classical rhetorical techniques can enhance the persuasiveness of supreme court opinions by making their language clear lively and memorable this book focuses on three techniques invention creation of arguments arrangement organization and style word choice in the work of oliver wendell holmes jr robert jackson hugo black william brennan and antonin scalia respectively the justices featured here contributed to the court s rhetorical

legacy in different ways but all five rejected the magisterial opinion style of the eighteenth and nineteenth centuries in favor of a more personal and conversational format as a result their opinions have endured and even modern readers who cannot recall the justices names understand and embrace the ideas expressed in their legal writings and apply those ideas to current debates practicing lawyers professors and students can use this book to study legal writing techniques and make their own writing more persuasive
