Narrative of the Suffering and Defeat of the North-Western Army, Under General Winchester 2016-08-26 the role of massacre in history has been given little focused attention either by historians or academics in related fields this is surprising as its prevalence and persistence surely demands that it should be a subject of serious and systematic exploration what exactly is a massacre when and why does it happen is there a cultural as well as political framework within which it occurs how do human societies respond to it what are its social and economic repercussions are massacres catalysts for change or are they part of the continuity of the human saga these are just some of the questions the authors address in this important volume chronologically and geographically broad in scope the massacre in history provides in depth analysis of particular massacres and themes associated with them from the 11th century to the present specific attention is paid to 15th century christian jewish relations in spain the st batholemew s day massacre england and ireland in the civil war era the 19th century caucasus the rape of nanking in 1937 and the second world war origins of the serb croat conflict the book explores the subject of massacre from a variety of perspectives its relationship to politics culture religion and society its connection to ethnic cleansing and genocide and its role in gender terms and in relation to the extermination of animals the historians provide evidence to suggest that the massacre is often central to the course of human development and societal change

Narrative of the Suffering & Defeat of the North-Western Army Under General Winchester [microform] 2021-09-09 the deaths in and around dunmanway in 1922 have always been shrouded in rumour and supposition this book seeks to get to the bottom of them one thing is certain captain herbert woods shot commandant michael o neill of the ira on the stairs of ballygroman house at 2 30a m on the 26th april and killed him who was herbert woods and why did shoot an unarmed man who was michael o neill and what was he doing inside the house at that hour of the morning what connection had this event to the killing of ten protestants in west cork over the next three nights are they connected with the killing of four british soldiers in macroom on the same day what was the effect on the local protestant minority what happened after herbert woods and his hornibrook relations were arrested by the irish republican police and disappeared this book attempts to answer all these questions using previously overlooked evidence it proves that the real story is a simple one of revenge it directly challenges claims of sectarianism and british involvement presenting a true story of these appalling events

The Massacre in History 1999 the malayan emergency 1948 60 was the longest war waged by british and commonwealth forces in the twentieth century fought against communist guerrillas in the jungles of malaya this undeclared war without a name had a powerful and covert influence on american strategy in vietnam many military historians still consider the emergency an exemplary even inspiring counterinsurgency conflict massacre in malaya draws on recently released files from british archives as well as eyewitness accounts from both the government forces and communist fighters to challenge this view it focuses on the notorious batang kali massacre known as britain s my lai that took place in december 1948 and reveals that british tactics in malaya were more ruthless than many historians concede counterinsurgency in malaya as in kenya during the same period depended on massive resettlement programmes and ethnic cleansing indiscriminate aerial bombing and ruthless exploitation of aboriginal peoples the orang asli the emergency was a discriminatory war in malaya the british built a brutal and pervasive security state and bequeathed it to modern malaysia the

malayan emergency was a bitterly fought war that still haunts the present

Narrative of the Suffering & Defeat, of the North-Western Army Under General

Winchester 2015-02-12 in august 1862 the worst massacre in u s history unfolded on the minnesota prairie launching what has come to be known as the dakota war the most violent ethnic conflict ever to roil the nation when it was over between six and seven hundred white settlers had been murdered in their homes and thirty to forty thousand had fled the frontier of minnesota but the devastation was not all on one side more than five hundred indians many of them women and children perished in the aftermath of the conflict and thirty eight dakota warriors were executed on one gallows the largest mass execution ever in north america the horror of such wholesale violence has long obscured what really happened in minnesota in 1862 from its complicated origins to the consequences that reverberate to this day a sweeping work of narrative history the result of forty years research massacre in minnesota provides the most complete account of this dark moment in u s history focusing on key figures caught up in the conflict indian american and franco and anglo dakota gary clayton anderson gives these long ago events a striking immediacy capturing the fears of the fleeing settlers the animosity of newspaper editors and soldiers the violent dedication of dakota warriors and the terrible struggles of seized women and children through rarely seen journal entries newspaper accounts and military records integrated with biographical detail anderson documents the vast corruption within the bureau of indian affairs the crisis that arose as pioneers overran indian lands the failures of tribal leadership and institutions and the systemic strains caused by the civil war anderson also gives due attention to indian cultural viewpoints offering insight into the relationship between native warfare religion and life after death a nexus critical to understanding the conflict ultimately what emerges most clearly from anderson s account is the outsize suffering of innocents on both sides of the dakota war and identified unequivocally for the first time the role of white duplicity in bringing about this unprecedented and needless calamity

