

Ebook free Isaiah [PDF]

through a masterful mix of poetry and prose the book of isaiah gives prophetic witness to the complex story of god s judgment against ancient israel and the enduring promise of divine redemption both unsettling and inspiring isaiah continues to enrich readers with its powerful condemnation of corruption and an uncompromising call for social justice part one of our study covers isaiah 1 39 including many of the prophet s most memorable passages commentary study and reflection questions prayers and access to online lectures are included 6 lessons the influence of isaiah on john s narrative and theology has long been recognized but it has yet to receive monograph length attention this study is a beginning attempt to fill that void through an examination of the use of isaiah in the crucial hinge of john s gospel john 12 1 43 beginning with a reading of isaiah 40 55 illustrating a way in which early christians may have read this important section of scripture the bulk of the study examines the pericopes in john 12 1 43 seeking to identify and interpret john s use of isaiah 52 53 it is concluded that a reading of this well known isaianic text rooted within its broader context in isaiah together with the mediating influence of other texts notably isa 6 9 10 and zech 9 9 10 has fueled much johannine theology christology and ecclesiology moreover mirroring the progression of isa 52 7 53 1 in john 12 is the author s way of underlining jesus identity as the servant of god and announcing that the second exodus prophesied by isaiah is secured by the rejection and death of jesus c 1 crouch and christopher b hays introduce the book of isaiah in its diverse historical contexts tracing its origins and development over several centuries beginning with the career of the prophet isaiah ben amoz in eighth century jerusalem continuing with a late seventh century edition and the further revisions made in the late sixth century and concluding with final shaping during the persian period at each stage crouch and hays pay close attention to the historical cultural and theological conversations that influenced the book s aims and interests crouch and hays discuss the theological and literary continuities among the book s contributors as well as where language and concerns differed from generation to generation they also consider the reception history of isaiah and what the text has meant to people through history with suggestions of further reading at the end of each chapter this guide will be an essential accompaniment to study of the book of isaiah following the oracles of destruction that dominate the earlier portion of the book of isaiah part two of our study covers isaiah 40 66 emphasizing the majesty of god and the divine plan for israel s restoration leslie hoppe s commentary continues to explore the history theology and poetry of this essential prophetic work making a case that isaiah is not so much about divine retribution as it is about liberation and a return to god s loving embrace commentary study and reflection questions prayers and access to online lectures are included 6 lessons this volume brings together a lively set of papers from the first session of the deuterocanonical and cognate literature program unit of the society of biblical literature annual meeting in 2016 together with a few later contributions these essays explore a number of thematic and textual issues as they trace the reception history of the book of isaiah in deuterocanonical and cognate literature for the early church fathers the prophecy of isaiah was not a compendium of jewish history or theology but an announcement of the coming messiah fulfilled in the life and ministry of jesus of nazareth in this accs volume readers will find commentary on isaiah 1 39 ranging from east to west and from the first through the eighth centuries die frage der beziehung zwischen dem jesajabuch und dem buch der zwölf propheten ist angesichts vielfältiger berührungen sprachlicher und motivischer art zentral jedoch hinsichtlich der damit verbundenen möglichen implikationen bislang nur ungenügend bearbeitet im rahmen eines internationalen kongresses der vom 31 mai bis 3 juni 2018 an der katholischen universität eichstätt ingolstadt stattfand suchten fachleute des zwölfprophetenbuches bzw des jesajabuches mit unterschiedlichen methodischen ansätzen ein umfassenderes bild der verschiedenen arten von beziehungen oder thematischen berührungen zu erarbeiten die entweder für die beiden corpora als ganze oder für spezifische teile charakteristisch sind um daraus entsprechende schlussfolgerungen zu ziehen das ergebnis ist ein überblick zur vielfalt der semantischen intertextuellen literarischen redaktionellen historischen und theologischen aspekte der beziehungen zwischen dem jesajabuch und dem zwölfprophetenbuch die einlinigen lösungsvorschlägen zur erklärung des zustandekommens dieser bezüge widerstreiten the study deals with the theological message and composition of the book of isaiah and promotes a thesis that an early jewish reception history helps us to find perspectives to understand them this study treats the following themes among others 1 hezekiah as immanuel was an important theme in the reception as can be seen in chronicles and ben sira as well as in rabbinical writings the central event which makes hezekiah such an important figure was the annihilation of the assyrian army as recounted in isaiah 36 37 2 the book of isaiah was interpreted in apocalyptic milieu as the animal apocalypse and daniel show even though the qumran writings do not provide any coherent way to interpret isaianic passages its textual evidence shows how the community has found from the book of isaiah different concepts to characterize the division of the jewish community to the righteous and sinful ones cf isa 65 66 3 ezra and nehemiah received inspiration from the theological themes of isaianic texts of levitical singers which were later edited

