Compendium of Chronicles 1999 like an ancient river Daoist traditions introduced from China once flowed powerfully through the Japanese religious landscape forever altering its topography and ecology Daoism's presence in Japan still may be discerned in its abiding influence on astrology divination festivals literature politics and popular culture not to mention Buddhism and Shintō despite this legacy few English language studies of Daoism's influence on Japanese religious culture have been published Daoism in Japan provides an exploration of the particular pathways by which Daoist traditions entered Japan from continental East Asia after addressing basic issues in both Daoist studies and the study of Japanese religions including the problems of

defining daoism and japanese the book looks at the influence of daoism on ancient medieval and modern japan in turn to do so the volume is arranged both chronologically and topically according to the following three broad divisions arrivals c 5th 8th centuries ce assimilations 794 1868 and apparitions 1600s present the book demonstrates how chinese influence on japanese religious culture ironically proved to be crucial in establishing traditions that usually are seen as authentically even quintessentially japanese touching on multiple facets of japanese cultural history and religious traditions this book is a fascinating contribution for students and scholars of japanese culture history and religions as well as daoist studies

The Video Librarian 2004

Daoism in Japan 2015-05-01 kicking off one of the most celebrated series in fantasy literature and introducing thomas covenant the legendary antihero who is about to start a dark adventure like no other he called himself thomas covenant the unbeliever because he dared not believe in the strange alternative world on which he suddenly found himself the land but the land tempted him as a leper in his own world he had been an outcast unclean a pariah now he was regarded as a saviour the reincarnation of the land s greatest hero berek halfhand only the mystic powers of the white gold he carried could protect the lords of the land from the ancient evil of the despiser lord foul yet thomas covenant had no idea how those powers could be tapped readers love lord foul s bane it has to be one of the strangest most frightening and surrealistic fantasy worlds ever created stephen r donaldson is my unsung hero of fantasy greatness he is up there with the best goodreads reviewer thomas covenant is a character unlike most you ll probably see in other fantasy stories if you are interested in high fantasy stories a colourful setting rich in magic and lore and enjoy broken main characters this could be a great title for you goodreads reviewer what i loved most about these stories that nothing was easy or assured for the hero he was his own worst enemy yet i rooted for thomas goodreads reviewer i remember thinking at the time that for as much as i liked the lotr the bad guys just weren t bad

enough lord foul s bane answered those issues and then some goodreads reviewer a classic in the genre that is quite unlike anything i ve read before believable and fascinating despite being disturbing at times goodreads reviewer there are scenes in this series that literally had me in tears they were so moving and other scenes that made me put down the book in utter amazement it will take your breath away goodreads reviewer