The Fall of the Roman Republic ... 1872 the little known story of a fierce rebellion against the romans a very good read for anyone interested in ancient military history and historiography the nymas review in the year ad 9 three roman legions were crushed by the german warlord arminius in the battle of the teutoburg forest this event is well known but there was another uprising that rome faced shortly before which lasted from ad 6 to 9 and was just as intense this rebellion occurred in the western balkans an area roughly corresponding to modern croatia bosnia and herzegovina slovenia montenegro and parts of serbia and albania and it tested the roman empire to its limits for three years fifteen legions fought in the narrow valleys and forest covered crags of the dinaric mountains in a ruthless war of attrition against an equally ruthless and determined foe and yet this conflict is largely unknown today the great illyrian revolt is believed to be the first book ever devoted to this forgotten war of the roman empire within its pages we examine the history and culture of the mysterious illyrian people the story of how rome became involved in this volatile region and what the roman army had to face during those harrowing three years in the balkans

The Fall of the Roman Republic: a Short History of the Last Century of the Commonwealth 1853 who are the english their language and culture have had an impact on the modern world out of all proportion to the size of their homeland but what do we really understand about their ancestry traditionally they have been seen as the descendants of those germanic peoples who poured into britain after the roman legions departed today known as the anglo saxons alternative interpretations have questioned this picture or suggested complications at last the astonishing progress made in extracting and analysing ancient dna means that theories can be tested empirically shedding new light on the movement and migrations of peoples in the past skillfully and accessibly blending together results from this cutting edge dna technology with new research from archaeology and linguistics jean manco reveals a long and adventurous journey before a word of english was spoken going beyond a narrow focus on the anglo saxon period she probes into the deep origins of the germani and their kin and extends the story to the language of shakespeare taken to the first british colony in america the result is an exciting new history of the english people and a ground breaking analysis of their development

Massacre in West Cork: The Dunmanway and Ballygroman Killings 2014-01-17 an unprecedented account of one of the bloodiest and most significant racial clashes in american history in may 1866 just a year after the civil war ended memphis erupted in a three day spasm of racial violence that saw whites rampage through the city s black neighborhoods by the time the fires consuming black churches and schools were put out

forty six freed slaves had been murdered congress furious at this and other evidence of white resistance in the conquered south launched what is now called radical reconstruction policies to ensure the freedom of the region s four million blacks and one of the most remarkable experiments in american history stephen v ash s a massacre in memphis is a portrait of a southern city that opens an entirely new view onto the civil war slavery and its aftermath a momentous national event the riot is also remarkable for being one of the best documented episodes of the american nineteenth century yet ash is the first to mine the sources available to full effect bringing postwar memphis tennessee to vivid life he takes us among newly arrived yankees former rebels boisterous irish immigrants and striving freed people and shows how americans of the period worked prayed expressed their politics and imagined the future and how they died ash s harrowing and profoundly moving present tense narration of the riot has the immediacy of the best journalism told with nuance grace and a quiet moral passion a massacre in memphis is civil war era history like no other

Outlines of the history of Rome ... to the Christian era 1856 annually published since 1930 the international bibliography of historical sciences ibohs is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times the works are arranged systematically according to period region or historical discipline and within this classification alphabetically the bibliography contains a geographical index and indexes of persons and authors Annual Statistician and Economist 1883 in july 1988 the islamic republic of iran agreed to bring an end to the brutal eight year war with iraq over the next two months under the orders of supreme leader ayatollah khomeini political prisoners around the country were secretly brought before a tribunal panel that would later become known as the death commission they were not told what was happening and did not know that one wrong answer concerning their faith or political affiliation would send them straight to the gallows thousands of men and women were condemned to death many buried in mass graves in khavaran cemetery in the vicinity of tehran through eyewitness accounts of survivors research by scholars and memories of children and spouses of the deceased voices of a massacre reconstructs the events of that bloody summer over thirty years later the iranian government has still not officially acknowledged that they ever took place

