Measure What Matters [Google](#) [OKR](#) 2018-10-15 since the first edition of this established text was published in 1988 action research has gained ground as a popular method amongst educational researchers and in particular for practising teachers doing higher level courses in this new edition jean mcniff provides updates on methodological discussions and includes new sections of case study material and information on supporting action research the book raises issues about how action research is theorised whether it is seen as a spectator discipline or as a real life practice and how practitioners position themselves within the debate it discusses the importance for educators of understanding their own work and showing how their educative influence can lead to the development of good orders in formal and informal learning settings and in the wider community this second edition comes at a time when after years of debate over what counts as action research it is now considered an acceptable and useful part of mainstream research practice

The Northwestern Reporter 1892 volume of the united states tax court reports containing case abstracts and opinions of the court regarding cases between july 1 2013 december 31 2013 cases in each volume are listed in the prefatory table the united states tax court is a federal trial court of

record established by congress under article i of the u s constitution section 8 providing in part that congress has the power to constitute tribunals inferior to the supreme court the tax court specializes in adjudicating disputes over federal income tax generally prior to the time at which formal tax assessments are made by the internal revenue service though taxpayers may choose to litigate tax matters in a variety of legal settings outside of bankruptcy the tax court is the only forum in which taxpayers may do so without having first paid the disputed tax in full parties who contest the imposition of a tax may also bring an action in any united states district court or in the united states court of federal claims however these venues require that the tax be paid first and that the party then file a lawsuit to recover the contested amount paid the full payment rule contents 8 findings of fact 8 background 8 john hancock s history9 investment process and review10 leasing10 lilo and silo transactions 10 basic structure 15 history 17 due diligence 18 the hoosier transaction 19 the lilo test transactions 20 obb lilo20 lease and sublease23 end of sublease term25 sncb 2 and sncb 5 lot 1 lilo transactions25 lease and sublease28 end of sublease term 28 the silo test transactions 29 tiwag29 lease and sublease33 end of sublease term35 two dortmund transactions35 lease and sublease38 end of sublease39 sncb silo39 grant and subgrant42 end of subgrant term 43 tax returns notices of deficiency and trial 43 procedural history48 trial 53 opinion 53 burden of proof53 principal place of business54 leveraged lease transactions54 frank lyon58 lilo and silo litigation 77 the test transactions 78 economic substance79 objective inquiry88 subjective inquiry89 substance over form91 obb and sncb lilo transactions110 silo test transactions 145 interest deductions 147 original issue discount 149 transaction expenses 149 conclusion note no further discounts for already reduced sale items keywords tax court reports reports of the united states tax court u s tax court reports united states tax court reports united states tax court u s tax court tax court

Lists and Indexes 1963 joint action essays in honour of john shotter brings together a cross disciplinary group of fifteen respected international scholars to explain the relevance of john shotter s work to emerging concerns in twenty first century social science shotter s work extends over forty years and continues to challenge conventional scientific thinking across a range of topics the disciplines and practices that shotter s work has informed are well established throughout the english speaking world this is the first publication to examine the importance of his influence in contemporary social sciences and it includes authoritative discussions on topics such as social constructionism democratic practice organisational change the affective turn and human relations the geographical diversity and disciplinary breadth of scholarly contributions imbues the book with international scope and reach joint action presents a contemporary reflection on shotter s work that demonstrates its influence across a range of substantive topics and practical endeavours and within disciplines including management studies and philosophy as well as psychology as such it will appeal to researchers and postgraduate students of social sciences and related disciplines as well as to those who have heard of shotter s work and want to know more about its utility and value in relation to their own research or practice
