*Equity Warriors* 2022-01-21 advance equity by learning to crack the system's codes we must act now using what we already know to advance equity and raise the achievement of every student with three decades of leading equity work across the country george s perry jr issues a call to action for educational leaders who are willing to fight the fight for equity for all students school and district leaders will encounter roadblocks as they enact systemic change but equity warriors introduces practical realistic and strategic approaches for navigating those barriers equity warriors equips education leaders with the moves they can make today to achieve the vision that every student becomes a high achiever by providing real school and district examples of systemic equity efforts demonstrating the parallel work that school and district teams must do to achieve and sustain systemic change cracking the codes in the domains of politics diplomacy and warfare to achieve the equity agenda equity warriors is a must read for leaders at all levels of the system who have chosen to be in this fight and are ready to do what it takes to make the system work for all students

**Shadow Warriors** 2011-09-20 no american military unit can claim as colorful and volatile a history as the rangers who have led the way in america's wars for well over 300 years this book traces the rangers from the time of robert rogers during the french indian war of the 18th century to the most recent combat operations in iraq with a focus on today's army rangers who combine the rugged individualism of american frontiersmen with the finely honed ability to operate as a close knit team wreaking havoc behind enemy lines this fascinating volume incorporates many first hand accounts of dramatic ranger actions by the combatants themselves

**Warriors of Medieval Japan** 2011-09-20 driven by strict codes of honour and bound by deep allegiances of rank family or religion the elite warriors of medieval japan were bold fighters loyal comrades and deadly enemies with rare material from japanese sources and lavish artwork and photography this book examines the military lives beliefs and battle experience of four formidable warrior types samurai ninja warrior monk and ashigaru foot soldier resulting in a highly authoritative account of japan's warrior elite warriors of medieval japan combines material previously published as warrior 29 ashigaru 1467 1649 warrior 64 ninja ad 1460 1650 and warrior 70 japanese warrior monks ad 949 1603 with an added section on samurai additional images and an updated introduction and conclusion

**Mau-Mau Warrior** 2013-02-20 the mau mau uprising 1952 60 remains a controversial conflict waged by warriors about whom many myths have been formed but little truth has been written condemned by history as a brutal rag tag force engaged in oath taking cannibalism and witchcraft the military activities of the mau mau have long been overlooked although their skill organization and unique motivation forced the british government to undertake the longest airlift in military history and to deploy extensive force at a cost of almost 60 million before it could claim victory this book reveals the real men and women behind the mau mau the truth behind the oaths that bound them together and how they became a powerful force paving the way for kenya's independence

*Honourable Warriors* 2014-04-30 in 2009 major richard streatfeild and his men fought for six months against the taliban in sangin northern helmand they were engaged in over 800 fire fights they were the target of more than 200 improvised explosive devices ten men in his company were killed 50 were wounded this is their story and it is the story from the front line of western intervention in afghanistan his graphic personal account gives an inside view of the physical psychological and political battle to come to terms with severe casualties and the stress of battle while seeking the support of the local population it is also an account of strategy being turned into action of the essential interplay of the personal and professional in the most testing of circumstances he describes the day to day operations and he provides a fascinating record of the taliban's guerrilla tactics and the british response to them his narrative gives a direct insight into the experiences of soldiers who had to face down their fear throughout a prolonged tour of duty on the afghan battlefield his narrative is essential reading for anyone who cares to understand the nature of the war in afghanistan and how the odds are stacked against the army's success for the british intervention in helmand is a microcosm of the nato led mission launched against the taliban and al qaeda as seen in the daily mail the guardian the mail on sunday sussex express and the argus featured on bbc radio 4 the today programme and on bbc south east television

*Girl Warriors* 2021-04-06 it gives me true hope to read about the phenomenal young women of girl warriors their fierce commitment to the future of our precious planet is as inspiring as it is vital kate schatz new york times bestselling author of rad american women a z and rad women worldwide 2021 skipping stones honors book in nature and ecology girl warriors how 25 young activists are saving the earth tells the stories of 25 climate leaders under age 25 they've led hundreds of thousands of people in climate strikes founded non profits given ted talks and sued their governments these young eco activists present a hopeful picture of the future of environmentalism these fearless girls and young women from all over the world are standing up to demand change when no one else is

