Varieties of Economic Inequality 2016-03-10

recently the issue of inequality has regained attention in economic and political debates although this interest is welcome the debate is still mostly focused on income or wealth distribution which is an important aspect but does not present a complete view of inequality most of the theoretical and empirical studies produced by economists concern personal income distribution or factor income distribution this is more evident in the studies of the evolution and characteristics of contemporary capitalism and globalization varieties of economic inequality considers both theoretical perspectives and empirical evidence of aspects such as income gender race technology power region education and class ultimately this text rejects the idea of supposed long run constant factor shares the positive effects of inequality and the greater importance of absolute level of income compared to its unequal distribution and instead reveals the structural inequalities that exist within societies this book advocates a move away from the focusing on inequality at the level of the individual and suggests policy for eradicating these various forms of inequality it is suitable for those who study political economy social inequality as well as economic theory and philosophy

From Hittite to Homer 2016-03-10

this book takes a bold new approach to the prehistory of homeric epic arguing for a fresh understanding of how near eastern influence worked

Indo-European Linguistics 2013-02-06

this textbook on indo european linguistics is designed as an introduction to the field it presents current topics and questions in indo european linguistics in a clear and informative manner this is the english translation of the eight edition of the work first published by hans krahe and it takes account of more recent research while krahe only considered phonology and morphology the edition also includes a comprehensive account of syntax and lexis manfred mayrhofer assisted with the section of phonology matthias fritz wrote the section on syntax and provided support for the project as a whole

The Canadian Rangers 2013-05-01

the canadian rangers stand sentinel in the farthest reaches of our country for more than six decades this dedicated group of citizen soldiers has quietly served as canada s eyes ears and voice in isolated coastal and northern communities drawing on official records interviews and participation in ranger exercises lackenbauer argues that the organization offers an

inexpensive way for canada to show the flag from coast to coast to coast the rangers have also laid the foundation for a successful partnership between the modern state and aboriginal peoples a partnership rooted in local knowledge and crosscultural understanding

The Life of Niccolò Machiavelli (Routledge Library Editions: Political Science Volume 26) 2013-06-17

this biography of macchiavelli is widely regarded as ridolfi s masterpiece and is based on much material drawn from private and public archives it presents a fresh interpretation of macchiavelli s career and writings and here for example the dating of the composition of such famous works as the prince and the mandragola is established for the first time this english translation when originally published in 1963 included numerous correction and additions which brought it up to date with the most recent studies on macchiavelli and his works

in the courtrooms of seventeenth century russia the great majority of those accused of witchcraft were male in sharp contrast to the profile of accused witches across catholic and protestant europe in the same period while european courts targeted and executed overwhelmingly female suspects often on charges of compacting with the devil the tsars courts vigorously pursued men and some women accused of practicing more down to earth magic using poetic spells and home grown potions instead of satanism or heresy the primary concern in witchcraft testimony in russia involved efforts to use magic to subvert mitigate or avenge the harsh conditions of patriarchy serfdom and social hierarchy broadly comparative and richly illustrated with color plates desperate magic places the trials of witches in the context of early modern russian law religion and society piecing together evidence from trial records to illuminate some of the central puzzles of muscovite history kivelson explores the interplay among the testimony of accusers the leading questions of the interrogators and the confessions of the accused assembled they create a picture of a shared moral vision of the world that crossed social divides because of the routine use of torture in extracting and shaping confessions kivelson addresses methodological and ideological questions about the muscovite courts equation of pain and truth questions with continuing resonance in the world today within a moral economy that paired unquestioned hierarchical inequities with expectations of reciprocity magic and suspicions of magic emerged where those expectations were most egregiously violated witchcraft in russia surfaces as one of the ways that oppression was contested by ordinary people scrambling to survive in a fiercely inequitable world masters and slaves husbands and wives and officers and soldiers alike believed there should be limits to exploitation and saw magic deployed at the junctures where hierarchical order veered into violent excess

Desperate Magic 2013-11-15

the third international symposium on critical care and pulmonary medicine was held in norwalk hospital yale university school of medicine in june 1981 this publication contains the majority of papers that were presented at the three day conference the book deals with the use of computers in 1 monitoring 2 pulmonary laboratory 3 anesthesia 4 database management

extraordinary progress in the use of computers in critical care medicine and pulmonary function testing is evident in the presentations i would like to thank the members of the steering committee and the international advisory committee for their efforts in bringing together many leaders in the field and enriching the symposium with their own contributions my special thanks to mr norman brady president of the norwalk hospital for his generous hospitality and his untiring assistance during the three days of the symposium i would also like to thank martin h floch md chairman of the department of medicine norwalk hospital for his advice and support i sincerely appreciate the cooperation and help from the members of the section of pulmonary medicine and medical computer science of the norwalk hospital finally i would like to thank ms nancy smith for the excellent work in the preparation of the manuscripts and the staff of the plenum press for their help in publishing this volume

Computers in Critical Care and Pulmonary Medicine **2013-03-08**

students and recent graduates of counseling and human services programs will consider the counselor's companion an indispensable tool to enhance professional practice knowledge and skill the text is a reference style resource that provides new counselors with a way to bridge the gap between what they learned in the classroom and the challenges they will meet in their practice beginning counselors will find concise answers to common questions that will likely arise in the course of their professional development and a reliable reference companion as they embark on their careers in the profession this volume features contributions from counselor educators and professionals in the field guided largely by the core curriculum of the council for accreditation of counseling and related program cacrep information is presented in brief form making the main points of each section concise clear visible and easily accessible readers are also introduced to cutting edge areas of research

The Counselor's Companion 2013-05-13

Das Buch "The Counselor's Companion" ist ein Handbuch für Berater, das die wichtigsten Aspekte der Berufung darstellt. Es enthält Informationen über die Ausbildung, die Praxis und die ethischen Standards. Das Buch ist in 1920 Seiten unterteilt und ist ein wertvolles Werkzeug für Berater. Es enthält auch Informationen über die Geschichte der Beratung und die Rolle des Beraters in der Gesellschaft. Das Buch ist ein Muss für jeden Berater, der in der professionellen Welt tätig ist.

SOFC 2005-10

erstmalig wird mit diesem Band vergleichend dargestellt, welche Funktionen Rituale und Symbole die Antrittsreden der Regierungschefs in den vier großen westlichen Demokratien Großbritannien, den USA, Frankreich und Deutschland prägen. Untersucht werden die historische

entwicklung der entstehungsprozess und die inhalte der ersten regierungserklärung dabei wird deutlich welche unterschiedlichen formen politischer kommunikation sich in den jeweiligen politischen kulturen dieser länder entwickelt haben
