10th edition warhammer 40k unifies many core abilities and weapon abilities making them part of the core rules and uniform across factions timothy linward published 3 months ago warhammer 40k abilities are the capabilities that weapons and units have which make them distinctive

this book is one of the deepest of 10th edition so far and pulls off the impressive feat of adding five new detachments on top of the index one that all look flavourful fun and powerful but also pull in very different directions and incentivise a whole bunch of different units tack on a few powerful tweaks to some key datasheets
