~~cars themselves then it's driver competence and behaviour that can~~  
offend us and then there's modification alloy wheels custom audio  
systems and bespoke paint jobs for some changing the look feel and  
sound of a car says something about themselves but for others such  
enhancements signify a lack of taste or even criminality in subtle and  
complex ways cars transmit and modify our identities behind the wheel  
as a symbol of independence and freedom the car projects status class  
taste and significantly embeds racialisation using fascinating research  
from drivers including first person accounts alam unpicks the ways in  
which our identity is enhanced and driven
