as issues of history and memory collide in our society and in the classroom the time is ripe to rethink the place of history in our schools knowing teaching and learning history represents a unique effort by an international group of scholars to understand the future of teaching and learning about the past it will challenge the ways in which historians teachers and students think about teaching history the book concerns itself first and foremost with the question how do students develop sophisticated historical understandings and how can teachers best encourage this process recent developments in psychology education and historiography inform the debates that take place within knowing teaching and learning history this four part volume identifies the current issues and problems in history education then works towards a deep and considered understanding of this evolving field the contributors to this volume link theory to practice making crucial connections with those who teach history published in conjunction with the american historical association the hard earned tips and tricks gained by experience are the hidden currency of makers passed along in workshops and makerspaces by example and by retelling shared wisdom that will help you work smarter easier and more efficiently who doesn t remember with gratitude the insider secrets they learned from from a parent shop teacher or artisan the best ones are never forgotten this benchtop reference collects hundreds of ingenious and indispensable shop tips and pearls of wisdom collected by the editors of make and some of the most talented and prolific makers who ve contributed to the magazine and maker faire over the past decade inside you ll find tips for measuring and cutting gluing and fastening clamping and joining drilling shop organizing maintenance and repair and more the topics covered run the gamut from traditional shopcraft to electronics and soldering you ll also encounter fascinating tales from experienced makers whose personal stories illuminate their favorite tools and best discoveries illustrated in full color with photos drawings and comic strips tips and tales from the workshop will entertain and enlighten while inspiring you get ready to smack your head and ask yourself why didn t i think of that praise for tips and tales from the workshop gareth branwyn is the tip master he scours the workshops of the world for practical time saving life altering tips to help you make stuff better faster and cheaper this book rounds up the best ones he knows kevin kelly creator of cool tools and wired senior maverick gareth has essentially created a magic book for makers donald bell maker project labs tips and tales from the workshop is sure to inspire anyone to get making with newfound ease and satisfaction this book embodies the spirit of great mentors across every medium and imparts a wizard like cleverness to its readers i thought i was clever and this book has already prevented at least a dozen new mistakes in my studio it s ah ha moment overload becky stern diy guru and instructables content creator it must be hard to write a book like this with such uncommon clarity and in so entertaining a fashion as gareth branwyn has done here gareth clearly has a deep understanding of making and those who make because he is a maker himself tips and tales from the workshop is jam packed with invaluable information it is both a fun read and a reliable shop reference for any do it yourselfer andy birkey youtube maker twentieth anniversary edition of a landmark book that cataloged a vibrant but disappearing neighborhood in new york city in the two decades that preceded the original publication of times square red times square blue forty second street then the most infamous street in america was being remade into a sanitized tourist haven in the forced disappearance of porn theaters peep shows and street hustlers to make room for a disney store a children s theater and large neon lit cafes samuel r delany saw a disappearance not only of the old times square but of the complex social relationships that developed there samuel r delany bore witness to the dismantling of the institutions that promoted points of contact between people of different classes and races in a public space and in this hybrid text argues for the necessity of public restrooms and tree filled parks to a city s physical and psychological landscape this twentieth anniversary edition includes a new foreword by robert reid pharr that traces the importance and continued resonances of samuel r delany s groundbreaking times square red times square blue trim complete covers those important finishing touches that give a house a one of a kind personality trim and modling an expert carpenter greg kossow presents a vibrantly visual guide that details every possible project from the most basic baseboards to the most complicated casings he tackles real world situations with authoritative advice never failing to address how to solve problems when things do go wrong the book s ingenious design makes

