have you ever wanted to read someone s diary well now you can meet cherry bakewell a pink haired seventeen year old who is about to embark on the biggest journey of her life moving to university read her thoughts as she attempts to balance her life love lessons and work with being a fierce bass player and singer for her band blinding lollipop and the helter skelter whiz kids who can she trust which boys are toxic why should students totally not drink take a voyeuristic peek inside her secret diary and follow her journey as she experiences a whole lot of first times discover what she learns about life rocking out growing up falling in love falling over kissing boys and girls these nature inspired designs from the workshop of distinctive brushstrokes portray fresh picked fruits and florals yes but judy diephouse and lynne deptula have also sprinkled them with bees berries vines leaves and tendrils you will love the way the designs look when painted on these 10 projects floral wreath and bee bowl fruit sampler basket fruit sampler box stationery desk set basket and address book spring floral sampler basket painter s delight box set 3 stacked boxes and rose sampler tray pattern insert and paint conversion chart included a young woman s bludgeoned body is found floating in the ocean off cape cod strikingly attractive with swimsuit model looks the victim has left behind a string of male admirers and is suspected of having had ties to a local drug dealer because of its lurid details the crime receives broad media coverage and the state police are under intense pressure to find the killer when they seek the assistance of the local police brian a young cop who is still haunted by nightmares from his combat service in iraq volunteers to help with the investigation but as he delves into the victim s shadowy past suspicions gradually begin to creep in about brian and whether he may have in fact played a role in the young woman s past himself struggling with his demons brian becomes trapped in a different kind of nightmare this time one that is all too real it is only the unmasking of the killer that finally unlocks the truth about brian and about the beautiful young victim keywords murder mystery thriller cop girl nightmare sex fantasy drugs lies cape cod killer police iraq do not underestimate the power of the book you are holding in your hands michelle alexander more than 2 million people are now imprisoned in the united states producing the highest rate of incarceration in the world how did this happen as the director of the sentencing project marc mauer has long been one of the country s foremost experts on sentencing policy race and the criminal justice system his book race to incarcerate has become the essential text for understanding the exponential growth of the u s prison system michelle alexander author of the bestselling the new jim crow calls it utterly indispensable now sabrina jones a member of the world war 3 illustrated collective and an acclaimed author of politically engaged comics has collaborated with mauer to adapt and update the original book into a vivid and compelling comics narrative jones s dramatic

artwork adds passion and compassion to the complex story of the penal system s shift from rehabilitation to punishment and the ensuing four decades of prison expansion its interplay with the devastating war on drugs and its corrosive effect on generations of americans with a preface by mauer and a foreword by alexander race to incarcerate a graphic retelling presents a compelling argument about mass incarceration s tragic impact on communities of color if current trends continue one of every three black males and one of every six latino males born today can expect to do time in prison the race to incarcerate is not only a failed social policy but also one that prevents a just diverse society from flourishing
