a generous poignant memoir of loss family secrets and a quest to shape something  
beautiful out of the chaos of nature kirkus reviews just as alex and her husband buy a  
house in toronto set atop an acre of wilderness that extends into a natural gorge in the  
middle of the city she learns that her father a ukrainian born immigrant has died her  
new home s gigantic abandoned garden choked with weeds and crumbling antique  
structures resembles a wild jungle and it stirs cherished memories of alex s childhood  
when her home life became unbearable she would escape to the forest in her new  
home alex can feel the power of the majestic trees that nurtured her in her youth but  
as she begins to beat back the bushes to unveil the garden s mysteries her mother has  
a stroke and develops dementia when alex discovers an envelope of yellowed  
documents while sorting through her father s junk pile offering clues to her parents  
mysterious past she reluctantly musters the courage to uncover their secrets while  
discovering the plants hidden in the garden from primroses and maple syrup  
producing sugar maples to her mother s favorite lily of the valley she must come to  
terms with the circle of life around her and find the courage to tend to her own  
family s future the land is rife with unexpected delights a huge decaying pagoda  
underground aquifers a pond koi deer and all manner of vegetation as she restores the  
property and heals her long troubled soul risen paints a vivid and exquisite portrait of
