A Migration Legend of the Creek Indians

1884

it was on the frontier where civilized men and women confronted the wilderness that europeans first became americans or so authorities from frederick jackson turner to theodore roosevelt claimed but as the frontier disappeared americans believed they needed a new mechanism for fixing their collective identity and they found it historian molly k varley suggests in tales of white americans held captive by indians for americans in the progressive era 1890 1916 these stories of indian captivity seemed to prove

of national expansion had been justified that citizens individual suffering had been heroic and that settlers contact with indians and wilderness still characterized the nation s soul furthermore in the act of memorializing white indian captives through statues parks and reissued narratives small towns found a way of inscribing themselves into the national story by drawing out the connections between actual captivity captivity narratives and the memorializing of white captives varley shows how indian captivity became a means for progressive era americans to look forward by looking back local boosters and cultural commentators used indian captivity to define americanism and to renew those frontier qualities deemed vital to the survival of the nation in the post frontier world such as individualism bravery ingenuity enthusiasm manliness and patriotism in varley s analysis of the progressive era mentality contact between white captives and indians represented a stage in the evolution of a new american people and affirmed the contemporary notion of america as a melting pot revealing how the recitation and interpretation of these captivity narratives changed over time with shifting emphasis on brutality gender and ethnographic and historical accuracy americans recaptured shows that tales of indian captivity were no more fixed than american identity but were consistently used to give that identity its own useful ever evolving shape

A Migration Legend of the Creek Indians

2020-07-26

this is a rare book of keen observation respect and in some instances even affection for native americans of his time it s a good bet his editor or the marketing department had something to do with the language general oliver o howard commanded union forces in the american civil war and lost his right arm at the battle of fair oaks in 1862 after recovery he continued in important commands including the army of the tennessee he fought at the battle of gettysburg in 1863 for nine years after the civil war he was commissioner of the freedmen s bureau and worked to integrate free african americans into southern society howard was also a leader in promoting higher education for freedmen most personally in
