Japan's Dream Of World Empire - The Tanaka Memorial 2015-04-24 excerpt from a fantasy of far japan or summer dream dialogues in the following pages i have depicted certain japanese ideals and notions as well as some historical facts which seemed likely to interest those of the sympa thetic western public who may be inclined to study the mental side of japan about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Amanda's Dream (Japanese English Bilingual Children's Book) 2022-11-03 in 1990 author kyoko mori returned to her native japan to visit the landscape of my childhood there looking for the house in which her mother killed herself running on land that was once water and retracing childhood train trips to her grandparents farm she relived the memories and uncovered the secrets that unlocked her past in the dream of water a series of chapters that are themselves small perfections she leads us to the larger happiness of an autobiography that is also a work of art japan is the land mori fled as a teenager seeking to escape from her cold abusive father and her manipulative stepmother it is the country she spend her adult life putting behind her but it is also her homeland as she searches through familiar neighborhoods and on distant islands she is constantly aware of the culture she abandoned and the one she has adopted pushed by the sights and sounds of contemporary japan into her interior world of memory and dreams she also looks out toward the daylight land of america a personal journey of discovery that is also an exploration of national difference the dream of water explores intimate emotions that reveal profound cultural truths

Ten nights of dreams 2015-07-07 the japanese home has always attracted western architects and designers with a panache that often borders on the outrageous modern homes in japan blend such traditional elements as shoji screens and tatami matted rooms with what appears at first glance to be the thoroughly contemporary elements of the western home and yet a closer scrutiny reveals impressively subtle touches carefully crafted wooden surfaces throughout the home gleam with a delicate japanese sense of color and rhythm the kitchen and living areas are outfitted with modern appliances or furniture yet the subtle variations in the wall placement and space usage suggest that a different sensibility is at work here azby brown in his third book on the architecture of japan delves into the intricacies of the modern japanese home by first reaching back some thousand years to its roots to follow its development to the present day he then steams ahead to explore the state of the art japanese home with its recycled materials extruded 30 foot long woodlike stairway handrails and dozens of other unique touches in page after page of this lushly illustrated full color volume brown presents his take on japan s ultra chic high tech yet serene home designs the japanese dream house is one of the first english language books to appear on the subject and is sure to prove an indispensable idea book for architects designers and homeowners for years to come

Amanda's Dream 2014-07-29 this book is a collection of articles by one of the leading scholars in japanese thought dealing with three areas of japanese philosophy and religion dôgen s zen view of liberation including the key doctrines of casting off body mind being time and spontaneous manifestation of the kôan the relation between buddhism literary aesthetics and folk religion and a comparison of japanese and western thought particularly heidegger on science language and death the central theme throughout these essays is the meaning of time

and impermanence in japanese religion and culture based on buddhist contemplation the book s title refers to a phrase used by dôgen the dramatist chikamatsu and others that plays on the twofold image of dream representing either the fleeting world of illusion or the nonsubstantial realm of ultimate reality one of the articles is a new annotated translation of dôgen s shôbôgenzô muchû setsumu disclosing a dream within a dream fascicle other essays offer novel interpretations of chikamatsu and kyoto school thinkers kuki shûzô and nishitani keiji in addition to japanese folk religion

The Dream of Water 1905 in july 1863 the photographer felice beato arrived at the port city of yokohama in japan he was only 31 years old but had already established himself as a pioneering figure in the then nascent field of photography as the first ever war correspondent and as one of the earliest chroniclers of east asia having already documented the indian rebellion of 1857 and the second opium war in china if these latter works had seemed to celebrate imperial power beato s japan photographs marked a venture into another realm entirely beato s portraits of geishas in magnificent kimonos samurai sumo wrestlers and scenes of everyday life and landscapes portrayed the country and its people entirely without condescension the dignity and grace of his photographic style as well as his hand tinting of his images made an enormous impact on edo era japanese photographers who found analogies to traditional japanese woodblock prints in the composition of his images and beato established a whole school and style at the close of the nineteenth century this marvelous and magnificently oversize volume presents an overview of this style known as the yokohama school with beautifully reproduced images by beato and many others japanese dream also records the last embers of a waning culture just prior to modernity publisher s blurb

