written by some of the top seo practitioners out there this book can teach you what you need to know for your online business tony hsieh ceo of zappos com inc author of new york times bestseller delivering happiness the science of digital marketing explains the what how why where who of digital marketing in the most comprehensive way the book has 4 major sections which talk about 4 major pillars of digital marketing in today s world 1 search engine marketing google ads 2 social media marketing facebook ads 3 search engine optimization seo and 4 marketing automation each of these sections give a detailed account of important aspects of these channels the book provides an in depth analysis of different factors and parameters that come together to run a successful digital marketing campaign it talks about the working principles and the importance of each of these channels their campaign structure audience targeting budget and bidding strategy different campaign objectives and ad format supported by them and so on the science of digital marketing is an interactive book full of visual images infographics tables and illustrations this should make the read all the more fun while delivering the desired learning in the most accurate form happy learning a step by step guide to optimizing your website and blog posts for seo and rank in google have you ever wondered how websites end up on page 1 in google and why your site isn t there does it just happen is it luck do you need to know someone at google or are there actual techniques that can help you get to 1 the good news is there are the art of ranking in google is called seo and people who do it well make a lot of money why because the higher you rank the more people will visit your site potential customers the more money you can make seo is a form of internet marketing just like google or facebook ads yet a lot more effective and stable once set up and in the long run far less expensive for blogging purposes seo is next to kindle publishing the most effective strategy to grow an audience long term and also to market affiliate products monetize your site and you need to start from day 1 this is the one technique you cannot put off for later this book will take you as a complete novice and take you step by step through what seo is all about the main techniques and strategies to start ranking in google and how even as a total beginner you can start employing them from day 1 the pitfalls and dangers along the way google penalties how to structure your posts for optimal ranking chances how to structure your overall site for optimal google recognition basic but effective backlinking strategies social media implementation most of all this book will help you understand what it s really all about and why it is so important to employ seo techniques from day 1 this is the one technique you cannot put off till later and while you might feel overwhelmed in the beginning with all the new things to learn this book will make it painless and easy to get started with minimal time input go back to the top to purchase see your there transform your blog into an seo machine discover how you to optimize your blog for google seo and start ranking your website on the first page having trouble getting visitors to stay on your website having even more trouble trying to find visitors this book will tell you exactly what you need to do to attract web traffic that will convert rank number one on google and how to multiply your revenue in 30 days one of the best ways to capture web traffic is by having a great blog not all blogs are created equally and we are going to optimize yours to help you rank on google maybe you have a great product and you know you can make millions if you put it in front of the right people the problem is you don t know how who are these right people where do i find them how do i convince them to purchase how do i get myself in front of them someone told you to start with a blog and people will start coming yet you can t find your first 100 visitors you ve read all the blogging guides out there but they aren t teaching you how to write good articles or how to turn those articles into money making machines this bundle brings together two bestselling books seo for business 2019 and blogging for profit 2019 with the knowledge from both books you will be able to build