in the book of isaiah by scribes the formation of the book of isaiah then went in its own way and its theology became different from that in the book of ezra nehemiah as interpreted by the ancient church fathers isaiah 40 66 leads readers to a deeper understanding of god s judgment and salvation the excerpts included in this accs volume offer us a rich array of differing styles principles and theological emphases from theodoret of cyr to eusebius and procopius to cyril of alexandria jerome and augustine in 1910 isaiah shembe was struggling he had left his family and quit his job as a sanitation worker to become a baptist evangelist but he ended his first mission without much to show little did he know that he would soon establish the nazaretha church as he began to attract attention from people left behind by industrial capitalism in south africa by his death in 1935 shembe was an internationally known prophet and healer described by his peers as better off than all the black people in a prophet of the people isaiah shembe and the making of a south african church historian lauren v jarvis provides a fascinating and intimate portrait of one of south africa s most famous religious figures and in turn the making of modern south africa following shembe from his birth in the 1860s across many environments and contexts jarvis illuminates the tight links between the spread of christianity strategies of evasion and the capacious forms of community that continue to shape south africa today value pluralism is the idea most prominently endorsed by isaiah berlin that fundamental human values are universal plural conflicting and incommensurable with one another incommensurability is the key component of pluralism undermining familiar monist philosophies such as utilitarianism but if values are incommensurable how do we decide between them when they conflict george crowder assesses a range of responses to this problem proposed by berlin and developed by his successors three broad approaches are especially important universalism contextualism and conceptualism crowder argues that the conceptual approach is the most fruitful yielding norms of value diversity personal autonomy and inclusive democracy historical context must also be taken into account together these approaches indicate a liberal politics of redistribution multiculturalism and constitutionalism and a public policy in which basic values are carefully balanced the problem of value pluralism isaiah berlin and beyond is a uniquely comprehensive survey of the political theory of value pluralism and also an original contribution by a leading voice in the pluralist literature scholars and researchers interested in the work of berlin liberalism value pluralism and related ideas will find this a stimulating and valuable source analysing policy documents from nine counterinsurgency wars elias asks why powerful militaries have difficulty managing local partners revealing a critical political dynamic in military interventions this book will appeal to academics and policymakers addressing counterinsurgency issues in foreign policy security studies and political science historical critical scholars have often thought that writing a coherent theology of isaiah 56 66 is impossible because it contains such historically and ideologically diverse materials a canonical approach to the chapters is however open to considering third isaiah as a complex but coherent theological unity leaning on this approach abraham oh constructs a theology of isaiah 56 66 arguing that the theology of third isaiah has eschatology both prophetic and apocalyptic at its core he identifies four major themes and explores their significance through four key texts 56 1 8 59 15b 21 60 1 22 65 13 25 the covenant concept 56 1 8 forms a framework for the eschatology in these chapters people are invited to walk in the covenant which is worked out as eschatological salvation the coming of yhwh as the divine warrior initiates the eschatological era 59 15b 21 and bringing judgment restores the covenant as the temple city paradise 60 1 22 into which the nations flow the glorified zion is the eschatological fulfilment of the covenant zion and servant traditions the new heavens and earth 65 13 25 is a return to the primordial paradise where the natural world is restored as the problem of sin is resolved inspired by the author s preparation of two major commentaries on isaiah these essays range from comprehensive to specific and from popular to scholarly they first appeared in biblical dictionaries scholarly journals and popular periodicals gathered here together for the first time they display in various ways how the authors see the various parts of isaiah functioning together to give a coherent message to the church the opening chapters lay out oswalt s understanding of the overall message of the book of isaiah subsequent chapters consider such themes as holiness and righteousness as they function in that larger structure retrato de beiras a primera vista parece un león y es pero tiene la delicadeza del ciervo la paciencia del gato la lealtad del perro la solidaridad de las aves que se ayudan en el vuelo el sentido del honor del toro de lidia que se crece en el castigo y la inteligencia de los raros hombres que dan prestigio a la condición humana gallego tenía que ser queríamos felicitarlos por este reciente homenaje a la desobediencia es más que nunca necesario reivindicar una vez más y mil veces la multiplicación de las puertas que nos conducen a la diversidad y a la libertad ustedes han encontrado un estilo que permite decirlo y proclamarlo a viva voz para que se escuche en galicia y en todas las otras tierras de este mundo donde todavía hay militantes de izquierda o que dicen serlo que desconfían de toda palabra que no sea eco de los discursos tradicionales que tanto daño han hecho a la causa de todos los que creemos que la libertad y la diversidad son dos nombres de la misma respiración humana mal que les pese a los repetidores de fracasos que nos han enseñado a copiar en lugar de crear por eso tiene tanta importancia la contribución de los beiras del mundo a la lucha contra los que siguen confundiendo a la política con la religión eduardo galeano

the church in the west has

subsisted for five hundred years in a state of ever increasing multiple identities many of which claim to be the best representation of the church established by christ often attending novel models of the church are new scriptural interpretive methods that support theological claims rarely however has an exploration been undertaken to test the impact of this ecclesiological division on the reading of the bible a darkened reading explores the specific case of the nineteenth century church of england and competing interpretations of the book of the prophet isaiah a book of great importance in theological history as a kind of parable of the existential anguish the church has experienced as a consequence of being torn apart from the pilgrims to las vegas hippie communes to the smart city utopianism has shaped american landscapes the puritan small town was the new jerusalem thomas jefferson dreamed of rational farm grids reformers tackled slums through crusades of civic architecture to understand american space alex krieger looks to the drama of utopian ideals we the young fighters is at once a history of a nation the story of a war and the saga of downtrodden young people and three pop culture superstars reggae idol bob marley rap legend tupac shakur and the john rambo movie character all portrayed an upside down world where those in the right are blamed while the powerful attack them their collective example found fertile ground in the west african nation of sierra leone where youth were entrapped inequality was blatant and dissent was impossible when warfare spotlighting diamonds marijuana and extreme terror began in 1991 military leaders exploited the trio's transcendent power over their young fighters and captives once the war expired youth again turned to marley for inspiration and tupac for friendship thoroughly researched and accessibly written we the young fighters probes terror based warfare and how tupac rambo and especially bob marley wove their way into the fabric of alienation resistance and hope in sierra leone the tale of pop culture heroes radicalizing warfare and shaping peacetime underscores the need to engage with alienated youth and reform predatory governments the book ends with a framework for customizing the international response to these twin challenges vita mortuorum in memoria vivorum volume 5 of the beyond language series is dedicated to the memory of professor jacek fisiak one of the titans in english historical linguistics in poland and beyond for over 40 years he taught at adam mickiewicz university in poznań where he established a stronghold of english studies in europe his efforts were appreciated with medals awards honorific titles and mentoring positions amongst academic bodies the present in memoriam volume undoubtedly counts among the all encompassing and much expected individual and collective acts of commemoration to recognize the authority of professor jacek fisiak the great scientist the indefatigable organizer manager and mentor relentless of any adversity or difficulty the person whose countless contributions and merits in the history of polish humanities especially in the field of philological sciences and english studies in poland cannot be overestimated on the one hand the articles included in the volume yield a multidimensional testimony of the authors scientific kinship with professor fisiak's broad scientific interests on the other they present a whole range of individual philological inquiries starting from texts whose synthetic theoretical overtones prove the rich experience of their authors through the articles of a more general nature to prolegomena stimulating further in depth scientific analyses from the review by prof grzegorz kleparski table of contents chesnut's conjure tales black humorists have negotiated american racial ideologies as they reclaimed the ability to represent themselves in the changing landscape of the early 20th century marginalized communities routinely use humor specifically

