrich our understanding of Jesus' divinity. Middleton's bold approach encourages Christian women to reclaim their religion as a tool for empowerment, correcting the regressive course that Christianity has taken in this regard since Roman times. She also cites the remarkable life and untimely death of Western heroine Diana, Princess of Wales as an archetypal example of why Christianity must be reclaimed by its female members. Above all, she powerfully argues that while political feminism can tackle the symptoms of the perennial battle of the sexes, only a revolution of grace can bring about a full restoration of the harmony between the sexes described in Genesis.

Jesus and Scripture

2024-02-29

For the New Testament writers, the Old Testament scriptures and the teachings of Jesus were key sources of authority and influence. When these influences are considered alongside each other, each can illuminate the other, deepening the New Testament writers' presentation of Jesus and our understanding of their interpretations. In *Jesus and Scripture*, Tom Parker examines the way in which Hebrews, James, and 1 and 2 Peter deal with these two different sources of authority, how they relate to each other, and what shifts have occurred historically and theologically within the writing of these texts. Treating the four epistles methodologically, Parker examines the particular ways in which each writer draws on the Hebrew scriptures. Ultimately, he argues convincingly that the nascent Jesus tradition, particularly via oral routes, influenced the way the Old Testament was processed by these various New Testament writers.

Jesus Through Many Eyes

2023-01-26

First published in 1941, *The Historic Mission of Jesus* is one of the landmark texts on the life of Jesus, his relation to the Father, and his earthly task. Counter to the prevailing scepticism of the reliability of the synoptic sources chronicling Jesus' life, Cadoux presents a sweeping yet detailed illustration of the evidence while advancing theories for its interpretation that would go on to be significant facets of New Testament study. While not going to the same lengths as Albert Schweitzer, Cadoux nevertheless advances a thoroughly eschatological interpretation of Jesus' self-perception. He thus emphasises the nation-wide character of his appeal, his concern for the redemption of the Gentiles through Israel's fulfilment of the universalistic aspirations of the Old Testament, his eager endeavour to avert a military clash between the Jews and the Roman Empire, and his early expectation of being accepted and

loyally followed by his fellow countrymen as a whole the result is a prime early example of the revival of interest in the historical
jesus on theological grounds

The Historic Mission of Jesus

2022-07-28

the titles of jesus in christology was recognised as a major contribution to christological study when it was first published in
german in 1963 its translation into english a few years later cemented this status hahn undertakes a massive and detailed
examination of the various traditions that led to the use of names for jesus that we now recognise as characteristic of the very
early church moreover he carefully distinguishes between the different christological conceptions present in these differing
branches of primitive christianity and embodied in the terms they produced his analysis and categories have been followed by
many later scholars who built on his detailed study of the peculiarities of the different titles given to jesus by the different
communities that followed him

The Titles of Jesus in Christology

2022-09-29

unraveled is a 30 day devotional that focuses on developing spiritual emotional and mental growth from a biblical perspective the
devotions sole purpose is leading individuals into a deeper intimate relationship with christ every devotion is geared to inspire
encourage and motivate the reader to take a deeper look at the individual in the mirror and examine their relationship with christ
the devotions inside this book are relevant to anyone in all walks of life christ tells us to come to him as we are and as we follow
him we start to lose more of our identity and find our true identity in him it is my sincere prayer that as you read the devotions
written in this book that god s holy spirit will lead lead you into a deeper knowledge and relationship with christ for god s glory

Unraveled

2014-06-29

the book of job demonstrates god s ability to turn satan s most vicious schemes against job or a believer in jesus into providing
exactly what his child needs for his or her eternal good we get to see the extraordinary fulfillment of romans 8 28 for job and see
how he is ready to fulfill it for each believer who continues to walk with him in love

The Principles of the Trinary Universe

2012-06-15

the importance of comprehending god s will for one s life is emphasized throughout the book because it is necessary to forge a
contented and fruitful connection with god when one is unclear about god s plan in any area of their life uncertainty and

uneasiness arise too many christians go about their daily lives never realizing what god s perfect will is for them at that specific time christians are deprived of the chance to experience god s highest intentions by not knowing god s perfect will additionally it keeps people from leading a prosperous fruitful joyful peaceful and spiritually filled life in the present the lack of discernment of god s perfect will for your life will cause you to live far below your rights and privileges in christ however the recognition of god s purpose for your life will provide a greater sense of identity belonging vocation and guidance which links you to a higher purpose the kingdom of god the reality is that this crucial aspect of christianity today receives relatively little attention but it is at the core of effective and genuine christian living without a clear grasp of god s intention for one s life one could feel like or even become a square peg in a round hole especially in identifying the appropriate ministries and where to serve effectively in the body of christ