evolutionarily older and newer regions of the brain depends on timing the interaction of the generally faster unconscious processes including emotions and more deliberate processes results in greater variation of experiences and behaviors which is central to free will and adaptive for humankind as a whole this monograph is intended for senior undergraduates graduate students and professionals interested in an in depth look at the role of timing of neural and behavioral processes in affecting human experience it is not a textbook as such it is a complementary resource for students of cognitive psychology learning and evolutionary psychology searching for the ultimate stimulant something you can have on the bus in the morning or in the ambient comfort of your own home the latest user s guide a totally natural and controlled experience is just what you ve been looking for it contains everything you always wanted to know about drugs but were afraid to ask the history of recreational drugs a catalogue of natural highs and pharmaceuticals the physiological effects drugs and religion drugs and the law drug customs from around the world trafficking drugs drugs in literature film and art famous drug takers drug slang urban myths drug legends and horror stories quotations tales of outrageous behaviour and a kilo of curious facts and figures did you know that scientists have found traces of marijuana among shakespeare s personal effects victorian prime minister lord rosebery would snort cocaine to help pep up his public speaking all seven books detailing the legend of the raven mercenary band now collected in one bundle contains seven fantastic novels dawnthief noonshade nightchild elfsorrow shadowheart demonstorm and ravensoul this invaluable guide takes a step by step approach to many common theater production practices and covers important issues related to the construction of wooden fabric plastic and metal scenery used in stage plays illustrated theatre production guide contains a brief history of physical theatres and the development of various forms such as thrust proscenium and black box venues operation of theatre equipment is covered in detail in the chapters on rigging and curtains instructions for operating a fly system and basic stagehand skills such as knot tying and drapery folding are clearly outlined the use of metal tubing as a structural element is explored as an alternative to wooden scenery the chapter on lighting discusses electrical theory as well as the practical aspects of hanging and focusing lights the final chapter in illustrated theatre production guide is a compilation of many different projects that are easy to approach and to complete and have practical value for a theatre group beautifully researched account full of humour and personal insight david crystal author of making sense the glamorous story of english grammar a witty wise and wonderfully weird journey that will change the way you think this book is a delight bianca bosker author of cork dork a wine fueled adventure among the obsessive sommeliers big bottle hunters and rogue scientists who taught me to live for taste delightfully engrossing charmingly and enthusiastically well written history of the crossword puzzle benjamin dreyer author of dreyer s english an utterly correct guide to clarity and style full of treasures surprises and fun richly bringing to life the quirky obsessive fascinating characters in the crossword world mary pilon author of the monopolists obsession fury and the scandal behind the world s favorite board game a gold mine of revelations if there is a pantheon of cruciverbalist scholars adrienne raphel has established herself squarely within it mary norris author of between you me confessions of a comma queen equal parts ingenious and fun thinking inside the box is a love letter to the infinite joys and playful possibilities of language a treat for die hard cruciverbalists and first time crossword solvers alike the crossword is a feature of the modern world inspiring daily devotion and obsession from millions it was invented in 1913 almost by accident when an editor at the new york world was casting around for something to fill some empty column space for that year s christmas edition almost overnight crosswords became a phenomenal commercial success and have been an essential ingredient of any newspaper worth its salt since then indeed paradoxically the popularity of crosswords has never been greater even as the world of media and newspapers the crossword s natural habitat has undergone a dramatic digital transformation but why exactly are the satisfactions of a crossword so sweet that over the decades they have become a fixture of breakfast tables bedside tables and commutes and even given rise to competitive crossword tournaments blending first person reporting from the world of crosswords with a delightful telling of the crossword s rich literary history adrienne raphel dives into the secrets of this classic pastime at the annual american crossword puzzle tournament she rubs shoulders with elite solvers from all over the world doing her level best to hold her own aboard a crossword themed cruise she picks the brains of the enthusiasts whose idea of a good time is a week on the high seas with nothing to do but crosswords and visiting the home and office of will shortz new york times crossword puzzle editor and us national public radio

s official puzzlemaster she goes behind the scenes to see for herself how the world s gold standard of puzzles is made you might not think it but home stores carry all the furniture you d find in a birdhouses tailored for specific birds pick the one that fits your neighborhood s birds and get building join home improvement pro chris peterson as he shares a variety of creative designs for birdhouses and bird feeders from the classic bluebird house to a mid century modern home while all the designs are handsome most are also approachable for beginning woodworkers squares triangles and simple joining are used throughout the book for woodworkers with some experience peterson shares a variety of customization techniques that can enhance the designs every project contains a showstopping photo of the finished house and step by step instructions with additional photos to take any guesswork out of the assembly you ll