satire to subvert the political social and cultural realities of race and racism in america through contemporary examples in popular culture and politics including the work of kendrick lamar key and peele and the presidency of barack obama and many others in played out the race man in 21st century satire author brandon j manning examines how black satirists create vulnerability to highlight the inner emotional lives of black men in focusing on vulnerability these satirists attend to america s most basic assumptions about black men contemporary black satire is a highly visible and celebrated site of black masculine self expression black satirists leverage this visibility to trouble discourses on race and gender in the post civil rights era more specifically contemporary black satire uses laughter to decenter black men from the socio political tradition of the race man a long awaited corrective to the controversial idea of world literature from a major voice in the field katerina clark charts interwar efforts by soviet european and asian leftist writers to create a eurasian commons a single cultural space that would overcome national cultural and linguistic differences in the name of an anticapitalist anti imperialist and later antifascist aesthetic at the heart of this story stands the literary arm of the communist international or comintern anchored in moscow but reaching baku beijing london and parts in between its mission attracted diverse networks of writers who hailed from turkey iran india and china as well as the soviet union and europe between 1919 and 1943 they sought to establish a new world literature to rival the capitalist republic of western letters eurasia without borders revises standard accounts of global twentieth century literary movements the eurocentric discourse of world literature focuses on transatlantic interactions largely omitting the international left and its asian members meanwhile postcolonial studies have overlooked the socialist aligned world in favor of the clash between western european imperialism and subaltern resistance clark provides the missing pieces illuminating a distinctive literature that sought to fuse european and vernacular asian traditions in the name of a post imperialist culture socialist literary internationalism was not without serious problems and at times it succumbed to an orientalist aesthetic that rivaled any coming from europe its history is marked by both promise and tragedy with clear eyed honesty clark traces the limits compromises and achievements of an ambitious cultural collaboration whose resonances in later movements can no longer be ignored a mural on a tin shack brings hope and happiness to a girl in the slums of nairobi the eighteenth century was the jews first modern century the deep changes that took place during its course shaped the following generations and its most prominent voices still reverberate today in this first volume of his magisterial work shmuel feiner charts the twisting and fascinating world of the first half of the 18th century from the viewpoint of the jews of europe paying careful attention to life stories to bright and dark experiences to voices of protest to aspirations of reform and to strivings for personal and general happiness feiner identifies the tectonic changes that were taking place in europe and their unprecedented effects on and among jews from the religious and cultural revolution of the haskalah jewish enlightenment to the question of whether jews could be citizens of any nation feiner presents a broad view of how this century of upheaval altered the map of europe and the jews who called it home ein zweck macht noch keinen unternehmenserfolg seit simon sineks ted talk treibt das thema purpose kuriöse blüten der unternehmenszweck wird vielfach zur basis aller strategien ziele maßnahmen und kpis erklärt für franz rudolf esch greift das zu kurz kein unternehmen ist nur durch seinen roseneder head of corporate communications umdasch group österreich come now let us argue it out provides a look into a community that challenges common narratives about what it means to be lgbtq and christian in the contemporary united states based on his participant observation fieldwork with a faith based organization called the reformation project jon burrow branine provides an ethnography of how some lgbtq and lgbtq supportive christians negotiate identity and difference and work to create change in evangelicalism come now let us argue it out tells the story of how this activism can be understood as a community of counter conduct drawing on a concept proposed by the philosopher and historian michel foucault burrow branine documents everyday moments of agency and resistance that have the potential to form new politics ethics and ways of being as individuals in this community navigate the exclusionary politics of mainstream evangelical institutions culture and theology more broadly burrow branine considers the

community's ongoing conversation about what it means to be lgbtq and a christian grappling with the politics of inclusion and representation in lgbtq evangelical activism itself wie wollen wir leben und wie können wir unserem leben sinn geben angesichts der drängenden krisen der gegenwart wie können solche fragen überhaupt beantwortet werden wenn eine säkulare kultur scheinbar nur antworten auf fragen nach dem wie nicht aber nach dem wozu erlaubt martin kolmar deutet im vorliegenden buch die gegenwärtigen und bevorstehenden krisen allen voran die klimakrise als krisen der westlichen denk und wahrnehmungsweisen und versucht einen ausweg daraus aufzuzeigen dazu beginnt er mit einer analyse westlicher vorstellungswelten aus der perspektive des erhabenen es zeigt sich dass das erhabene als grenzerfahrung überraschende und relevante neue perspektiven auf die gegenwart öffnet und zugleich einen weg zu einer säkularen rationalen form der sinnerfahrung erkennbar macht das besondere dieses buches ist die verknüpfung philosophischer und gesellschafts und kulturwissenschaftlicher forschung mit erkenntnissen der psychologie und der neurowissenschaft es zeigt auf dass traditionelle vorstellungen des guten lebens und der verortung der eigenen existenz als teil der natur mit moderner forschung korrespondieren ist man bereit sich hierauf einzulassen stellt insbesondere die bedrohung durch die klimakrise nicht nur ein mögliches katastrophenszenario und eine große technologische herausforderung dar sondern eine chance für ein besseres leben welches aus einer anderen haltung ihm gegenüber resultiert the secret indescribably bloody war between the channeler race and the c d c channeler destruction corp has lasted for thousands of years negasi and musa being the only twin channelers ever to be born are their last hope for survival join them in their spectacular fight against the humans for supremacy of the earth this action packed explosive fantasy will take you on a ride you won't want to get off book 1 of the channeler saga by isaiah davis introduces you to the channeler race their struggle for survival and the war over the earth realm when speaker newt gingrich greeted dr david lewis in his office overlooking the national mall he looked at dr lewis and said you know you're going to be fired for this don't you i know dr lewis replied i just hope to stay out of prison gingrich had just read dr lewis's commentary in nature titled epa science casualty of election politics three years later and thirty years after dr lewis began working at epa he was back in washington to receive a science achievement award from administrator carol browner for his second article in nature by then epa had transferred dr lewis to the university of georgia to await termination the agency's only scientist to ever be lead author on papers published in nature and lancet the government hires scientists to support its policies industry hires them to support its business and universities hire them to bring in grants that are handed out to support government policies and industry practices organizations dealing with scientific integrity are designed only to weed out those who commit fraud behind the backs of the institutions where they work the greatest threat of all is the purposeful corruption of the scientific enterprise by the institutions themselves the science they create is often only an illusion designed to deceive and the scientists they destroy to protect that illusion are often our best this book is about both beginning with dr lewis's experience and ending with the story of dr andrew wakefield a valuable resource for students and general audiences this book provides a unique global perspective on the history beliefs and practices of emergent faith communities new religious traditions and religious movements worldwide from the 19th century to the present new religions emerging faiths and religious cultures in the modern world provides insightful global perspectives on the emergent faith communities and new traditions and movements of the last two centuries readers will gain access to the information necessary to explore the significance complexities and challenges that modern religious traditions have faced throughout their history and that continue to impact society today the work identifies the themes and issues that have often brought new religions into conflict with the larger societies of which they are a part coverage includes new religious groups that emerged in america such as the seventh day adventists the latter day saints and the jehovah's witnesses alternative communities around the globe that emerged from the major western and eastern traditions such as aum shinrikyo and al qaeda and marginalized groups that came to a sudden end such as the peoples temple heaven's gate and the branch davidians the entries highlight thematic and broader issues that run across the individual religious traditions and will also help students analyze and assess the common difficulties faced by emergent religious communities a visionary look at how quality food should replace money as the new world currency tim spectator hugely ambitious and beautifully written destined to become a modern classic bee wilson how we search for make and consume food has defined human history it transforms our bodies and homes our politics and our trade our landscapes and our climate but by forgetting our culinary heritage and relying on cheap intensively produced food we have drifted into a way of life that threatens our planet and ourselves what if there were a more sustainable way to eat and live drawing on many disciplines as well as stories of the farmers designers and economists who are remaking our relationship with food this inspiring and deeply thoughtful book gives us a provocative and exhilarating vision for change and points the way to a better future utterly brilliant thomasina miers winner of the 2021 guild food of writers award for best food book shortlisted for the wainwright prize 2020 care este rolul închinării comune în biserică creștinii se închină lui dumnezeu la biserică în fiecare săptămână dar mulți nu știu exact ce este închinarea sau de ce se închină pentru unii închinarea este ca o încălzire pentru predică pentru alții ea este un moment de genul eu și isus cum trebuie să privim la închinarea comună