GOD'S GREAT GOOD to JOB

2024-02-27

in living christ peter feldmeier explores the gospels as the premier revelation of the person ministry and salvation of jesus christ uniting biblical scholarship with a deep spiritual engagement with the gospels feldmeier shows how the biblical word can access the prophetic words and saving work of jesus to make them one s own each gospel provides a unique interpretation of christ and a distinctive expression of christian discipleship feldmeier takes the reader slowly through each text so that they may richly engage the truths witnessed by the evangelists and become opportunities for interior transformation drawing on traditional and modern commentaries as well as his own reflections feldmeier shows how the gospels are essential in their own ways in coming to an intimate relationship with christ and an authentic appropriation of biblical discipleship

Discerning the Will of GOD

2023-04-15

in the nineteenth century white americans contrasted the perceived purity of white middle class women with the perceived eroticism of women of color and the working classes the latter day saint practice of polygamy challenged this separation encouraging white women to participate in an institution that many people associated with the streets of calcutta or turkish palaces at the same time latter day saints participated in american settler colonialism after their expulsion from ohio missouri and illinois latter day saints dispossessed ute and shoshone communities in an attempt to build their american zion their missionary work abroad also helped to solidify american influence in the pacific islands as the church became a participant in american expansion imperial zions explores the importance of the body in latter day saint theology with the faith s attempts to spread its gospel as a civilizing force in the american west and the pacific by highlighting the intertwining of latter day saint theology and american ideas about race sexuality and the nature of colonialism imperial zions argues that latter day saints created their understandings of polygamy at the same time they tried to change the domestic practices of native americans and other indigenous peoples amanda hendrix komoto tracks the work of missionaries as they moved through different imperial spaces to analyze the experiences of the american indians and native hawaiians who became a part of white latter day saint families imperial zions is a foundational contribution that places latter day saint discourses about race and peoplehood in the context of its

ideas about sexuality gender and the family

Living Christ

2022-10

we are not alone in this life god sends angels to teach protect warn and comfort each of us in our individual circumstances with tender stories and profound insights this book highlights the different types of angels the roles they play in mortality and how we can grow closer to our family members on the other side recognize the angels at work in your own life

Imperial Zions

2023-02-02

2peter 1 8 11 promises that by increasingly doing verses 5 7 we shall receive great promises being useful and fruitful in knowing jesus never stumbling and being abundantly supplied the entrance into the eternal kingdom of our lord and savior jesus christ verse 4 adds that we become partakers of the divine nature clearly we should understand the meaning and content of this little scripture

Reaching Through the Veil: Angels in Everyday Life

2011-06-29

in this fourth volume of robert m price s celebrated holy fable series he turns his critical lens away from the bible and toward a broader range of scriptural works that were written or rediscovered in modern times employing the same sympathetic but eagle eyed treatment that defined past volumes he offers in depth analysis of the joseph smith penned book of mormon the long sealed gospel according to thomas the new age jesus of the aquarian gospel the h p lovecraft invented necronomicon and the andrew lloyd webber and tim rice rock opera jesus christ superstar with his trademark scholarship and wit he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today

FULFILLING OUR PART IN GOD'S PROMISES 2Peter 1:1-11

2020-04-21

in luke 17 the apostles asked jesus increase our faith he answered that if they had faith like a mustard seed then a tree would obey them this verse is often misunderstood as this book shows the bible s 5 verses about a mustard seed emphasize its growth from a tiny seed into a large plant that provides for others these verses do not teach that a tiny amount of faith does miracles they show faith that grows greatly from its seed like start and show the great growth of the kingdom of god from its tiny start faith is a trusting relationship with god that includes his miracles and much more little faith is being more like a mustard seed than its

tree in luke the apostles had mustard seed faith in acts they had mustard tree faith this book shows from luke how god worked to transform their faith into mustard tree faith faithful believers in jesus can see how god works to transform their own faith in the same way and can see how to work with him for this blessing

INSIGHTS FROM JOB

2007-03-01

nonlinear functional analysis is a central subject of mathematics with applications in many areas of geometry analysis fluid and elastic mechanics physics chemistry biology control theory optimization game theory economics etc this work is devoted in a self contained way to several subjects of this topic such as theory of accretive operators in banach spaces theory of abstract cauchy problem metric and topological fixed point theory special emphasis is given to the study how these theories can be used to obtain existence and uniqueness of solutions for several types of evolution and stationary equations in particular equations arising in dynamical population and neutron transport equations are discussed