*Warriors Who Do Not Fight* 2018-06-16 in september 2015 the world woke up to the fact that people seeking refuge from war and persecution were drowning by their thousands in the mediterranean from sub saharan africa and conflicts across the middle east bodies moved died or survived alison phipps and tawona sithole were working together in ghana at the time which is where this conversation in poetry began in an echoing call and response they offer words for these times of war ways of wondering what it means to resist to suffer with to bear witness to seek companionship to be part of the agony of a family made in love and parting separated by land sea and paperwork

**Silent Warriors, Incredible Courage** 2019-02-19 the outbreak of the korean war in june 1950 took the american military by surprise rushing to respond the us and its allies developed a selective overflight program to gather intelligence silent warriors incredible courage is a history of the cold war overflights of the soviet union its allies and the people s republic of china based on extensive interviews with dozens of pilots who flew these dangerous missions in 1954 the number of flights expanded and the highly classified sensint program was born soon american rb 45c rb 47e h rf 100s and various versions of the rb 57 were in the air on an almost constant basis providing the president and military leadership with hard facts about enemy capabilities and intentions eventually the sensint program was replaced by the high flying u 2 spy plane the u 2 overflights removed the mysteries of soviet military power these flights remained active until 1960 when a u 2 was shot down by russian missiles leading to the end of the program shortly thereafter planes were replaced by spy satellites the overflights were so highly classified that no one planner or participant was allowed to talk about them and no one did until the overflight program and its pictorial record was declassified in the 1990s through extensive research of existing literature on the overflights and interviews conducted by wolfgang w e samuel this book reveals the story of the entire overflight program through the eyes of the pilots and crew who flew the planes samuel s account tells the stories of american heroes who risked their lives and sometimes lost them to protect their country

**On Prophets, Warriors, and Kings** 2016-05-10 while recent decades have seen a plethora of studies exploring the complex processes that shaped biblical books traditionally designated as prophets much remains to be done in order to uncover the rich history of their interpretation throughout the ages this collection of essays aims at filling this gap by exploring different aspects of the exegesis of the former and latter prophets in contexts both ancient and modern jewish and christian from the inner biblical interpretation of the prophets to the dead sea scrolls apocrypha and pseudepigrapha the new testament patristic writings and contemporary rhetoric this volume sheds light on how key figures in those books were read and understood by both ancient and not so ancient readers

Pictish Warrior AD 297-841 2012-08-20 first mentioned by name in ad 297 the pictis inhabited northern britain from the end of the 3rd century ad to the 9th they rose to power in the devastation following emperor septimus severus s repression of the caledonians in ad 208 and dominated northern britain for over 500 years before vanishing mysteriously the pictis represent a high point of celtic civilisation remaining free and unconquered beyond the borders of the roman world and rising to become the first barbarians to form a recognisable nation this title takes a detailed look at their origins and examines pictish heroic and warrior society covering education and training appearance and equipment the status of women and the experience of battle

□□□□□□2 2013-04-20 from andrew wiest the bestselling author of the boys of 67 charlie company s war in vietnam and one of the leading scholars in the study of the vietnam war comes a frank exploration of the human experience during the conflict vietnam allows the reader a grunt s eye view of the conflict from the steaming rice paddies and swamps of the mekong delta to the triple canopy rainforest of the central highlands and the forlorn marine bases that dotted the dmz it is the definitive oral history of the vietnam war told in the uncompromising no holds barred language of the soldiers themselves

Vietnam 2013-05-20 for armchair admirals history buffs and naval enthusiasts everywhere a naval miscellany is an indispensable and entertaining collection of fascinating and little known facts anecdotes lists curiosities and stories from our naval past forgotten heroes amazing blunders surprising trivia and strange but true stories are all included who were the naval heroes of the ancient world and the world s worst admirals how much did a midshipman get paid in the eighteenth century what are the origins of sea shanties where are the biggest naval bases in the world today and how does a ship float it s all here in this little book that will amaze and enlighten even the most avid student of naval history