also find mounting instructions and tips as well as information on the types of birds each birdhouse can accommodate designs include small birdhouses chickadee shelter nuthatch wedge songbird pvc birdhouse flycatcher cinderblock motel purple martin boarding house tufted titmouse cabin finch s pub a bat cave and more large birdhouses mourning dove monster ledge american kestrel lodge barn owl a frame barred owl nest box wood duck slat house and a woodpecker s log house creative bird feeders telephone platform feeder porch swing bin feeder hanging man suet feeder squirrel proof feeder and zen feeder in her first two books haven kimmel claimed her spot on the literary scene surprising readers with her memoir a girl named zippy and winning an outpouring of critical acclaim for her first novel the solace of leaving early now in her second novel she brings to the page a heroine s tireless quest for truth love justice and the perfect game of 9 ball cassie claiborne s world is riddled with problems beyond her control her hard living pool shooting father has another wife her stoic long suffering mother is incapable of moving herself mentally away from the kitchen window her sister belle is a tempest of fragility and brilliance her closest friends puck and emmy are adolescent harbingers of their own doomed futures frustrated by her inability to care deeply enough for so many troubled souls cassie finds in the local pool hall an oasis of green felt where she can master objects and restrain her emotions as cassie grows from a quietly complex girl into a headstrong young woman she takes on the thankless role of family provider by working odd jobs and hustling pool all the while she keeps her eye on the ultimate prize wringing suitable justice out of past wrongs and freeing herself from the inertia that is her life in this ultimately uplifting story haven kimmel reaches deep into the hamstrung souls of her fictional corner of indiana remarkable for its tough tenderness something rising light and swift is an astonishing work of pure heartbreak a compendium of american proverbs expressions slang colloquialisms british us glossary abbreviations and acronyms and other various odds and ends widely used by non native speakers and translators put that spare pvc pipe to work with more than 50 inventive step by step projects that yield tough and durable storage furniture gardening toys and much more with the pvc pipe book with a few simple fittings common home improvement store pvc pipe can be treated much like building blocks learn to engineer it in new ways for diy projects that prove useful indoors and outside whether you re a homeowner gardener homesteader prepper or just a parent looking for some new toy ideas the

projects in the pvc pipe book give you plenty of options step by step instructions parts lists and photographs of completed projects make sure you will have fun and love the results of your work projects range from simple creations like chicken feeders and waterers to much more complex builds like a rolling workshop table other projects include practical creations include a step stool toy bin safety gate and gardening caddy fun fanciful ideas include a rocket launcher water table even soccer goals homestead projects include a pet washer chicken feeder birdhouse and hanging herb garden for anyone who needs some insight and a few tips on working with pvc peterson covers all the basics as well as finishing techniques a lifelong alaskan steve kahn moved at the age of nine from the metropolis of anchorage to the foothills of the chugach mountains a childhood of berry picking fishing and hunting led to a life as a big game guide when he wasn't guiding in the spring and fall he worked as a commercial fisherman and earned his pilot's license pursuits that took him to the far reaches of the alaskan wilderness he lived through some of the most important moments of the state's history the 1964 earthquake the most powerful in u.s. history the farewell burn wildfire the last king crab season in kodiak island waters the Exxon Valdez oil spill and cleanup even the far reaching effects of the 9/11 attacks the landscape of the essays in the hard way home extends from the tip of admiralty island in the southeast to the Teocalli mountains of the interior from the windswept Alaska Peninsula to the author's present home on Lake Clark these essays offer a view of Alaska that is at once introspective and adventurous here we find the state's plants animals people geography politics and culture considered from an intimate perspective leading to hard earned lessons about conservation sustainability and living well ever the irrepressible guide Kahn invites readers to share his experiences and discoveries and to consider questions about a place and a life that are disappearing as popular as birdhouses are many are designed with aesthetics in mind rather than the bird's preferences and needs not so for the projects in making bird friendly birdhouses lifelong birder Mel Birdman Mel Toellner and pro woodworker Matt Maguire walk readers step by step through 15 projects for safe birdhouses that birds find conducive to their natural nesting habitats they begin with a comprehensive introduction to why birdhouses are so important and why the birdhouses should be created with specific birds in mind like bluebirds wrens chickadees owls and even bats with additional sections on distribution maps detailed plans mounting instructions and tips on attracting birds to your yard it has everything you need to create a successful backyard haven for your winged friends the new pallet book brings more than 25 new ideas for woodworking projects devoted to the ubiquitous
