the more we learn about jesus the more reasons we have to love him by giving children an alphabetical list of the names and attributes of jesus written with a rhyming beat jonathan gibson and timothy brindle make the acrostic of jesus fun to read and simple to memorize each characteristic a to z weaves together a beautiful picture of who jesus is and why he came to earth using the alphabet to teach about god has a rich history in the bible especially in the psalms and lamentations several of the psalms notably psalm 119 begin with letters of the hebrew alphabet forming an acrostic that spells out the entire alphabet the authors make learning christology easy and enjoyable their book shows jesus as he is not just to know about him more in our brains but to know him as the god of glory who reigns illustrated by c s fritz the acrostic of jesus is the second in the series an acrostic theology for kids introducing children ages five to eleven to systematic theology uniquely on their age level confused and curious have a lot of questions about what they learned at church today the teacher told them that jesus died on a cross to take their sins away and confused just doesn't understand what this means that's why he goes to mom for help curious listens in while mom gives confused the answers to some really hard questions about jesus mom saves the day by keeping it all simple the story ends with a prayer that helps confused and curious find new names faith and trust this book is perfect for kids that are preparing for communion and baptism it's also a friend of children who just want more answers about who jesus really is salvation forgiveness and other spiritual mysteries are explained with the simplicity of a child preface when kids ask about jesus we often tell them things like jesus died on the cross for

your sins or jesus took our sins away these can be confusing truths for children as well we often skirt the uglier truths about what happened to jesus as he walked the earth we do so for fear that these truths are too much for a child yet we ve already let the cat out of the bag when we tell kids bible stories that are unavoidably gritty graphic and a quite more than rated g i have found that may kids have little more to say than jesus loves me when posed with the question what does jesus died for you mean i have long felt their brevity is the outcome of our dodging the good the bad and the ugly of such questions we mean well in our efforts to protect a child s innocence but i have learned that there is fallout for this children are getting baptized receiving communion and are participating in other sacraments with much prepared hearts but less ready minds it doesn t have to be this way children can have a deeper understanding of the mysteries presented to them through god s word and his church we don t have to be afraid to give the whole story and we don t have to assume that kids can t understand the unabridged version children are asking the really hard questions and they are ready to welcome these truths of god s kingdom like a child it is my prayer that jesus for kids will help children dig a little deeper straighten confusions and address questions as well as fears about who jesus is by the grace of god i pray they will receive revelation peace and truth how well do you know jesus this powerful devotional book shows kids why jesus is better than they can imagine with bite sized readings and original illustrations hello my name is jesus helps kids to know jesus for all he is so they can walk with him all of their days each entry also includes a bible verse and prayer to lay a foundation for the regimental

your sins or jesus took our sins away these can be confusing truths for children as well we often skirt the uglier truths about what happened to jesus as he walked the earth we do so for fear that these truths are too much for a child yet we ve already let the cat out of the bag when we tell kids bible stories that are unavoidably gritty graphic and a quite more than rated g i have found that many kids have little more to say than jesus loves me when posed with the question what does jesus died for you mean i have long felt their brevity is the outcome of our dodging the good the bad and the ugly of such questions we mean well in our efforts to protect a child s innocence but i have learned that there is fallout for this children are getting baptized receiving communion and are participating in other sacraments with much prepared hearts but less ready minds it doesn t have to be this way children can have a deeper understanding of the mysteries presented to them through god s word and his church we don t have to be afraid to give the whole story and we don t have to assume that kids can t understand the unabridged version children are asking the really hard questions and they are ready to welcome these truths of god s kingdom like a child it is my prayer that jesus for kids will help children dig a little deeper straighten confusions and address questions as well as fears about who jesus is by the grace of god i pray they will receive revelation peace and truth