Holy Fable Volume IV

2023-03-06

the book is focused on physical interpretation and visualization of the obtained invariant solutions for nonlinear mathematical modeling of atmospheric and ocean waves this volume represents a unique blend of analytical and numerical methods complemented by the author s developments in ocean and atmospheric sciences and it is meant for researchers and graduate students interested in applied mathematics and mathematical modeling

Mustard Tree Faith

2024-03-04

this book investigates how domain dependent quantities from geometry and physics behave when the domain is perturbed of particular interest are volume and perimeter preserving perturbations the first and second derivatives with respect to the perturbation are exploited for domain functionals like eigenvalues energies and geometrical quantities they provide necessary conditions for optimal domains and are useful when global approaches like symmetrizations fail the book is example driven and illustrates the usefulness of domain variations in various applications

Nonlinear Functional Analysis and Applications

2023-06-19

the first century judaic understanding of the identity and nature of the messiah has been a much debated topic among biblical scholars and preachers alike so too has the messianic identity and nature of jesus himself bekele deboch informs these debates

with fresh evidence outside the traditional scriptural references to miracles and supernatural identifications by demons and god himself as well as earthly identification by human beings with thorough narrative criticism and analysis of contemporaneous literature this book brings insightful new conclusions that transform our understanding of the biblical messianic identity revealed in the person of jesus jesus not only self identified with the marginalized and liminal but also experienced extreme marginality himself to the point of shameful death on a tree jesus church around the world has the responsibility to herald his messianic identity and salvation to the marginalized of today bekele deboch has followed christ s example of walking with the marginalized and makes here a powerful case for the church to do the same

Lie Group Analysis of Differential Equations

2018-05-06

biblically the heart is the source of a person s behaviors beliefs thoughts attitudes desires motives and values the heart is so important to who we are our inner nature that is given a new body for our eternity in jesus god made the heart naturally stable by making it greatly fear getting changed this is good but also causes the heart to be very self deceptive if it needs to be cleaned how can we proceed this book shows the biblical picture of the heart more fully so that we can see ways for believers in jesus to work with him to clean our deceiving hearts for our eternity and for our close life giving fellowship with god on earth i gave two related books the same cover so that readers can choose the best fit purifying the heart puts solutions of heart problems with their discussion this complicates the picture of the heart destroying spiritual strongholds more fully explains this picture from the bible which is a harder introduction to this picture

Shape Optimization

2018-03-05

denova explores how the first followers of jesus arrived at their faith the way their sacred texts developed into the new testament and how their movement eventually became the religion of christianity her volume examines the concepts beliefs issues and events that gave rise to institutional christianity providing readers with the historical context of the gospels of mark matthew luke and john the acts of the apostles the book of revelation the letters of paul and other foundational new testament documents back cover

Jesus's Identification with the Marginalized and the Liminal

2021-07-21

fractional evolution equations describe various complex and nonlocal systems with memory this volume investigates fractional evolution equations in infinite intervals the book covers a range of topics including the existence uniqueness attractivity and applications to fractional diffusion equations and fractional schrodinger equations researchers and graduate students in pure and applied mathematics will find this a useful reference

Purifying the Heart

2021-10-18

f c baur s monumental study paul the apostle of jesus christ 1845 is one of the greatest works of all time on the apostle to the gentiles laying the basis for modern pauline scholarship its three sections in turn thoroughly deconstruct the account of paul found in acts examine the authentic deuteron pauline and pastoral epistles and draw the various strands of paul s thought into a cohesive whole in the first two parts baur s historical critical skills are at their finest while in the third the influence of hegel and schleiermacher can be seen as baur presents a comprehensive synthesis of pauline theology since the original nineteenth century english translation of baur s masterpiece is no longer adequate hodgson and brown s new edition will serve as the definitive resource for future scholarship they not only present a new translation of the german but also provide critical annotations and translations of all the scriptural passages originally quoted in greek baur on paul becomes truly available in english for the first time

Cleaning the DECEIVING HEART

2024-07-01

the book is about the importance of knowing gods will for ones life which is paramount in having a harmonious and fulfilling relationship with god when theres uncertainty concerning the will of god in any aspect of ones existence it results to confusion and anxiety too many christians go through life and never realize gods perfect will during their sojourn in time in doing so believers are robbed of the privilege of experiencing gods best for their lives it also deprives them of having an overcoming fruitful spirit filled joyful and peaceful life not discerning gods perfect will for your life will cause you to live far below your rights and privileges in christ the recognition of gods purpose for your life will provide a sense of identity belongingness vocation and guidance which serves to connect you to a higher purposethe kingdom of god the truth is that not much attention is paid to this very critical area of christianity today however it is the very heart of efficient and authentic christian living without a clear understanding of gods will in ones life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate ministries and where to serve effectively in the body of christ

