Journal of the Senate, Legislature of the State of California 1942

the commentary on the treaty on the functioning of the european union four volumes is a major european project that aims to contribute to the development of ever closer conceptual and dogmatic standpoints with regard to the creation of europeanised research on union law following on from the commentary on the treaty of the european union this book presents detailed explanations article by article of all the provisions of the tfeu discussing the application of union law in the national legal orders and its interpretation by the court of justice of the eu the authors are academics and practitioners

from twenty eight european states and different legal fields some from a constitutional law background others experts in the field of international law and eu law reflecting the various approaches to european legal culture this book promotes a system concept of european union law toward more unity notwithstanding its rich diversity grounded in national traditions

Journal of the Assembly, Legislature of the State of California 1942

this volume is the first in a new series of studies on the frontiers of international law the term frontier is traditionally associated with proximity to a boundary or a demarcation line but it is also a connecting point i e a passage or channel between spaces that are usually considered as separate entities the series aims to explore the visible and imaginary boundaries of scholarship in international law it is designed to test the existing table of contents vocabulary and limits of public international law to investigate lines and linkages between centre and periphery and to re map or re think some of its conceptual boundaries the current volume is written in this spirit it deals with the tension between unity and diversification which has gained a central place in the debate under the label of fragmentation it explores the meaning articulation and risks of this phenomenon in a specific area international criminal justice it brings together established and fresh voices who analyse different sites and contestations of this concept as well as its context and specific manifestations in the interpretation and application of international criminal law the volume thereby connects discourse on fragmentation with broader inquiry on the merits and discontents of legal pluralism in public international law

Federal Power Commission Reports 1954

this book provides a thorough evaluation of the complex relationship between legitimate expectations and the protection of property guaranteed by article 1 of protocol no 1 to the european convention on human rights to set the context the book first gives a brief but comprehensive analysis of property rights from ancient greek times until now subsequently it compares the protection of legitimate expectations with its underlying principles in other legal orders the book addresses three main research questions what are the conditions for the creation and protection of legitimate expectations in the context of article 1 of protocol no 1 what roles do confidence detriment and fair balance play in that context what purposes do legitimate expectations fulfill in the context of article 1 of protocol no 1 to answer these questions the book offers an extensive analysis of the european court of human rights case law related to legitimate expectations under article 1 of protocol no 1 the book collects and lists the main misunderstandings with respect to legitimate expectations in cases brought before the european court of human rights the conclusion assesses the major results and paves the way for future debate about the doctrine of legitimate expectations under article 1 of protocol no 1
