Companion to Literature 2022-06-30 how can researchers study magic without destroying its mystery drawing on a collaborative project between the playwright poppy corbett the poet anna kisby compton and the historian william g pooley this element presents thirteen tools for creative academic research into magic illustrated through case studies from france 1790 1940 and examples from creative outputs write to discover borrow forms use the whole page play with footnotes erase the sources write short accumulate fragments re enact improvise use dialogue change perspective make methods of metaphors use props these tools are ways to untell the dominant narratives that shape stereotypes of the witch which frame belief in witchcraft as ignorant and outdated writing differently suggests ways to think and feel differently to stay with the magic rather than explaining it away the element includes practical creative exercises to try as well as research materials from french newspaper and trial sources from the period

Creative Histories of Witchcraft 2013-11-15 in translating charles perrault s seventeenth century *histoires ou contes du temps passé avec des moralités* into english angela carter worked to modernize the language and message of the tales before rewriting many of them for her own famous collection of fairy tales for adults the bloody chamber published two years later in reading translating rewriting angela carter s translational poetics author martine hennard dutheil de la rochère delves into carter s the fairy tales of charles perrault 1977 to illustrate that this translation project had a significant impact on carter s own writing practice hennard combines close analyses of both texts with an attention to carter s active role in the translation and composition process to explore this previously unstudied aspect of carter s work she further uncovers the role of female fairy tale writers and folktales associated with the grimms *kinder und hausmärchen* in the rewriting process unlocking new doors to the bloody chamber hennard begins by considering the editorial evolution of the fairy tales of charles perrault from 1977 to the present day as perrault s tales have been rediscovered and repurposed in the chapters that follow she examines specific linkages between carter s perrault translation and the bloody chamber including targeted analysis of the stories of red riding hood bluebeard puss in boots beauty and the beast sleeping beauty and cinderella hennard demonstrates how even before the bloody chamber carter intervened in the fairy tale debate of the late 1970s by reclaiming perrault for feminist readers when she discovered that the morals of his worldly tales lent themselves to her own materialist and feminist goals hennard argues that the bloody chamber can therefore be seen as the continuation of and counterpoint to the fairy tales of charles perrault as it explores the potential of the familiar stories for alternative retellings while the critical consensus reads into carter an imperative to subvert classic fairy tales the book shows that carter valued in perrault a

practical educator as well as a proto folklorist and went on to respond to more hidden aspects of his texts in her rewritings

Reading, Translating, Rewriting 2022-01-13 representing a shift in carter studies for the 21st century this book critically explores her legacy and showcases the current state of angela carter scholarship it gives new insights into carter s pyrotechnic creativity and pays tribute to her incendiary imagination in a reappraisal of angela carter s work her influences and influence drawing attention to the highly constructed artifice of angela carter s work it brings to the fore her lesser known collection of short stories fireworks nine profane pieces to reposition her as more than just the author of the bloody chamber on the way it also explores the impact of her experiences living in japan in the light of edmund gordon s 2016 biography and natsumi ikoma s translation of sozo araki s japanese memoirs of carter

Angela Carter's Pyrotechnics 2021-11-22 fiction after the fatwa salman rushdie and the charm of catastrophe proposes for the first time an examination of what rushdie has achieved as a writer since the fourteenth of february 1989 the date of the fatwa this study argues that his constant questioning of fictional form and the language used to articulate it have opened up new opportunities and further possibilities for writing in the late twentieth and early twenty first centuries through close readings and intensive textual analysis arranged chronologically fiction after the fatwa provides a thought provoking reflection on the writer s achievements over the last thirteen years aimed principally at academics and students but also of interest to the general reader it engages with the specific nature of the post fatwa fiction as it moves from the fairy tale world of haroun and the sea of stories to the heartbreaking post realism of fury

Fiction after the Fatwa 2012-03-01 this hugely acclaimed collection is now in its 14th successful year and gardner dozois s selection for 2001 maintains its high standards of excellence with more than 25 sf stories from contemporary talents such as john kessel ursula k le guin nancy kress paul j mcauley alastair reynolds brian stableford stephen baxter greg egan charles stross ian mcdonald and many other bright stars of sf as well as the usual thorough summation of the year and recommended reading lists