**Naval Miscellany** 2013-10-20 a companion volume to *Hitler's Armies and Hitler's Eagles: Hitler's Elite the SS 1939-45* tells the complete story of the SS at individual unit and organizational levels following an explanation of the SS complex political and social origins and its growth within the Nazi empire it goes on to look at both its war record and its wider role in Heinrich Himmler's implementation of Hitler's vision for the Third Reich as well as providing a combat history of the Waffen-SS from 1939 to 1945 it also explores themes such as ideology recruitment foreign SS personnel training and equipment the book's textual history is brought to life with more than 200 photographs and colour artworks from Osprey's series titles this is a detailed and highly visual insight into one of Hitler's most powerful instruments of policy

**Hitler's Elite** 2013-02-20 the Vietnamese knew the long range patrol scouts as the men with green faces a reference to the camouflage paint that they used operating in patrols of four to six men these men were like ghosts scouting far behind enemy lines this book examines the long range patrol scout's superior stealth movement techniques camouflage and concealment tracking counter tracking observation and other fieldcraft skills it also examines the occasions they participated in small scale direct actions including ambushes and raids written by a special forces Vietnam veteran this book not only depicts the remarkable lives of these scouts when on campaign but also details the training and conditioning that it took to become one of these shadow warriors

**US Army Long-Range Patrol Scout in Vietnam 1965-71** 2013-03-20 the definitive illustrated history of American special forces including their training tactics weapons and famous missions America's Elites takes the reader through some of the most dramatic special forces operations in US history from sniping British commanders during the Revolutionary War to riverine incursions in the Mekong Delta in Vietnam and from demolition missions on D-Day to the SEAL assault on Osama bin Laden's compound in 2011 training and selection procedures are explained in detail and the book also describes some of the technologies that have separated regular soldiers from their special forces counterparts illustrated throughout with striking photography and artworks America's Elites forms the most comprehensive and visually impressive single volume guide to US special forces available

**America's Elite** 2013-05-20 fifteen renowned authors from widely varied backgrounds examine the Vietnam War providing a fresh insight into this controversial conflict even for those who have read it all before this is a superb and compelling reexamination of the major historical political and ethical issues that continue to smoulder many decades after the conclusion of the Vietnam War I highly recommend *Rolling Thunder in a Gentle Land* it is among the best books of its kind that I've encountered over the last dozen years Tom O'Brien author of *The Things They Carried* first hand accounts maps and contemporary photographs analysis from the soldiers involved and new perspectives from combatants on both sides provide an incisive investigation into a fascinating and terrible war

**Rolling Thunder in a Gentle Land** 2013-05-20 from an expert on the eastern front of World War II this book chronicles the cataclysmic experience of the region that includes modern day Lithuania Estonia and Latvia the Baltic States suffered more than almost any other territory during World War II caught on the front line of some of the war's most vicious battles and squeezed between the vast military might of the German Wehrmacht and the Soviet Red Army combining new archival research and numerous first hand accounts this is a magisterial description of conquest and exploitation of death and deportation and the fight for survival both by countries and individuals

**Between Giants** 2020-03-05 learn the secrets for becoming the inspirational coach everyone is waiting for think about the coaches you've had throughout your life most likely some were good others not so good maybe one or two were great one thing is undeniable coaches can influence your life in ways that can be negative or positive a coach can either build you up or tear you down the world needs better coaches in all walks of life if you're a parent a teacher a co-worker or a leader you are also a coach which kind of coach do you want to be *Coach to Coach* helps you answer this question and shares the secrets to bringing out the best in a person both on and off the field for more than twenty years author Martin Rooney has coached professional sport stars Olympic champions and business leaders to high levels of performance analyzing thousands of real life examples of what works and what doesn't reading like a simple parable this engaging book gives you an easy to use yet highly effective formula for becoming a better coach for your teams in your business and in your personal life packed with valuable insights and expert advice this appealing book helps you learn how to be a great leader by being a great coach create positive lives for your children and the people you work with inspire and motivate the people around you turn your natural skills and talents into your own unique coaching style use proven time tested coaching strategies to get results *Coach to Coach* an empowering story about how to be a great leader is an ideal book for coaches leaders managers entrepreneurs educators parents and anyone wanting to bring out the best in those around them