prin lentilele bibliei În această carte matt merker arată că închinarea comună este strângerea laolaltă a poporului lui dumnezeu prin harul lui spre gloria lui spre binele lor și înaintea lumii el oferă gânduri biblice și sugestii practice prin care putem face ca închinarea comună să fie ceea ar trebui să fie o pregustare a acelei străngeri laolaltă a poporului lui dumnezeu care se va închina veșnic în noua creație matt le arată păstorilor liderilor de închinare și tutoror acelora dintre noi cum să ne păstrăm atenția îndreptată către prioritățile bibliei în închinarea comună keith și series beyond language published under the auspices of college for interdisciplinary studies university of wrocław this voluminous collection opens the door to translation theory in the polish perspective its practice and applications in history and modern times inviting discussion from the most eminent polish scholars across the disciplines arranged in four major parts 1 translation theory in historical perspective 2 religion in translation historical and modern perspectives 3 from theory to practice 4 applications the material will be of interest to both academics researching translation as a discipline and translators practicing the craft this book aims to connect narratives associated with the past to the international regime that protects property and contract rights of foreign investors the book scrutinizes justifications offered to sustain practices associated with colonialism imperialism civilized justice debt and development revealing that a number of the rationales offered in support of investment law disciplines replicate those arising out of this discredited past by revealing these linkages the book raises concerns about investment law s premises it would appear that the normative foundations for today s regime reproduces discursive practices that are less than compelling the book argues that citizens deserve something more than historically discredited reasons to justify the exercise of power over them something more than mere pretext the titles of jesus in christology was recognised as a major contribution to christological study when it was first published in german in 1963 its translation into english a few years later cemented this status hahn undertakes a massive and detailed examination of the various traditions that led to the use of names for jesus that we now recognise as characteristic of the very early church moreover he carefully distinguishes between the different christological conceptions present in these differing branches of primitive christianity and embodied in the terms they produced his analysis and categories have been followed by many later scholars who built on his detailed study of the peculiarities of the different titles given to jesus by the different communities that followed him the task

of living faithfully within today's secular culture is one of the most important issues facing Christians yet many misunderstand what culture is and how it shapes their hearts, minds, and souls. This book extends the work of James K. A. Smith by revealing how the secularizing influence of modern culture is not only transmitted through cultural liturgies but has become embedded within the seemingly harmless practices of everyday life: education, work, consumption, and leisure. As a result, even practicing Christians may become practical atheists who have thoroughly internalized secular dispositions of mind and heart. This deeper understanding of cultural formation calls into question many of the dominant approaches to ministry and formation rather than merely offering information and inspiration. Congregations must become sites of counter-formation that enable their members to fully embody the Christian faith within everyday life.

Diese Einleitung zum Alten Testament herausgegeben von Hendrik Koorevaar und Walter Hilbrands beleuchtet die Hintergründe der Entstehung der Bücher des Alten Testaments und gibt Einblicke in deren Aufbau und Theologie. Die Autoren gehen in der Einleitungswissenschaft neue Wege, indem sie zum einen die biblischen Texte als historische Zeugnisse ernst nehmen und zum anderen ihrer Stellung und ihrer Bedeutung im Kanon des Alten Testaments hohe Bedeutung beimessen. Ausgangspunkt ist das Zeugnis der alttestamentlichen Autoren und ihrer Texte selbst. Die historischen und chronologischen Angaben des Alten Testaments werden ernstgenommen und in Auseinandersetzung mit dem bisherigen Forschungsstand neu überprüft. Damit weist der historisch-kanonische Ansatz mutig neue Wege jenseits eines im Geschichtsbild des 19. Jahrhunderts verhafteten Mainstreams. Die allgemeinen Einleitungsfragen wie die nach der Textgestalt und Überlieferung der Entstehung des Kanons nach Chronologie und literarischen Gattungen werden ebenso behandelt wie die speziellen Fragen zu jedem Bibelbuch. Also nach Autor, Entstehungszeit, Struktur und literarischer Einheitlichkeit des Buchs. Diese Einleitung ist ein europäisches Projekt, entstanden unter Mitwirkung eines Expertenteams von 32 Autoren, die in Lehre und Forschung tätig sind. Mit Beiträgen von Thomas Bänziger, Andreas J. Beck, Gunnar Begerau, Wolfgang Bluedorn, Manfred Dreytza, Stefan Felber, Walter Gisin, Raymond R. Hausoul, Walter Hilbrands, Andreas Käser, Benjamin Kilchör, Herbert H. Klement, Bernhard Knieß, Hendrik J. Koorevaar, Hetty Lalleman, Geert W. Lorein, Winfried Meißner, Ronald T. Michener, Alan R. Millard, Jonathan Pater, Mart Jan Paul, Siegbert Riecker, Heinrich von Siebenthal, Julius Steinberg, David van Acker, Hans van den Herik, Pieter Gert van der Veen, Eveline van Staalduine, Sulman Jan Verbruggen, Heiko Wenzel, Hans Georg Wüch, Carsten Ziegert. Feasting seems to be an inseparable element of peoples especially their collective lives. The proposed volume consists of original unpublished texts in which their authors search for the answers to the following questions: How far have we gone astray from the primeval idea of celebrating the feast from understanding tradition in terms of the Romanian historian of religion Mircea Eliade or the French sociologist Émile Durkheim? Are there still any traditional in its very meaning? Feasts, if not if they are invented (Hobsbawm and Ranger 1983, 1992), why are they called traditional? What elements have changed and why? What has had the greatest impact on celebrating feasts? What are the new factors influencing the course of a feast's celebration? It was difficult to categorize the texts contained in this book because the subjects discussed in them very often overlap. Still, it was possible to recognize several accentuated aspects that served as the basis for the division of the book into three sections: 1. Culture and identity, 2. Ritual and cultural values, 3. Culture and policy. The contributors are scholars who represent various international institutions and fields of research and use different approaches and methodologies to study the subject of the feast. This publication is an opportunity to bring the results of their research together in one book. The volume contains chapters in which various aspects of feasts, festivals, and festivities perceived as a mirror of social and cultural changes in the twentieth and twenty-first centuries are presented. It provides a unique and rich resource in the fields of culture, folklore, religion, anthropology, sociology, as well as politics and other cultural and social sciences. In the future, we hope to broaden the scope of our research and to include more ethnic groups and their cultures in order to see the changes they have undergone and factors that caused them. Table of contents: Frédéric Armao, University of Toulon, France: Uisneach from the ancient assembly to the fire festival, 2017. Key words: Bealtaine, folklore, Irish festivals, mythology. Uisneach, Božena Gierek, Jagiellonian University, Kraków, Poland: Lajkonik, hobby horse as theatrum of the period of Corpus Christi in Kraków, Poland. Key words: Corpus Christi, feast, Lajkonik, raftsmen, theatrum. Tatiana Minniyakhmetova, University of Tartu, Estonia: Manifestation of various values in traditional Udmurt feasts. Isaiah, Part One 2023-01-26

through a masterful mix of poetry and prose the book of isaiah gives prophetic witness to the complex story of god s judgment against ancient israel and the enduring promise of divine redemption both unsettling and inspiring isaiah continues to enrich readers with its powerful condemnation of corruption and an uncompromising call for social justice part one of our study covers isaiah 1 39 including many of the prophet s most memorable passages commentary study and reflection questions prayers and access to online lectures are included 6 lessons

