The Judicial Role in a Diverse Federation 2016-01-01 in the judicial role in a diverse federation robert schertzer uses the example of the supreme court of canada to examine how apex courts manage diversity and conflict in federal states schertzer argues that in a diverse federation where the nature of the federal system is contested the courts should facilitate negotiation between conflicting parties rather than impose their own vision of the federal system drawing on a comprehensive review of the supreme court federalism jurisprudence between 1980 and 2010 he demonstrates that the court has increasingly adopted this approach of facilitating negotiation by acknowledging the legitimacy of different understandings of the canadian federation this book will be required reading both for those interested in canada s supreme court and for those engaged in broader debates about the use of federalism in multinational states

Courts in Federal Countries 2017-01-01 courts in federal countries examines the role high courts play in thirteen countries including australia brazil canada germany india nigeria spain and the united states National Federation Court and Field Diagram Guide 1992 in october 2015 the federal liberals came to power with sweeping plans to revamp canada s democratic and federal institutions a modernizing agenda intended to revitalize canada s democratic architecture the centrepiece of the agenda was the replacement of canada s first past the post electoral system but they also promised to revitalize relations with the provinces bring indigenous peoples into the intergovernmental fold and to change the ways in which senators and supreme court justices are appointed how has the reform agenda faired has it resulted in a more effective and democratic set of political and federal institutions or has it largely failed to deliver on these objectives what more broadly is the state of canada s democratic and federal institutions the queen s institute of intergovernmental relations used the occasion of canada s 150th birthday to examine these pressing issues the 2017 volume in the state of the federation series focuses on enduring questions about the functioning of federalism and intergovernmental relations in canada including how we should evaluate the quality of canada s institutions and practices in light of our federal structure and how current institutional arrangements and their possible alternatives fare according to these criteria

Canada: The State of the Federation 2017 2019-10-16 enforcement of foreign arbitral awards in russia presents issues peculiar to the russian legal system and legal culture generally the culmination of perhaps years of arbitration enforcement of arbitral awards is a crucial element of arbitration and a subject best not taken lightly or left to the last minute the enforcement of foreign arbitral awards in russia parses the judgments of russian courts with a particular focus on the decision making processes of russian judges as reflected in their judgments the enforcement of foreign arbitral awards in russia addresses several questions such as which russian courts enforce awards and what are they like what laws treaties and rules apply how do the courts reach their decisions do those courts sometimes reach anomalous conclusions what should an applicant for enforcement watch out for what are the common pitfalls with the help of enforcement of foreign arbitral awards in russia non russian readers will be able to ask intelligent questions earlier rather than later of the local counsel who will be making an application for enforcement in the russian courts

Law and Legal System of the Russian Federation 2000 the digest of judgments of the supreme court of nigeria djscn is a legal practice book which is a comprehensive compendium of nigerian case law at the apex level of the nigerian judiciary the djscn is produced in four volumes which comprise the judgments of the supreme court of nigeria for over a period of forty three years the first and second volumes cover the judgments of the supreme court on practice and procedure courts criminal law and procedure and evidence the last two volumes cover contemporary issues in different branches of law

The Plan for a British Caribbean Federation 1956 a timely examination of the un convention on the rights of persons with disabilities this first thorough comparative analysis contrasts the approaches of thirteen jurisdictions to reveal a legal area of growing importance

Enforcement of Foreign Arbitral Awards in Russia 2014-08-01 offers a more complex and nuanced understanding of the Russian justice system than stereotypes and preconceptions lead us to believe. *The Digest of Judgments of the Supreme Court of Nigeria* 2017-08-16 United Arab Emirates Court of Cassation judgments provides for the first time in any language summaries of key decisions of the courts of cassation supreme courts of Dubai and Abu Dhabi in the United Arab Emirates from 1998-2003. These decisions concern questions of jurisdiction, conflict of laws, banking, insurance, maritime law, arbitration, and commerce in general and will be of major relevance and interest to all entities and their legal advisors doing business in and with the United Arab Emirates. The essence of each decision is first set out in a few lines and then explained in more detail, though still in a summarized format that is readily assimilable by the businessman as well as the lawyer. The book does much to reveal the workings, attitudes, and jurisprudence of the United Arab Emirates courts, an area often of mystery to businessmen.

