African Realism?

2015-03-19

african realism explains africa s international conflicts of the post colonial era through international relations theory it looks at the relationship between africa s domestic and international conflicts as well as the impact of factors such as domestic legitimacy trade and regional economic institutions on african wars further it examines the relevance of traditional realist assumptions e g balance of power the security dilemma to african international wars and how these factors are modified by the exigencies of africa s domestic institutions such as neopatrimonialism and inverted legitimacy this study also addresses the inconsistencies and inaccuracies of international relations theory as it engages african international relations and especially its military history

Cancer in Africans: The Past, the Present, and the Future

2022-01-27