"Isaiah Saw His Glory" 2014-10-29

the influence of isaiah on john s narrative and theology has long been recognized but it has yet to receive monograph length attention this study is a beginning attempt to fill that void through an examination of the use of isaiah in the crucial hinge of john s gospel john 12 1 43 beginning with a reading of isaiah 40 55 illustrating a way in which early christians may have read this important section of scripture the bulk of the study examines the pericopes in john 12 1 43 seeking to identify and interpret john s use of isaiah 52 53 it is concluded that a reading of this well known isaianic text rooted within its broader context in isaiah together with the mediating influence of other texts notably isa 6 9 10 and zech 9 9 10 has fueled much johannine theology christology and ecclesiology moreover mirroring the progression of isa 52 7 53 1 in john 12 is the author s way of underlining jesus identity as the servant of god and announcing that the second exodus prophesied by isaiah is secured by the rejection and death of jesus

Isaiah: An Introduction and Study Guide 2022-07-28

c l crouch and christopher b hays introduce the book of isaiah in its diverse historical contexts tracing its origins and development over several centuries beginning with the career of the prophet isaiah ben amoz in eighth century jerusalem continuing with a late seventh century edition and the further revisions made in the late sixth century and concluding with final shaping during the persian period at each stage crouch and hays pay close attention to the historical cultural and theological conversations that influenced the book s aims and interests crouch and hays discuss the theological and literary continuities among the book s contributors as well as where language and concerns differed from generation to generation they also consider the reception history of isaiah and what the text has meant to people through history with suggestions of further reading at the end of each chapter this guide will be an essential accompaniment to study of the book of isaiah

Isaiah, Part Two 2023-01-26

following the oracles of destruction that dominate the earlier portion of the book of isaiah part two of our study covers isaiah 40 66 emphasizing the majesty of god and the divine plan for israel s restoration leslie hoppe s commentary continues to explore the history theology and poetry of this essential prophetic work making a case that isaiah is not so much about divine retribution as it is about liberation and a return to god s loving embrace commentary study and reflection questions prayers and access to online lectures are included 6 lessons

The Early Reception of the Book of Isaiah 2018-12-17

this volume brings together a lively set of papers from the first session of the deuterocanonical and cognate literature program unit of the society of biblical literature annual meeting in 2016 together with a few later contributions these essays explore a number of thematic and textual issues as they trace the reception history of the book of isaiah in deuterocanonical and cognate literature

Isaiah 1-39 2014-02-19

for the early church fathers the prophecy of isaiah was not a compendium of jewish history or theology but an announcement of the coming messiah fulfilled in the life and ministry of jesus of nazareth in this accs volume readers will find commentary on isaiah 1 39 ranging from east to west and from the first through the eighth centuries

Isaiah and the Twelve 2020-09-21

die frage der beziehung zwischen dem jesajabuch und dem buch der zwölf propheten ist angesichts vielfältiger berührungen sprachlicher und motivischer art zentral jedoch hinsichtlich der damit verbundenen möglichen implikationen bislang nur ungenügend bearbeitet im rahmen eines internationalen kongresses der vom 31 mai bis 3 juni 2018 an der katholischen universität eichstätt ingolstadt stattfand suchten fachleute des zwölfprophetenbuches bzw des jesajabuches mit unterschiedlichen methodischen ansätzen ein umfassenderes bild der verschiedenen arten von beziehungen oder thematischen berührungen zu erarbeiten die entweder für die beiden corpora als ganze oder für spezifische teile beider charakteristisch sind um daraus entsprechende schlussfolgerungen zu ziehen das ergebnis ist ein überblick zur vielfalt der semantischen intertextuellen literarischen redaktionellen historischen und theologischen aspekte der beziehungen zwischen dem jesajabuch und dem zwölfprophetenbuch die einlinigen lösungsvorschlägen zur erklärung des zustandekommens dieser bezüge widerstreiten

Message and Composition of the Book of Isaiah 2022-01-19

the study deals with the theological message and composition of the book of isaiah and promotes a thesis that an early jewish reception history helps us to find perspectives to understand them this study treats the following themes among others 1 hezekiah as immanuel was an important theme in the reception as can be seen in chronicles and ben sira as well as in rabbinical writings the central event which makes hezekiah such an important figure was the annihilation of the assyrian army as recounted in isaiah 36 37 2 the book of isaiah was interpreted in apocalyptic milieu as the animal apocalypse and daniel show even though the qumran writings do not provide any coherent way to interpret isaianic passages its textual evidence shows how the community has found from the book of isaiah different concepts to characterize the division of the jewish community to the righteous and sinful ones cf isa 65 66 3 ezra and nehemiah received inspiration from the theological themes of isaianic texts of levitical singers which were later edited in the book of isaiah by scribes the formation of the book of isaiah then went in its own way and its theology became different from that in the book of ezra nehemiah

Isaiah 40-66 2014-02-19

as interpreted by the ancient church fathers isaiah 40 66 leads readers to a deeper understanding of god s judgment and salvation the excerpts included in this accs volume offer us a rich array of differing styles principles and theological emphases from theodoret of cyr to eusebius and procopius to cyril of alexandria jerome and augustine

A Prophet of the People 2024-03-01

in 1910 isaiah shembe was struggling he had left his family and quit his job as a sanitation worker to become a baptist evangelist but he ended his first mission without much to show little did he know that he would soon establish the nazaretha church as he began to attract attention from people left behind by industrial capitalism in south africa by his death in 1935 shembe was an internationally known prophet and healer described by his peers as better off than all the black people in a prophet of the people isaiah shembe and the making of a south african church historian lauren v jarvis provides a fascinating and intimate portrait of one of south africa s most famous religious figures and in turn the making of modern south africa following shembe from his birth in the 1860s across many environments and contexts jarvis illuminates the tight links between the spread of christianity strategies of evasion and the capacious forms of community that continue to shape south africa today

The Problem of Value Pluralism 2019-11-13

value pluralism is the idea most prominently endorsed by isiah berlin that fundamental human values are universal plural conflicting and incommensurable with one another incommensurability is the key component of pluralism undermining familiar monist philosophies such as utilitarianism but if values are incommensurable how do we decide between them when they conflict george crowder assesses a range of responses to this problem proposed by berlin and developed by his successors three broad approaches are especially important universalism contextualism and conceptualism crowder argues that the conceptual approach is the most fruitful yielding norms of value diversity personal autonomy and inclusive democracy historical context must also be taken into account together these approaches indicate a liberal politics of redistribution multiculturalism and constitutionalism and a public policy in which basic values are carefully balanced the problem of value pluralism isiah berlin and beyond is a uniquely comprehensive survey of the political theory of value pluralism and also an original contribution by a leading voice in the pluralist literature scholars and researchers interested in the work of berlin liberalism value pluralism and related ideas will find this a stimulating and valuable source

Why Allies Rebel 2020-07-02

analysing policy documents from nine counterinsurgency wars elias asks why powerful militaries have difficulty managing local partners revealing a critical political dynamic in military interventions this book will appeal to academics and policymakers addressing counterinsurgency issues in foreign policy security studies and political science