**Coach to Coach** 2012-10-25 the Red Battlenauts show no mercy roaring out of the darkness of deep space these ultra high tech war machines pound the hell out of both sides in a bloody interstellar civil war no one can even see the Reds no one except Marine Corporal Solomon Scott recruited by the hardcore SEAL like Diamondbacks Scott becomes a secret weapon in the ultimate struggle for survival in battle after battle on perilous alien worlds Scott and the Diamondbacks fight back against the ruthless Reds desperately holding the line in furious clashes of muscle and metal but when a face from the past exposes the secrets behind the carnage a quest for answers becomes a race against time because the masters of the Red Battlenauts have more on their minds than a thirst for conquest and only Solomon

scott can hope to stand against them in the galaxy s darkest hour the highest stakes imaginable drive this hero in battlenaut armor to seize his destiny but can he overcome a soul searing betrayal that strikes out of nowhere like the reds themselves only by crushing the monsters of his own dark past can scott vanquish the forces blasting humanity to the brink of annihilation don t miss this exciting sequel to beware the black battlenaut by award winning storyteller robert t jeschonek a master of hard hitting science fiction that really packs a punch strap yourself into the cockpit for over 100 000 words of blistering all new military sf action reviews jeschonek is a master of military mecha mayhem fast paced pulse pounding combat scenes make resist the red battlenaut a must read in his growing battlenaut series william h keith author of the grey death battlemech novels robert jeschonek is a towering talent mike resnick hugo and nebula award winning author robert jeschonek is the literary love child of tim burton and neil gaiman adrian phoenix critically acclaimed author of the maker s song series and black dust mambo

**Battlenaut Crucible** 2012-05-22 all out war engulfs a distant quadrant of space hardcore warriors clash in high tech battlenaut armor pitting the ultimate fighting machines in epic struggles on a planetary scale in the heart of this raging hell the sleep deprived redevye squad fights harder than anyone pumped up on drugs wired to the max the redevyes tear through enemy forces like berserk vikings but fatigue takes a toll as the redevyes start to see things that don t exist and something that might exist after all a terrible harbinger of doom a legendary herald of the end of all things does the black battlenaut truly tower over the blood soaked war zone is it a nightmare brought on by exhaustion or an omen of infinite devastation either way the redevyes set out to stop it by any means necessary even if their private war requires the ultimate sacrifice and more don t miss this exciting tale by award winning storyteller robert t jeschonek a master of hard hitting science fiction that really packs a punch robert jeschonek is a towering talent mike resnick hugo and nebula award winning author of the starship series

**Beware the Black Battlenaut** 2014-04-23 imagine a world filled with comic strip characters you know and love the world of the underfunnies where nothing is as it seems molly a panelnaut explorer searches this strange toon world for her missing husband only to find him at the heart of a bizarre mystery can she bring him back from the underfunnies resurrecting him from ink and paper to flesh and blood or will she end up lost herself at the mercy of cartoon forces she cannot hope to understand the answers lie somewhere beyond the funny pages and the bounds of imagination itself reviews robert jeschonek is a towering talent mike resnick hugo and nebula award winning author of the starship series jeschonek s stories are delightfully insane a pleasure to read fábio fernandes fantasy book critic robert jeschonek is the literary love child of tim burton and neil gaiman adrian phoenix critically acclaimed author of the maker s song and hoodoo series

The Spinach Can's Son 2012-05-22 lupe and the mercenary crew of the spaceship puerco track a shapeshifting killing machine on a planet of pure hell their only food in the barren frontier wasteland manny the ration a walking human foodstuff who makes lupe sick to the stomach as lupe and her men close in on their target the fugitive killer strikes back brutally devouring her crew one by one with no one else to turn to lupe must team with manny the ration for a death defying chase through an ever changing wilderness in the heat of a race for their lives lupe finds herself doing the unthinkable falling in love with manny but what will she do when her only chance for survival lies in eating the edible man she loves don t miss this exciting tale by award winning star trek and doctor who author robert t jeschonek a master of unique and unexpected science fiction that really packs a punch robert t jeschonek makes a favorable and sympathetic case for cannibalism mike resnick hugo and nebula award winning author of the starship series

