Vietnam Firebases 1965-73

2020-12

artillery fire support bases of the freeworld forces played a critical role in the conduct of operations during the vietnam war they served to lay down high volume fire on enemy firing sites supported friendly infantry operations and executed harassing fire missions where exact targets were not known but the firebases themselves which housed a range of other facilities such as troop shelters surveillance radars and command centers had to be defended against ground attack and as a result became significant fortifications in their own right this book describes the design development and operational history of the fire support bases throughout the conflict

Caen 1944

2012-10-20

one of the key objectives of british forces on d day was the capture of the strategically vital city of caen general montgomery saw caen as the key to normandy and the springboard for the allied breakout but so did the germans and the city did not fall it took three major offensives and more than 30 bloody days of struggle to finally take caen in the process the city was controversially devastated and its civilian population decimated the allies paid a high price for caen but the horrific german casualties bled their forces in normandy white in this concise illustrated volume ken ford shows how caen helped open the way for the american breakout in operation cobra

Iraq Full Circle

2022-06-06

u s army ltc darron wright and former u s coast guard officer mike walling join

forces to detail a complete unique history of the iraq war through first hand street level accounts of the key events and battles that shaped the conflict from 2003 through 2010 more than 200 000 men and women were deployed in iraq for seven years they fought ferociously in the blistering sands in the land between the two rivers some fought for pride or survival some to bring democracy to a forsaken land that has known only tyranny and strife scores of books have been published about the war most criticizing the strategies and execution some have been personal memoirs capturing the heroism and sacrifice here u s army ltc darron wright a proven combat leader joins forces with author mike walling to lift the veil on the iraq war revealing the build up of troops the equipping training and planning the capture of saddam hussein the formation of the new government and the last patrol through vivid stories and military documents this provides readers with a first hand of the full conflict

US Anti-tank Artillery 1941–45

2011-11-05

the us army s development of the 37mm anti tank gun began in response to needs identified during the spanish civil war by the time it entered service in tunisia in 1943 the gun was already obsolete and the us began the licensed manufacture of the british 6 pdr in the hope of finding a quick solution to its artillery requirements this in turn proved unequal to the demands of warfare in france in 1944 and further anti tank measures were developed rocket propelled grenades for infantry use and weapons designed specifically for use by the tank destroyer force

0 Livro

2014-11
