Minicam Photography 1941 catholicism was all over movie screens in 2004 mel gibson s the passion of the christ was at the center of a media firestorm for months a priest was a crucial character in the academy award winning million dollar baby everyone it seemed was talking about how religious stories should be represented marketed and received catholic characters spaces and rituals have been stock features in popular films since the silent era an intensely visual religion with a well defined ritual and authority system catholicism lends itself to the drama and pageantry of film moviegoers watch as catholic visionaries interact with the supernatural priests counsel their flocks reformers fight for social justice and bishops wield authoritarian power rather than being marginal to american popular culture catholic people places and rituals are all central to the world of the movie catholics in the movies begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies hundred year history of representing catholics each chapter is written by a noted scholar of american religion who concentrates on one movie engaging important historical artistic and religious issues each then places the film within american cultural and social history discusses the film as an expression of catholic concerns of the period and relates the film to others of its genre tracing the story of american catholic history through popular films catholics in the movies should be a valuable resource for anyone interested in american catholicism and religion and film

Catholics in the Movies 2007-12-24 during the mid 1950s when hollywood found itself struggling to compete within an expanding entertainment media landscape certain producers and studios saw an opportunity in making films that showcased performances by rock n roll stars rock stars eventually found cinema to be a useful space to extend their creative practices and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties indeed casting rock stars for film provided a tool for bridging new relationships across media industries and practices from elvis presley to madonna this book examines the casting rock stars in films in so doing rock star movie star offers a new perspective on the role of stardom within the convergence of media industries while hardly the first popular music culture to see its stars making the transition to screen the timing of rock s emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change at the same time a post star system film industry provided a welcoming context for rock stars who have valued authenticity creative autonomy and personal expression this book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new ideal media laborers whose power lies in the fact that they are rarely recognized as such combining star studies with media industry studies this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries it demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used

Rock Star/Movie Star 2020-06-30 the cinema and its shadow argues that race has defined the cinematic apparatus since the earliest motion pictures especially at times of technological transition in particular this work explores how racial difference became central to the resolving of cinematic problems the stationary camera narrative form realism the synchronization of image and sound and perhaps most fundamentally the immaterial image the cinema s shadow which figures both the material reality of the screen image and its racist past discussing early race subjects alice maurice demonstrates that these films influenced cinematic narrative in lasting ways by helping to determine the relation between stillness and motion spectacle and narrative drive the book examines how

motion picture technology related to race embodiment and authenticity at specific junctures in cinema s development including the advent of narratives feature films and sound in close readings of such films as the cheat shadows and hallelujah maurice reveals how the rhetoric of race repeatedly embodies film technology endowing it with a powerful mix of authenticity and magic in this way the racialized subject became the perfect medium for showing off shoring up and reintroducing the cinematic apparatus at various points in the history of american film moving beyond analyzing race in purely thematic or ideological terms maurice traces how it shaped the formal and technological means of the cinema

The Cinema and Its Shadow 2013-03-15 this richly detailed examination of two forms of american entertainment focuses on the various ways that radio stations and air personalities have been depicted in motion pictures from 1926 s the radio detective to more recent films like 2022 s halloween ends newly updated and revised chapters cover the cinematic portrayals of various aspects of radio including disc jockeys sports broadcasts religious programs and abnormal personalities on the air such films as the big broadcast 1932 reveille with beverly 1943 mister rock and roll 1957 wusa 1970 radio days 1987 private parts 1997 we are marshall 2006 and straight outta compton 2015 provide fascinating insights into not only their own times but also the historical eras that some of these films have attempted to recreate

The International Film Index, 1895-1990: Film titles 1991 the overview of television criticism which this book provides comes appropriately at a moment of change television is becoming dramatically different as a result of new and developing technologies such as cable hdtv satellite transmission and broadband distributions by concentrating on the still dominant notion of television what the authors call classical network television they argue that it is as important to understand this model as it is to understand classical hollywood cinema the co authors have a unique approach to the study of television viewing its history and reception not only through important articles about the medium but also through analyzing how hollywood auteur cinema has commented on television over the decades in films such as *tootsie* *network* *the last picture show* *a face in the crowd* *rollerball* *the king of comedy* and others not only does this reflect the pervasive use of cinema theory to discuss television it also helps to emphasize the importance of clarifying the distinctions between the criticisms of the two media television at the movies argues that the study of television is a crucial aspect of understanding our recent and contemporary culture and it provides an illuminating point of entry for students and researchers in the field

The Gentle Hearts 2022-11-04 mustafa kemal atatürk was not widely known when he led the national resistance movement in anatolia in 1919 however the effort and attention that his government devoted to the creation of his public image gradually turned him into a superhuman figure in the eyes of many film played a crucial role in the creation and dissemination of this image and helped atatürk to advance his project of building a new imagined community of the turkish nation but despite the impact of film and film making on the political and cultural life of early republican turkey there is almost no research that has analysed this footage atatürk on screen uncovers various film archives to reveal the significant albeit paradoxical role of film during this period enis dinç shows that while film making was crucial for the creation of atatürk s public image and the presentation of turkey s new modern image to the world it also posed risks as it could be re used re edited and re framed for the purposes of counter propaganda the main analysis in the book is of the film footage itself including rare contemporary cinematic sources which have never received comprehensive analysis before the book also makes use of other primary sources such as letters memoirs newspapers reports newsletters and production files providing readers with a multi layered account of the period