Oh, That You Would Rend the Heavens and Come Down! 2015-02-26

historical critical scholars have often thought that writing a coherent theology of isiah 56 66 is impossible because it contains such historically and ideologically diverse materials a canonical approach to the chapters is however open to considering third isiah as a complex but coherent theological unity leaning on this approach abraham oh constructs a theology of isiah 56 66 arguing that the theology of third isiah has eschatology both prophetic and apocalyptic at its core he identifies four major themes and explores their significance through four key texts 56 1 8 59 15b 21 60 1 22 65 13 25 the covenant concept 56 1 8 forms a framework for the eschatology in these chapters people are invited to walk in the covenant which is worked out as eschatological salvation the coming of yhwh as the divine warrior initiates the eschatological era 59 15b 21 and bringing judgment restores the covenant as the temple city paradise 60 1 22 into which the nations flow the glorified zion is the eschatological fulfilment of the covenant zion and servant traditions the new heavens and earth 65 13 25 is a return to the primordial paradise where the natural world is restored as the problem of sin is resolved

The Holy One of Israel 2014-11-27

inspired by the author's preparation of two major commentaries on isiah these essays range from comprehensive to specific and from popular to scholarly they first appeared in biblical dictionaries scholarly journals and popular periodicals gathered here together for the first time they display in various ways how the author sees the various parts of isiah functioning together to give a coherent message to the church the opening chapters lay out oswalt's understanding of the overall message of the book of isiah subsequent chapters consider such themes as holiness and righteousness as they function in that larger structure

Exhortación a la desobediencia (epub) 2015-03-02

retrato de beiras a primera vista parece un león y es pero tiene la delicadeza del ciervo la paciencia del gato la lealtad del perro la solidaridad de las aves que se ayudan en el vuelo el sentido del honor del toro de lidia que se crece en el castigo y la inteligencia de los raros hombres que dan prestigio a la condición humana gallego tenía que ser queríamos felicitarlos por este reciente homenaje a la desobediencia es más que nunca necesario reivindicar una vez más y mil veces la multiplicación de las puertas que nos conducen a la diversidad y a la libertad ustedes han encontrado un estilo que permite decirlo y proclamarlo a viva

voz para que se escuche en galicia y en todas las otras tierras de este mundo donde todavía hay militantes de izquierda o que dicen serlo que desconfían de toda palabra que no sea eco de los discursos tradicionales que tanto daño han hecho a la causa de todos los que creemos que la libertad y la diversidad son dos nombres de la misma respiración humana mal que les pese a los repetidores de fracasos que nos han enseñado a copiar en lugar de crear por eso tiene tanta importancia la contribución de los beiras del mundo a la lucha contra los que siguen confundiendo a la política con la religión eduardo galeano

A Darkened Reading 2014-12-25

the church in the west has subsisted for five hundred years in a state of ever increasing multiple identities many of which claim to be the best representation of the church established by christ often attending novel models of the church are new scriptural interpretive methods that support theological claims rarely however has an exploration been undertaken to test the impact of this ecclesiological division on the reading of the bible a darkened reading explores the specific case of the nineteenth century church of england and competing interpretations of the book of the prophet isaiah a book of great importance in theological history as a kind of parable of the existential anguish the church has experienced as a consequence of being torn apart

City on a Hill 2019

We the Young Fighters 2023-10

we the young fighters is at once a history of a nation the story of a war and the saga of downtrodden young people and three pop culture superstars reggae idol bob marley rap legend tupac shakur and the john rambo movie character all portrayed an upside down world where those in the right are blamed while the powerful attack them their collective example found fertile ground in the west african nation of sierra leone where youth were entrapped inequality was blatant and dissent was impossible when warfare spotlighting diamonds marijuana and extreme terror began in 1991 military leaders exploited the trio's transcendent power over their young fighters and captives once the war expired youth again turned to marley for inspiration and tupac for friendship thoroughly researched and accessibly written we the young fighters probes terror based warfare and how tupac rambo and especially bob marley wove their way into the fabric of alienation resistance and hope in sierra leone the tale of pop culture heroes radicalizing warfare and shaping peacetime underscores the need to engage with alienated youth and reform predatory governments the book ends with a framework for customizing the international response to these twin challenges

Mostly Medieval 2020-12-24

vita mortuorum in memoria vivorum volume 5 of the beyond language series is dedicated to the memory of professor jacek fisiak one of the titans in english historical linguistics in poland and beyond for over 40 years he taught at adam mickiewicz university in poznań where he established a stronghold of english studies in europe his efforts were appreciated with medals awards honorific titles and mentoring positions amongst academic bodies the present in memoriam volume undoubtedly counts among the all encompassing and much expected individual and collective acts of commemoration to recognize the authority of professor jacek fisiak the great scientist the indefatigable organizer manager and mentor relentless of any adversity or difficulty the person whose countless contributions and merits in the history of polish humanities especially in the field of philological sciences and english studies in poland cannot be overestimated on the one hand the articles included in the volume yield a multidimensional

testimony of the authors scientific kinship with professor fisiak s broad scientific interests on the other they present a whole range of individual philological inquiries starting from texts whose synthetic theoretical overtones prove the rich experience of their authors through the articles of a more general nature to prolegomena stimulating further in depth scientific analyses from the review by prof grzegorz kleparski table of contents jacek fisiak 1936 2019 mentor in academia the master in title and reality by joanna m esquibel part ii old and middle english literature campbell s art of parallelism in old english poetry a reappraisal by rory mcturk the question of beowulf s relation to fairy tales revisited by andrzej wicher cornish symptoms in the old english orosius by andrew breeze when a lexical borrowing becomes an ideological tool the case of saint erkenwald by letizia vezzosi medieval multitasking hoccleve translates christine de pizan and imitates chaucer for example his binomials by hans sauer mimetic desires in thomas malory s le morte darthur by barbara kowalik part iii old and middle english language and historical linguistics selected elements of language change by aleksandra r knapik for and against anglo frisian the linguistic debate on the matter by katarzyna buczeł on speech and discourse communities in the viking age by piotr p chruszczewski east anglia as an old english and middle english dialect area by peter trudgill middle english voiced fricatives revisited by piotr gąsiorowski from where did the death of the english inflection come by janusz malak on the expansion of the old norse root hap in middle english by rafał molencki so that in clauses of result and purpose in old english and middle english by jerzy nykie part iv adapting earlier english for modern times adapting shakespeare and fletcher s drama for theatre by magdalena kizeweter anna wojtyś medieval modernism and the new age magazine creating modernity while turning to the past by dominika buchowska part v modern english contrastive studies and translation studies variation in the use of the 3rd person singular marker in american private letters from the mid 19th century by radosław dylewski magdalena bator joanna rabęda the nad phonotactic calculator an online tool to calculate cluster preferability across languages by katarzyna dziubalska kołaczyk dawid pietrala event construal in some english middle and reflexive constructions and their polish counterparts by barbara lewandowska tomaszczyk problems in studying loan translations by alicja witalisz when do nouns control sentence stress placement by aleksander szwedek part vi notes on contributors index

