encourage parents and teachers to teach children perhaps by the age of eight or ten to begin to write a diary or journal very helpful to me in writing my autobiography was the practice i began about 1949 when i was 22 years old of keeping a journal or appointment book in which i kept a record of all the persons i met or places where i travelled and things i saw and reflections that seemed to be significant in the course of writing my autobiography i became more aware of the many people who have had a significant role in my life and development more important i have discovered at a deeper level how important in my life has been the friendship i have developed with jesus i am convinced that jesus has had a very important part in bringing into my life the many people who have touched and transformed my life that is why i consider jesus the first and greatest of all my friends i heartily agree with st paul when he wrote to the corinthians brothers you are among those called consider your situation not many of you are wise as men account wisdom not many are influential and surely not many are well born god chose those whom the world considers absurd to shame the wise he singled out the weak of this world to shame the strong he chose the worlds s lowborn and despised those who count for nothing to reduce to nothing those who were something so that mankind can do no boasting before god god it is who has given you life in christ jesus he has made him our wisdom and also our justice our sanctification and our redemption this is just as you find it written let him who would boast boast in the lord i cor 1 26 31