The Origins of Christianity and the New Testament

2023-04-27

em alguém disse totalitarismo cinco intervenções no mau uso de uma noção slavoj žižek enfrenta o famigerado e pouco

palatável tema do totalitarismo evitando ao mesmo tempo o polemismo barato e o detalhamento repetitivo o filósofo esloveno envolve sua análise nos mais candentes impasses ideológicos do presente ao invés de apresentar uma crítica política das estruturas de exceção que constituem a administração totalitária. Žižek defende que a própria noção de totalitarismo longe de ser um conceito teórico efetivo é essencialmente um tapa buraco em vez de possibilitar nosso pensamento forçando nos a adquirir uma nova visão sobre a realidade histórica que ela descreve ela nos desobriga de pensar ou nos impede ativamente de pensar

Applied Nonlinear Functional Analysis

2014-11-07

o capitalismo como religião apresenta um recorrido por ensaios do filósofo walter benjamin organizado e introduzido pelo sociólogo michael löwy o livro traz textos surpreendentes em particular os ditos de juventude que vêm à tona com a liberação da obra benjaminiana para o domínio público löwy reuniu escritos de benjamin inéditos em português ou difíceis de consultar que contêm em graus variados uma crítica radical da civilização capitalista industrial moderna segundo o organizador benjamin ocupa uma posição singular na história do pensamento crítico moderno É o primeiro seguidor do materialismo histórico a romper radicalmente com a ideologia do progresso linear por sua crítica radical da civilização burguesa moderna por sua desconstrução da ideologia do progresso a grande narrativa dos tempos modernos comum tanto aos liberais quanto aos socialistas os escritos de benjamin parecem um bloco errático à margem das principais correntes da cultura moderna

Will You Be a Horse for God!

2020-01-01

tradução vencedora do prêmio jabuti de melhor tradução 2014 o clássico de marx foi originalmente publicado na alemanha em 1867 e é considerado a mais profunda investigação crítica do modo de produção capitalista o capital da boitempo é o décimo sexto volume da coleção marx e engels e conta com introduções de jacob gorender josé arthur giannotti e louis althusser além de texto de orelha de francisco de oliveira o capital é uma contribuição basilar ao pensamento anticapitalista em especial a tradição marxista que de certo modo se consolida com este livro o objetivo de marx era por meio de uma crítica da economia política compreender como o capitalismo funciona diante desse desafio ele desenvolveu um aparato conceitual e metodológico para entender toda a complexidade do capitalismo as categorias que constituem a articulação interna da sociedade burguesa e a relação direta entre acumulação de capital e exploração da força de trabalho o percurso a ser seguido para entender a lógica do capital é árduo lembra francisco de oliveira no texto de orelha segundo ele a leitura de o capital tem de ser feita de maneira paciente e disciplinada tendo em vista a complexidade do objeto de análise de marx ele examina antes de tudo a mercadoria e sua formação pois o capitalismo continua a ser mesmo em sua fase amplamente financeirizada um modo de produção de mercadorias explica o sociólogo josé arthur giannotti realça em sua apresentação que a obra de marx nunca perdeu seu interesse e sua relevância a despeito das idas e vindas das modas atuais do pensar e dos novos paradigmas em que a ciência econômica se alicerça como explicar essa permanência parece me que isso ocorre porque ela é mais do que um texto científico

ao salientar a especificidade das relações fetichizadas do capital a análise retoma a antiga questão do ser social e de sua historicidade afirma o filósofo e termina com um desafio a questão hoje em dia é mais do que teórica

Gendered Drugs and Medicine

2015-10-26

mankind has many conflicting ideas about what god is really like god created the whole material universe by his word and then the word of god emptied himself to become a speck in a tiny part of it why to show people exactly what god would be like if he lived in a limited human body like our own this also allowed him to become a perfect example of how we should live on earth and to pay a just price for the sins of mankind his creation this little book provides a foundation for understanding the character and nature of god showing how god s provision in jesus is very different from what any religion provides this difference is vital for preparing us for all eternity god s way to save us through jesus helps us to grow in true love and cuts through a deadly self righteousness that if god allowed it would even lower the quality of heaven this book was first written for people in south sudan but can help people anywhere who want to find meaning and purpose for their lives on earth