The Japanese Dream House 1934 i m here to take you to live with your father in tokyo japan happy birthday in the land of the rising sun where high culture meets high kitsch and fashion and technology are at the forefront of the first world's future the foreign born teen elite attend ics the international collegiate school of tokyo their accents are fluid their homes are ridiculously posh their sports games often involve a private plane trip to another country they miss school because of jet lag and visa issues when they get in trouble they seek diplomatic immunity enter foster kid out of water elle zoellner who on her sixteenth birthday discovers that her long lost father kenji takahara is actually a japanese hotel mogul and wants her to come live with him um yes please elle jets off first class from washington dc to tokyo which seems like a dream come true until she meets her enigmatic father her way too fab aunt and her hyper critical grandmother who seems to wish elle didn t exist in an effort to please her new family elle falls in with the ex brats a troop of uber cool international kids who spend money like it s air but when she starts to crush on a boy named ryuu who s frozen out by the brats and despised by her new family her already tenuous living situation just might implode my almost flawless tokyo dream life is about learning what it is to be a family and finding the inner strength to be yourself even in the most extreme circumstances

A Fantasy of Far Japan 1991 in this empowering deconstruction of the so called american dream a twelve year old japanese american girl grapples with and ultimately rises above the racism and trials of middle school she experiences while chasing her dreams as the daughter of immigrants who came to america for a better life annie inoue was raised to dream big and at the start of seventh grade she s channeling that irrepressible hope into becoming the lead in her school play so when annie lands an impressive role in the production of the king and i she s thrilled until she starts to hear grumbles from her mostly white classmates that she only got the part because it s an asian play with asian characters is this all people see when they see her is this the only kind of success they II let her have one that they can tear down or use race to belittle disheartened but determined annie channels her hurt into a new dream showing everyone what she s made of waka t brown author of while i was away delivers an uplifting coming of age story about a japanese american girl s fight to make space for herself in a world that claims to celebrate everyone s differences but doesn t always follow through

suematsu is a fascinating collection of essays that provide readers a vibrant glimpse into the wealthy tapestry of japanese lifestyle lifestyle and folklore through a series of captivating dialogues set against the backdrop of a dreamlike summer time landscape suematsu takes readers on a journey via the landscapes of japan each actual and imagined the book transports readers to a realm where the limits between fact and myth blur allowing them to explore timeless issues along with love honor and the fleeting nature of lifestyles each communicate is a miniature masterpiece weaving together elements of japanese mythology records and philosophy to create a charming tapestry of imagination from the serene beauty of cherry blossoms in bloom to the haunting allure of ancient temples hidden in mist shrouded mountains suematsu s prose captures the essence of japan s cultural background with grace and beauty through his evocative storytelling and lyrical prose suematsu invitations readers to immerse themselves inside the magic of far japan where goals and truth intertwine in an enchanting dance of the imagination

Japanese Dream 2018-12-04 this is a book about space on a first level it reflects traditional japanese ideas of space against various items of western culture among these items are bakhtin s dialogicity wittgenstein s lebensform and virtual space or globalized space as representatives of the latest development of an alienated modern spatial experience some of the western concepts of space appear as negative counter examples to basho like japanese places others turn out to be compatible with the japanese idea of space on a second level the book attempts to synthesize by constantly transgressing the limits of a purely comparative activity a quantity which the author believes to be existent in japanese culture that is called the virtual be it kuki shûzô s hermeneutics of non foundation or his ontology of dream nishida kitarô s virtual definition of the body of state or kimura bin s notion of in between aida that is so closely associated with the virtual space of noh plays what all these conceptions have in common is that they aim to transcend a flat notion of reality by developing the virtual as a complex ontological unity

My Almost Flawless Tokyo Dream Life 1977-01-01 the redress movement refers to efforts to obtain the restitution of civil rights an apology and or monetary compensation from the u s government during the six decades that followed the world war ii mass removal and confinement of japanese americans early campaigns emphasized the violation of constitutional rights lost property and the repeal of anti japanese legislation 1960s activists linked the wartime detention camps to contemporary racist and colonial policies in the late 1970s three organizations pursued redress in court and in congress culminating in the passage of the civil liberties act of 1988 providing a national apology and individual payments of 20 000 to surviving detainees