The Eclectic Magazine of Foreign Literature, Science, and Art 1871: The important theme what is sports law was the topic of the international conference on the concept of *lex sportiva* revisited, which took place in Jakarta in late 2010. Academics and practitioners are still in debate to agree on this concept, as is evident in this book. This book not only contains the worked-out contributions of this conference but also other related chapters on the subject. It produces a reassessment of the content of sports law and its terminology, keeping a close eye on the current literature. The book appears in the *Asser International Sports Law Series* under the editorship of Prof. Dr. Robert Siekmann, Dr. Janwillem Soek, and Marco van der Harst II.

Country Reports on Human Rights Practices 1995: World Criminal Justice Systems, ninth edition, provides an understanding of major world criminal justice systems by discussing and comparing the systems of six of the world's countries, each representative of a different type of legal system. An additional chapter on Islamic law uses three examples to illustrate the range of practice within sharia. Political, historical, organizational, procedural, and critical issues confronting the justice systems are explained and analyzed. Each chapter contains material on government, police, judiciary, law, corrections, juvenile justice, and other critical issues. The ninth edition features an introduction directing students to the resources they need to understand comparative criminal justice theory and methodology. The chapter on Russia includes consideration of the turmoil in post-Soviet successor states, and the final chapter on Islamic law examines the current status of criminal justice systems in the Middle East.

The UN Convention on the Rights of Persons with Disabilities in Practice 2018: The open access publication of this book has been published with the support of the Swiss National Science Foundation. Are unilateral economic sanctions legal under public international law? How do they relate to the existing international legal principles and norms? Can unilateral economic sanctions imposed to redress grave human rights violations be subjected to the same legal contestations as other unilateral sanctions? What potential contribution can the recently formulated doctrine of common concern of humankind make by introducing substantive and procedural prerequisites to legitimise unilateral human rights sanctions? Unilateral sanctions in international law and the enforcement of human rights by Iryna Bogdanova addresses these complex questions while taking account of the burgeoning state practice of employing unilateral economic sanctions.

Russia Automobile Industry Directory - Strategic Information and Contacts 2009-03-30: Derived from the renowned multi-volume international encyclopaedia of laws, this practical analysis of sports law in Croatia deals with the regulation of sports activity by both public authorities and private sports organizations. The growing internationalization of sports inevitably increases the weight of global regulation, yet each country maintains its own distinct regime of sports law and its own national and local sports organizations. Sports law at a national or organizational level thus gains a growing relevance in comparative law. The book describes and discusses both state-created rules and autonomous self-regulation regarding the variety of economic, social, commercial, cultural, and political aspects of sports activities. Self-regulation manifests itself in the form of by-laws and encompasses organizational

provisions disciplinary rules and rules of play however the trend towards more professionalism in sports and the growing economic social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities this form of regulation appears in a variety of legal areas including criminal law labour law commercial law tax law competition law and tort law and may vary following a particular type or sector of sport it is in this dual and overlapping context that such much publicized aspects as doping sponsoring and media and responsibility for injuries are legally measured this monograph fills a gap in the legal literature by giving academics practitioners sports organizations and policymakers access to sports law at this specific level lawyers representing parties with interests in croatia will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative sports law

United States Reports 1994 on may 15 1919 workers from across winnipeg ranging from metal workers to telephone operators united to spark the largest worker revolt in canadian history even the winnipeg police voted to join the strike although they remained on duty at the request of the strike committee in order to prevent martial law approximately 30 000 workers walked off the job over the next six weeks and the city was overtaken by lively demonstrations and marches in what the media the city s leaders and the federal government called a bolshevik uprising the clash ended violently when rcmp on horseback charged and shot into a crowd of striking workers resulting in deaths beatings and arrests the strike was called off and workers returned to their jobs without having earned the rights to higher wages and collective bargaining following the strike union leaders published this account of the events leading up to and during the strike their volume is the most significant primary source describing the workers experience of the strike this book offers the full document in its original format along with an introduction to the 1974 edition by labour historian and activist norman penner his essay has had a major impact on later research this volume also includes a new introduction by historian christo aivalis discussing how the lessons learned in 1919 remain relevant today also included in this book are the key documentary photographs of strike events including a minute by minute sequence showing the final rcmp fatal assault on the strikers

A Sociology of Justice in Russia 2018-07-12 the content of this book is an outcome of my personal experience of visiting various courts i prepared some introductory details and submitted one article book before the hon prime minister shri modiji which is pending with the supreme court of india for study

