key features start a game at any point between 1066 and 1337 and play

until 1453 pick a christian lord and make sure his dynasty survives as you play a succession of his descendants through the ages gain prestige for every successive character you play furthering the glory of your dynasty

crusader kings ii on steam Jul 11 2023

petty lords vie against beleaguered kings who struggle to assert control over their fragmented realms the pope calls for a crusade to protect the christians in the holy land even as he refuses to relinquish control over the investiture of bishops and their riches now is the time for greatness