Played Out 2022-02-11

dating back to the blackface minstrel performances of bert williams and the trickster figure of uncle julius in charles chesnutt s conjure tales black humorists have negotiated american racial ideologies as they reclaimed the ability to represent themselves in the changing landscape of the early 20th century marginalized communities routinely use humor specifically satire to subvert the political social and cultural realities of race and racism in america through contemporary examples in popular culture and politics including the work of kendrick lamar key and peelee and the presidency of barack obama and many others in played out the race man in 21st century satire author brandon j manning examines how black satirists create vulnerability to highlight the inner emotional lives of black men in focusing on vulnerability these satirists attend to america s most basic assumptions about black men contemporary black satire is a highly visible and celebrated site of black masculine self expression black satirists leverage this visibility to trouble discourses on race and gender in the post civil rights era more specifically contemporary black satire uses laughter to decenter black men from the socio political tradition of the race man

Eurasia Without Borders 2021-11-02

a long awaited corrective to the controversial idea of world literature from a major voice in the field katerina clark charts interwar efforts by soviet european and asian leftist writers to create a eurasian commons a single cultural space that would overcome national cultural and linguistic differences in the name of an anticapitalist anti imperialist and later antifascist aesthetic at the heart of this story stands the literary arm of the communist international or comintern anchored in moscow but reaching baku beijing london and parts in between its mission attracted diverse networks of writers who hailed from turkey iran india and china as well as the soviet union and europe between 1919 and 1943 they sought to establish a new world literature to rival the capitalist republic of western letters eurasia without borders revises standard accounts of global twentieth century literary movements the eurocentric discourse of world literature focuses on transatlantic interactions largely omitting the international left and its asian members meanwhile postcolonial studies have overlooked the socialist aligned world in favor of the clash between western european imperialism and subaltern resistance clark provides the missing pieces illuminating a distinctive literature that sought to fuse european and vernacular asian traditions in the name of a post imperialist culture

socialist literary internationalism was not without serious problems and at times it succumbed to an orientalist aesthetic that rivaled any coming from europe its history is marked by both promise and tragedy with clear eyed honesty clark traces the limits compromises and achievements of an ambitious cultural collaboration whose resonances in later movements can no longer be ignored

Science for Sale 2014-06-03

when speaker newt gingrich greeted dr david lewis in his office overlooking the national mall he looked at dr lewis and said you know you re going to be fired for this don t you i know dr lewis replied i just hope to stay out of prison gingrich had just read dr lewis s commentary in nature titled epa science casualty of election politics three years later and thirty years after dr lewis began working at epa he was back in washington to receive a science achievement award from administrator carol browner for his second article in nature by then epa had transferred dr lewis to the university of georgia to await termination the agency s only scientist to ever be lead author on papers published in nature and lancet the government hires scientists to support its policies industry hires them to support its business and universities hire them to bring in grants that are handed out to support government policies and industry practices organizations dealing with scientific integrity are designed only to weed out those who commit fraud behind the backs of the institutions where they work the greatest threat of all is the purposeful corruption of the scientific enterprise by the institutions themselves the science they create is often only an illusion designed to deceive and the scientists they destroy to protect that illusion are often our best this book is about both beginning with dr lewis s experience and ending with the story of dr andrew wakefield

New Religions [2 volumes] 2021-02-15

a valuable resource for students and general audiences this book provides a unique global perspective on the history beliefs and practices of emergent faith communities new religious traditions and religious movements worldwide from the 19th century to the present new religions emerging faiths and religious cultures in the modern world provides insightful global perspectives on the emergent faith communities and new traditions and movements of the last two centuries readers will gain access to the information necessary to explore the significance complexities and challenges that modern religious traditions have faced throughout their history and that continue to impact society today the work identifies the themes and issues that have often brought new religions into conflict with the larger societies of which they are a part coverage includes new religious groups that emerged in america such as the seventh day adventists the latter day saints and the jehovah s witnesses alternative communities around the globe that

emerged from the major western and eastern traditions such as aum shinrikyo and al qaeda and marginalized groups that came to a sudden end such as the peoples temple heaven s gate and the branch davidians the entries highlight thematic and broader issues that run across the individual religious traditions and will also help students analyze and assess the common difficulties faced by emergent religious communities

Sitopia 2020-03-05

a visionary look at how quality food should replace money as the new world currency tim spectator hugely ambitious and beautifully written destined to become a modern classic bee wilson how we search for make and consume food has defined human history it transforms our bodies and homes our politics and our trade our landscapes and our climate but by forgetting our culinary heritage and relying on cheap intensively produced food we have drifted into a way of life that threatens our planet and ourselves what if there were a more sustainable way to eat and live drawing on many disciplines as well as stories of the farmers designers and economists who are remaking our relationship with food this inspiring and deeply thoughtful book gives us a provocative and exhilarating vision for change and points the way to a better future utterly brilliant thomasina miers winner of the 2021 guild food of writers award for best food book shortlisted for the wainwright prize 2020

Închinarea comună 2023-01-01

care este rolul închinării comune în biserică creștinii se închină lui dumnezeu la biserică în fiecare săptămână dar mulți nu știu exact ce este închinarea sau de ce se închină pentru unii închinarea este ca o încălzire pentru predică pentru alții ea este un moment de genul eu și isus cum trebuie să privim la închinarea comună prin lentilele bibliei în această carte matt merker arată că închinarea comună este strângerea laolaltă a poporului lui dumnezeu prin harul lui spre gloria lui spre binele lor și înaintea lumii el oferă gânduri biblice și sugestii practice prin care putem face ca închinarea comună să fie ceea ar trebui să fie o pregustare a acelei străngeri laolaltă a poporului lui dumnezeu care se va închina veșnic în noua creație matt le arată păstorilor liderilor de închinare și tuturor acelorora dintre noi cum să ne păstrăm atenția îndreptată către prioritățile bibliei în închinarea comună keith și kristyn getty autori de imnuri și muzicieni creștini irlandezi de nord și nashville tennessee această carte este îmbibată de doctrină și sfaturi care îl vor ajuta pe cititor să meargă înainte către o viziune modelată scriptural pentru închinarea comună kenneth mbugua păstor nairobi kenya această carte te va ajuta să înțelegi natura închinării comune într un sens biblic miguel nÚñez păstor santo domingo republica dominicană matt merker aduce înaintea noastră într un fel proaspăt adevărul despre biserică pe care l am tratat adesea ca pe un lucru de apucat biserică este comunitatea strânsă laolaltă cu scopul închinării înaintea lui dumnezeu conrad mbewe păstor lusaka zambia această carte face parte din seria 9marks zidind biserici sănătoase

Między tekstem a kulturą 2018-11-16

the first volume in the new series beyond language published under the auspices of college for interdisciplinary studies university of wrocław this voluminous collection opens the door to translation theory in the polish perspective its practice and applications in history and modern times inviting discussion from the most eminent polish scholars across the disciplines arranged in four major parts 1 translation theory in historical perspective 2 religion in translation historical and modern perspectives 3 from theory to practice 4 applications the material will be of interest to both academics researching translation as a discipline and translators practicing the craft

