mountains is a compelling piece of autofiction in which three destinies meet dramatically on a train moving through france we meet an algerian refugee whom we recognize as bey herself she has escaped the civil war and cannot forget her father s commitment to independence nor his death under the torture of the french soldiers sitting near her is a retired doctor whose military service in algeria coincidentally took him to the same area at the time of that tragedy their neighbor is a girl who would like to understand this past that is so painful to discuss the eleven diverse tales that follow presented under the title under the jasmin at night exemplify some of bey s recurring themes the franco algerian colonial legacy and the feminine condition together these works provide an unforgettable picture of a turbulent history that reaches across generations and continents caraf caribbean and african literature translated from french

a new york times editors choice the fascinating story of america s national anthem and an examination of its powerful meaning today most americans learn the tale in elementary school during the war of 1812 francis scott key witnessed the daylong bombardment of baltimore s fort mchenry by british navy ships seeing the stars and stripes still flying proudly at first light he was inspired to pen his famous lyric what americans don t know is the story of how this everyday broadside ballad one of thousands of such topical songs that captured the events and emotions of early american life rose to become the nation s one and only anthem and today s magnet for controversy in o say can you hear mark clague brilliantly weaves together the stories of the song and the nation it represents examining the origins of both text and music alternate lyrics and translations and the song s use in sports at times of war and for political protest he argues that the anthem s meaning reflects and is reflected by the nation s quest to become a more perfect union from victory song to hymn of sacrifice and vehicle for protest the story of key s song is the story of america itself each chapter in the book explores a different facet of the anthem s story in one we learn the real history behind the singing of the anthem at sporting events in another clague explores key s complicated relationship with slavery and its repercussions today an entire chapter devoted to some of the most famous performances of the anthem from jimi hendrix at woodstock to roseanne barr at a baseball game to the iconic whitney houston version from the 1991 super bowl at every turn the book goes beyond the events to explore the song s resonance and meaning from its first lines key s lyric poses questions o say can you see does that banner yet wave likewise clague s o say can you hear raises important questions about the banner what it meant in 1814 what it means to us today and why it matters

Momma, Can You Hear Me?

2010-04-20

the setting of nathalie sarraute s do you hear them is a dinner conversation between a father and his old friend about a recently acquired pre columbian statue as they discuss the merits of the piece and art in general the father hears his children upstairs giggling this childish mirth is barbaric and devastating to the father for in their laughter he hears them mocking his old fashioned viewpoint and the energy he wastes by collecting lifeless objects in his mind they have no respect for what has been of greatest importance in his life