United Arab Emirates Court of Cassation Judgments 1998 - 2003 2004-12-01 this is basically a textbook for the national college of the state judiciary course on courts and the community it is already apparent that it will have a broader use its goal is to make judges aware of the opportunities they have to influence the way people feel and think about our judicial system preface

Lex Sportiva: What is Sports Law? 2012-01-19 while football does not generate discriminatory behaviour it often replicates the very same social issues that concern any given society evidently football has witnessed an alarming increase in the number of disturbing incidents on the grounds of racism ethnocentrism sectarianism homophobia and sexism given the variety of forms that discrimination can take it is imperative that football addresses with effect all such anti social phenomena in order to continue to promote notions pertaining to social inclusion equality and cultural diversity all central to the game s philosophy and overall popularity assessing the nature and causes of discrimination in football is key to identifying the much needed remedies but also because discrimination poses a serious challenge to long established practices deeply rooted in democracy discrimination in football provides a comprehensive and in depth investigation into these key issues affecting football today this new book will appeal to academics and students with an interest in social science law sport and humanities as well as football fans and professionals in the football industry

World Criminal Justice Systems 2015-10-30 this book addresses the basic theory of criminal procedure in china together with recent reforms balancing the powers of public security and judicial organs with the rights of individual citizens it assesses the nature of chinese criminal proceedings in the basic theoretical

Unilateral Sanctions in International Law and the Enforcement of Human Rights 1963 citizenship policies are changing rapidly in the face of global migration trends and the inevitable ethnic and racial diversity that follows the debates are fierce what should the requirements of citizenship be how can multi ethnic states forge a collective identity around a common set of values beliefs and practices what are appropriate criteria for admission and rights and duties of citizens this book includes nine case studies that investigate immigration and citizenship in australia the baltic states canada the european union israel mexico russia south africa and the united states this complete collection of essays scrutinizes the concrete rules and policies by which states administer citizenship and highlights similarities and differences in their policies from migrants to citizens the only comprehensive guide to citizenship policies in these liberal democratic and emerging states will be an invaluable reference for scholars in law political science and citizenship theory policymakers and government officials involved in managing citizenship policy in the united states and abroad will find this an excellent accessible overview of the critical dilemmas that multi ethnic societies face as a result of migration and global interdependencies at the end of the twentieth century

Statutory Instruments 1933 the 2006 world cup final between italy and france was a down and dirty game marred by french superstar zidane s head butting of italian defender materazzi but viewers were also exposed to the poetry force and excellence of the italian game as operatic as verdi and as cunning as machiavelli it seemed to open a window into the italian soul john foot s epic history shows what makes italian soccer so unique mixing serious analysis and comic storytelling foot describes its humble origins in northern italy in the 1890s to its present day incarnation where soccer is the national civic religion a story that is reminiscent of gangs of new york and a clockwork orange foot shows how the italian game

like its political culture has been overshadowed by big business violence conspiracy and tragedy how demagogues like benito mussolini and silvio berlusconi have used the game to further their own political ambitions but winning at all costs also celebrates the sweet moments the four world cup victories the success of juventus inter milan ac milan the role soccer played in the resistance to nazism and the great managers and players who show that italian soccer is as irresistible as italy itself

Investigation of So Called "rackets", 2017-04-24 international organizations are increasingly operating across borders and engaging in legal transactions in virtually all jurisdictions this makes familiarity with the applicable law and practice imperative for both international organizations and those who engage in legal relations with them furthermore the issue of whether how and to what extent domestic courts take into account decisions of foreign and international courts and tribunals in their own decision making has become increasingly important in recent years this book provides a comprehensive empirical study of this transnational judicial dialogue focusing on the law and practice of domestic jurisdictions concerning the legal personality privileges and immunities of international organizations it presents a selection of detailed country by country studies examining the manner of judicial dialogue across domestic jurisdictions and between national and international courts the approach taken in this book intersects with three highly topical areas of international legal scholarship the rapidly evolving law of international institutions the burgeoning research into the role of domestic courts in the international legal system and the recent rise of empirically oriented legal scholarship utilizing our s international law in domestic courts database the book presents analysis of little known cases which have real international significance illustrating the impact and extent of transnational judicial dialogue in the international legal system the book provides important perspectives on the evolution and status of the law of immunity of international organizations and contributes to the understanding of relationships between national courts and between national and international courts
