This document is a guide for the use of the Aviaton system. It contains information about the system's features, installation, and operation. The guide is intended for users who are new to the system and need to learn how to use it.

The guide is divided into several sections. The first section describes the system's features and capabilities. The second section describes how to install the system. The third section describes how to operate the system.

The guide is written in a clear and concise style. It uses simple language and includes many examples to help users understand how to use the system.

The guide is available in both English and Spanish. The English version is the primary version, and the Spanish version is a translation of the English version.

The guide is subject to change without notice. The current version of the guide is 1.0.