*My Cannibal Lover* 2012-05-22 the alien ectozoids can t bear to kill and their enemies are out for blood who better than earth s top serial killer luther paraclete to awaken their killer instincts how was he to know they d turn into such eager students when a planet of peace becomes a blood soaked nightmare does the greatest serial killer in the universe have a chance in hell of surviving don t miss this exciting tale by award winning star trek and doctor who author robert t jeschonek a master of unique and unexpected science fiction that really packs a punch

*The Greatest Serial Killer in the Universe* 2010-05

2013-01-01 osceola led his people the seminoles in one of the longest struggles of the indian wars in a game of hide and seek in the florida wetlands the seminoles struck deadly blows to the u s army osceola was never defeated but was finally double crossed and captured the author tells the real story of this fearless leader the seminoles had lived peacefully with spanish settlers and runaway slaves until florida became part of the united states when the u s government decided the seminoles should be moved to distant reservations osceola helped lead his people into war

Seminole Chief Osceola 2012-12-20 the pointblank directive is the result of extensive new research that creates a richly textured portrait of perhaps the last untold story of d day where was the luftwaffe on d day following decades of debate 2010 saw a formerly classified history restored and in it was a new set of answers this title analyzes three uniquely talented men and why the german air force was unable to mount an effective combat against the invasion forces following a year of unremarkable bombing against german aircraft industries general henry h hap arnold commander of the u s army air forces placed his lifelong friend general carl a tooey spaatz in command of the strategic bombing forces in europe and his protégé general james jimmy doolittle command of the eighth air force in england for these fellow aviation strategists he had one set of orders sweep the skies clean of the luftwaffe by june 1944 spaatz and doolittle couldn t do that but they could clear

the skies sufficiently to gain air superiority over the d day beaches the plan was called pointblank

The Pointblank Directive 2013-01-01 read about how this great chief of the comanche led his people into a war for survival provided by publisher

**Comanche Chief Quannah Parker** 2013-01-01 chief joseph led his people the nez perce on one of the greatest journeys in american history in the early morning hours of june 17 1877 hundreds of men women and children began a three month journey flight for freedom along the way they would battle enormous odds fighting the u s army and traveling 1700 miles over the difficult terrain of the rockies and northern plains

Nez Percé Chief Joseph 2013-01-01 read about one of the greatest chiefs of the oglala sioux and his victory at the battle of little bighorn provided by publisher

**Oglala Sioux Chief Crazy Horse** 2013-01-01 read about how this great chief of the sioux led them to their victory at the battle of little bighorn provided by publisher  
*Hunkpapa Lakota Chief Sitting Bull* 2013-01-01 red cloud was the great chief of the oglala sioux he was the only native american chief to ever win a war against the united states government beginning in 1863 white settlers and gold miners swarmed over the bozeman trail which cut through the hunting grounds of the sioux in wyoming and montana red cloud realized his people were in danger when the u s army began to build forts along the trail trouble began

Oglala Lakota Chief Red Cloud 2020-10-13 in october 1967 eighteen year old patrick bradley enlisted in the us army and was later deployed to north vietnam as a special operator with missions to kill high value targets combat left him physically and psychologically wounded as it does many veterans and bradley struggled to adjust when he returned home he seemed destined for military prison after an altercation in which he broke a superior officer s jaw but his life changed forever when a psychiatrist recommended a unique path for healing thanks to a program sponsored by the canadian government bradley traveled to canada to study bald eagles and document their behavior he found himself recovering while living alone in the wild with minimal supplies or human contact at the same time his work was paving the way for groundbreaking research including the discovery of a link between the use of the pesticide ddt and a decrease in southern bald eagle populations later he forged a successful career training and managing wild animals and committed himself to helping other wounded warriors by cofounding the avian veteran alliance a nonprofit that pairs veterans suffering from ptsd and physical injuries with injured birds of prey the eagle on my arm tells bradley s inspirational story for the first time this moving account reveals how a soldier became a dedicated healer using his years of study and solitude to face his demons and turn his pain into a lifelong passion for helping others