Investment Law's Alibis 2022-08-04

this book aims to connect narratives associated with the past to the international regime that protects property and contract rights of foreign investors the book scrutinizes justifications offered to sustain practices associated with colonialism imperialism civilized justice debt and development revealing that a number of the rationales offered in support of investment law disciplines replicate those arising out of this discredited past by revealing these linkages the book raises concerns about investment law s premises it would appear that the normative foundations for today s regime reproduces discursive practices that are less than compelling the book argues that citizens deserve something more than historically discredited reasons to justify the exercise of power over them something more than mere pretext

The Titles of Jesus in Christology 2022-09-29

the titles of jesus in christology was recognised as a major contribution to christological study when it was first published in german in 1963 its translation into english a few years later cemented this status hahn undertakes a massive and detailed examination of the various traditions that led to the use of names for jesus that we now recognise as characteristic of the very early church moreover he carefully distinguishes between the different christological conceptions present in these differing branches of primitive christianity and embodied in the terms they produced his analysis and categories have been followed by many later scholars who built on his detailed study of the peculiarities of the different titles given to jesus by the different communities that followed him

Practicing Christians, Practical Atheists 2023-02-02

the task of living faithfully within today s secular culture is one of the most important issues facing christians yet many misunderstand what culture is and how it shapes their hearts minds and souls this book extends the work of james k a smith by revealing how the secularizing influence of modern culture is not only transmitted through cultural liturgies but has become embedded within the seemingly harmless practices everyday practices of education work consumption and leisure as a result even practicing christians may become practical atheists who have thoroughly internalized secular dispositions of mind and heart this deeper understanding of cultural formation calls into question many of the dominant approaches to ministry and formation rather than merely offering information and inspiration congregations must become sites of counter formation that enable their members to fully embody the christian faith within everyday life

Einleitung in das Alte Testament 2023-03-03

diese einleitung zum alten testament herausgegeben von hendrik koorevaar und walter hilbrands beleuchtet die hintergründe der entstehung der bücher des alten testaments und gibt einblicke in deren aufbau und theologie die autoren gehen in der einleitungswissenschaft neue wege indem sie zum einen die biblischen texte als historische zeugnisse ernst nehmen und zum anderen ihrer stellung und ihrer bedeutung im kanon des alten testaments hohe bedeutung beimessen ausgangspunkt ist das zeugnis der alttestamentlichen autoren und ihrer texte selbst die historischen und chronologischen angaben des alten testaments werden ernstgenommen und in auseinandersetzung mit dem bisherigen forschungsstand neu überprüft damit weist der historisch kanonische ansatz mutig neue wege jenseits eines im geschichtsbild des 19 jahrhunderts verhafteten mainstreams die allgemeinen einleitungsfragen wie die nach der textgestalt und Überlieferung der entstehung des kanons nach chronologie und literarischen gattungen werden ebenso behandelt wie die speziellen fragen zu jedem bibelbuch also nach autor entstehungszeit struktur und literarischer einheitlichkeit des buchs diese einleitung ist ein europäisches projekt entstanden unter mitwirkung eines expertenteams von 32 autoren die in lehre und forschung tätig sind mit beiträgen von thomas bänziger andreas j beck gunnar begerau wolfgang bluedorn manfred dreytza stefan felber walter gisin raymond r hausoul walter hilbrands andreas käser benjamin kilchör herbert h klement bernhard knieß hendrik j koorevaar hetty lalleman geert w lorein winfried meißner ronald t michener alan r millard jonathan pater mart jan paul siegbert riecker heinrich von siebenthal julius steinberg david van acker hans van den herik pieter gert van der veen eveline van staalduine sulman jan verbruggen heiko wenzel hans georg wüncch carsten ziegert

Feast as a Mirror of Social and Cultural Changes 2020-12-23

feasting seems to be an inseparable element of peoples especially their collective lives the proposed volume consists of original unpublished texts in which their authors search for the answers to the following questions how far have we gone astray from the primeval idea of celebrating the feast from understanding tradition in terms of the romanian historian of religion mircea eliaade or the french sociologist Émile durkheim are there still any traditional in its very meaning feasts if not if they are invented hobsbawm and ranger 1983 1992 why are they called traditional what elements have changed and why what has had the greatest impact on celebrating feasts what are the new factors influencing the course of a feast s celebration it was difficult to categorize the texts contained in this book because the subjects discussed in them very often overlap still it was possible to recognize several accentuated aspects that served as the basis for the division of the book into three sections 1 culture and identity 2 ritual and cultural values 3 culture and policy the contributors are scholars who represent various international institutions and fields of research and use different approaches and methodologies to study the subject of the feast this publication is an opportunity to bring the results of their research together in one book the volume contains chapters in which various aspects of feasts festivals and festivities perceived as a mirror of social and cultural changes in the twentieth and twenty first centuries are presented it provides a unique and rich resource in the fields of culture folklore religion anthropology sociology as well as politics and other cultural and social sciences in the future we hope to broaden the scope of our research and to include more ethnic groups and their cultures in order to see the changes they have undergone and factors that caused them table of contents Frédéric Armao university of toulon france uisneach from the ancient assembly to the fire festival 2017 key words bealtaine folklore irish festivals mythology uisneach božena gierek jagiellonian university krakow poland lajkonik hobby horse as theatrum of the period of corpus christi in kraków poland key words corpus christi feast lajkonik raftsmen theatrum tatiana minniyakhmetova university of tartu estonia manifestation of various values in traditional udmurt feasts key words beestings feast porridge meat symbols udmurts lászló mód university of szeged hungary grape harvest feast as an attempt to develop local identity and cultural heritage the hungarian case key words cultural heritage grape harvest feast invented tradition local identity marek moroń jagiellonian university krakow poland the use of sacrifice feast of eid ul adha in bengal as an instrument of promoting communal violence for political purposes the situation in the 1920s 1930s and 2017 key words bengal cow sacrifice eid ul adha hindu muslim politics ewa nowicka university of warsaw poland performing ethnicity buryat ethnofestivals and a rediscovered tradition key words buryatia cultural canon ethnofestival identity rediscovered tradition alina romanovska daugavpils university latvia diaspora festivals as a way for development of cultural identity in the regional city the case of daugavpils latvia key words creolization diaspora festival identity regional city monika salzbrunn university of lausanne switzerland the swiss carnivals of payerne and lausanne place making between the mise en scène of self and the other s key words brandons carnival othering performance place making wordplay tigran simyan yerevan state university armenia and ilze kačāne daugavpils university latvia transformations of new year

Love and Russian Literature 2023-11-30

russia haunted the british cultural imagination throughout the 20th century whether as a romantic source of literary and political
inspiration or as a warning of creeping totalitarianism in this new book ira nadel charts the story of that influence through the
work of some of the key figures in british literature across the century including joseph conrad somerset maugham jane harrison
virginia woolf and h g wells framed by the story of two romantic encounters between walter benjamin and the actress asja lacis in
moscow in 1926 and between isaiah berlin and anna akhmatova in 1945 love and russian literature casts a vivid new light on the
ways in which responses to russia shaped the history of british modernism