McCarty's Annual Statistician 1879 in the decades between the american revolution and the american civil war the united states government was engaged in an ongoing war against several native american tribes collectively historians refer to the series of wars between the u s government and the american indians simply as the indian wars or the american indian wars the americans argued that they needed the land west of the appalachian mountains for development and settlement while the various american indian tribes argued that the land was their birthright both sides were willing to shed blood to accomplish their goals perhaps the greatest series of battles between the americans and indians was the northwest indian war 1785 1795 which took place in what was then known as the northwest territory and what today comprises the states of ohio and indiana on the one side was a modern army ready to conquer the land while on the other was a coalition of indian tribes who were much better organized and equipped than their adversary believed the result of the war proved to be a turning point not only in the history of the united states but also in native american history the highpoint of the war for the indians and the low point for the americans was a battle often referred to as the defeat of st clair for the american general who lost hundreds of men in a well organized massacre to indian forces led by chief little turtle the following book brings st clair s defeat to life in a way that has never been done before by using historical documents combined with native american tales to create a narrative that is as exciting as it is edifying truly once you read this book you will never look at american history in the same way

The Statistician and Economist 1878 a foreign affairs best book of 2022 marvelous spectator s gripping book helps us to understand why the legacy of these conflicts is still with us today sheila miyoshi jager new york times book review the end of world war ii led to the united states emergence as a global superpower for war ravaged western europe it marked the beginning of decades of unprecedented cooperation and prosperity that one historian has labeled the long peace yet half a world away in china indonesia vietnam korea and malaya the fighting never really stopped as these regions sought to completely sever the yoke of imperialism and colonialism with all too violent consequences east and southeast asia quickly became the most turbulent regions of the globe within weeks of the famous surrender ceremony aboard the u s s

missouri civil war communal clashes and insurgency engulfed the continent from southeast asia to the soviet border by early 1947 full scale wars were raging in china indonesia and vietnam with growing guerrilla conflicts in korea and malaya within a decade after the japanese surrender almost all of the countries of south east and southeast asia that had formerly been conquests of the japanese or colonies of the european powers experienced wars and upheavals that resulted in the deaths of at least 2 5 million combatants and millions of civilians with a continent erupts acclaimed military historian ronald h spector draws on letters diaries and international archives to provide for the first time a comprehensive military history and analysis of these little known but decisive events far from being simply offshoots of the cold war as they have often been portrayed these shockingly violent conflicts forever changed the shape of asia and the world as we know it today

History of Dearborn and Ohio Counties, Indiana 1885 in the long defeat akiko hashimoto explores the stakes of war memory in japan after its catastrophic defeat in world war ii showing how and why defeat has become an indelible part of national collective life especially in recent decades divisive war memories lie at the root of the contentious politics surrounding japan s pacifist constitution and remilitarization and fuel the escalating frictions in east asia known collectively as japan s history problem drawing on ethnography interviews and a wealth of popular memory data this book identifies three preoccupations national belonging healing and justice in japan s discourses of defeat hashimoto uncovers the key war memory narratives that are shaping japan s choices nationalism pacifism or reconciliation for addressing the rising international tensions and finally overcoming its dark history

A Short History of India and of the Frontier States of Afghanistan, Nipal, and Burma 1880 the eighteen missionaries who traveled to shansi were dedicated pious hard working clerics ernest atwater the young minister francis ward davis and his wife lydia charles wesley price and his family and susan rowena bird to name a few were all spurred by their strong beliefs but they were also quite ignorant of other countries and cultures often having to live in disease ravaged area of china and under harsh conditions they were repulsed by the native lifestyle and saw further need to change it brandt presents finely wrought portraits of these people detailing the lives of both the missionaries and thier converts their experiences in the interior province of shansi and their struggle in trying to spread christianity among people whose language they did not speak and whose traditions and customs they did not nderstand brandt s gripping narrative brings to light a penetrating and sincere study of the oberlin band of protestant missionaries and captures the essence of their daily life considered in a fair and honest context the descriptions are often taken directly from personal correspondence and journals this tragic story of the clash between two cultures is primarily the story of the missionaries six men seven women and five children their names appear on bronze tablets on the only monument in america ever erected to individuals who died in that uprising the memorial arch on the campus of oberlin college in oberlin ohio