**The Eagle on My Arm** 2012-07-20 author mike green provides new insights into the creation and ultimate failure of the german panther tank in most people s opinion the german panther tank was the most elegant tank design of world war ii it embodied a balance of firepower armor protection and mobility unmatched by any other tank of the period yet it was not the war winner it might have been author mike green examines the disparity between the potential of the panther design and the actuality of the fielded panther tank in this book though many viewed the panther as an engineering masterpiece and a technological breakthrough it failed to meet expectations on the battlefield and thus proved a major setback to hitler s dreams of world domination green explores the evolution and devolution of the panther providing keen insight and new reasons for its ultimate failure

**Panther** 2018-12-12 would the military ever initiate a coup a secret powerful group of west point graduates known only as the line is going to do just that publishers weekly so convincing that by the last page readers may doubt the official version of the last 50 years they killed patton when he opposed them they ve covered presidents into going to war for a century a secret organization of army officers known as the line has been covertly manipulating us policy now in a political climate rife with dissent and unrest the line has ordered a pivotal top secret operation that will let the world know who is really in charge take out the president on pearl harbor day but the line didn t count on boomer watson a member of the army s elite delta force and major benita trace both west point graduates staying true to their oath of office and willing to fight the line with their lives from the ukraine to pearl harbor to west point to the army navy game in philadelphia it s a race against time to stop the line as december 7th looms west point graduate and special operations veteran bob mayer gives an insider account of just how such a scenario might unfold

**The Line** 2019-10-07 his life and career were the embodiment of the american dream born in poland john shalikashvili 1936 2011 descended from aristocratic european families that served with distinction in both battle and government for centuries after barely surviving the warsaw uprising he and his family fled to germany during world war ii to escape advancing soviet troops and emigrated to the united states in 1952 shalikashvili was drafted into the army as a private in 1958 and rose steadily through the ranks serving in every level of unit command from platoon to division in 1993 shalikashvili was tapped by president bill clinton to replace general colin powell as chairman of the joint chiefs of staff becoming the first immigrant first draftee and first officer candidate school graduate to hold the position this first ever biography of shalikashvili s riches to rags and back to riches story reveals how his distinctive background helped him become one of the united states s greatest military leaders he exhibited a unique and unconventional leadership style employing expertise humility straightforwardness and empathy that he adroitly used to resolve or prevent destructive conflict his distinctive leadership style greatly benefited the united states europe and beyond as when he led the rescue of 500 000

kurdish refugees in the first gulf war s aftermath when he represented joint chiefs chairman colin powell in helping secure loose nukes in the former soviet republics as he joined forces with fellow immigrant madeleine albright on the partnership for peace initiative and nato enlargement program in the 1990s and in retirement when he helped end the military s don t ask don t tell policy thereby finally allowing gay servicemembers to serve openly without fear of dishonorable discharge [Boy on the Bridge](#) 2016-05-20 in november 1942 paul andrew kennedy 1912 1993 boarded the st elena in new york harbor and sailed for casablanca as part of operation torch the massive allied invasion of north africa as a member of the us army s 2nd auxiliary surgical group he spent the next thirty four months working in north africa italy france and germany in close proximity to the front lines and often under air or artillery bombardment he was uncomfortable struck by the sorrows of war and homesick for his wife for whom he kept detailed diaries to ease his unrelenting loneliness in battlefield surgeon kennedy s son christopher has edited his father s journals and provided historical context to produce an invaluable personal chronicle what emerges is a vivid record of the experiences of a medical officer in the european theater of operations in world war ii kennedy participated in some of the fiercest action of the war including operation avalanche the attack on anzio and operation dragoon he also arrived in rome the day after the allied troops and entered the dachau concentration camp two days after it was liberated despite the enormous success of the popular m a s h franchise there are still surprisingly few authentic accounts of military doctors and medical practice during wartime as a young inexperienced surgeon kennedy grappled with cases much more serious and complex than he had ever faced in civilian practice featuring a foreword by pulitzer prize winning world war ii historian rick atkinson and an afterword by u s army medical historian john t greenwood this remarkable firsthand account offers an essential perspective on the second world war
