effective since china's resumption of sovereignty on 1 July 1997 the hong kong basic law lays down the general policies and system of government for hong kong under the one country two systems formula it guarantees hong kong a high degree of autonomy enshrines the rights and freedoms of residents and preserves a separate common law system with an independent judiciary this introduction traces the origins of the hong kong basic law and the concepts and legal issues that surround it

drawing on the experience of the first 15 years it then analyses the content of the hong kong basic law especially in relation to hong kong s political system the judiciary and human rights intended especially for students at all levels in law politics and other disciplines this book the only introductory guide of its kind to the subject will also appeal to the general reader interested in hong kong s experience under one country two systems danny gittings s introduction to the hong kong basic law makes a significant contribution to an important subject it is expressed in reader friendly terms the insights that it provides are of value not only to lawyers but also to the general public the hon mr justice kemal bokhary permanent judge of the hong kong court of final appeal 1997 2012 non permanent judge 2012 this well researched and very readable introduction explains the history practices and future of the basic law hong kong s key constitutional document it also explores how far the basic law is able to address the many political and legal issues now facing hong kong the book is suitable for a wide range of readers students of hong kong law at all levels will find it essential reading general readers with an interest in hong kong s governance will find in it a lucid and accurate guide and a timely one as the debate about implementing democracy intensifies professor fu hualing faculty of law university of hong kong many of us approach law books with trepidation but gittings a legal academic used to be a journalist and this shows in his ability to make the book accessible to the general reader the basic law will continue to be central to issues facing the city for years to come this book enables the reader to quickly acquire a much better understanding of them south china morning post as professor gittings points out in his book which includes a chapter on what might happen after hong kong s 50 year autonomy ends readability was a key aim acronyms are kept to a minimum and details set up neatly and comprehensively in footnotes so that the main text is kept as clean as possible hong kong
