**Understanding Contemporary Ethiopia** 2015-09-15 when we think of ethiopia we tend to think in cliches solomon and the queen of sheba the falasha jews the epic reign of emperor haile selassie the communist revolution famine and civil war among the countries of africa it has a high profile yet is poorly known how ever all cliches contain within them a kernel of truth and occlude much more today s ethiopia and its painfully liberated sister state of eritrea are largely obscured by these mythical views and a secondary literature that is partial or propagandist moreover there have been few attempts to offer readers a comprehensive overview of the country s recent history politics and culture that goes beyond the usual guidebook fare understanding contemporary ethiopia seeks to do just that presenting a measured detailed and systematic analysis of the main features of this unique country now building on the foundations of a magical and tumultuous past as it struggles to emerge in the modern world on its own terms

*The Emissions Gap Report 2015* 2015-07-06 the un environment emissions gap report assesses the latest scientific studies on current and estimated future greenhouse gas emissions and compares these with the emission levels permissible for the world to progress on a least cost pathway to achieve the goals of the paris agreement this difference between where we are likely to be and where we need to be is known as the emissions gap the report explores some of the most important options available for countries to bridge the gap

*Labour Law in Russia* 2014-11-10 russia's transition towards a market economy in the early 1990s called for new approaches to the regulation of employment relations in the post soviet period in order to strike a balance between employers interests and employees rights in changed conditions the adoption of the labour code of the russian federation lc rf in 2001 contributed to solving the issue only partly as in reality it was passed as a compromise between different political forces and consists of both provisions which can be implemented in the new context of the market economy and restrictions inherited from the planned economy the recent and ever changing socio economic conditions and the increasing complexity of the employer employee relationship which is a result of both globalization and technological progress required the further development of russian employment legislation this resulted in substantial amendments being made to the original lc rf in 2006 with the majority of its provisions being profoundly revised nevertheless a thorough analysis of the changes currently under way shows that many aspects concerning employment relations have still not been addressed sufficiently the papers collected in the present volume of the adapt labour studies book series consider the recent developments of the legal regulation of employment relations as well as some closely related aspects from a historical and comparative perspective in order to provide some insights into these issues and to examine current challenges

*The New Turkey and Its Discontents* 2017-01-03 today s turkey little resembles that of recent decades newfound economic prosperity has had many unexpected social and political repercussions most notably the rise of the akp party and president erdogan despite unprecedented electoral popularity the conduct of the akp has faced growing criticism turkey has yet to solve its kurdish question its foreign policy is increasingly fraught as it balances relations with iran israel russia and the eu and widespread protests gripped the country in 2013 as did an unsuccessful coup in 2016 the government is now perceived by many to be corrupt unaccountable intimidating of the press and intolerant of political alternatives has this once promising democracy descended into a tyranny of the majority led by a charismatic leader is turkey more polarised now than at any point in its recent history these are among the questions at the heart of the new turkey and its discontents which traces turkey s evolution under erdogan s leadership and assesses the likely consequences at home and abroad

*HARLEY-DAVIDSON 750* 2017-11-10 

**Human Rights in China** 2014-08-07 how can we make sense of human rights in china s authoritarian party state system eva pils offers a nuanced account of this contentious area examining human rights as a set of social practices drawing on a wide range of resources including years of interaction with chinese human rights defenders pils discusses what gives rise to systematic human rights violations what institutional avenues of protection are available and how social practices of human rights defence have evolved three central areas are addressed liberty and integrity of the person freedom of thought and expression and inequality and socio economic rights pils argues that the party state system is inherently opposed to human rights principles in all these areas and that contributing to a global trend it is becoming more repressive yet despite authoritarianism s lengthening shadows china s human rights movement has so far proved resourceful and resilient the trajectories discussed here will continue to shape the struggle for human rights in china and beyond its borders

*Working in Public Health* 2014-06-05 what can you contribute to improving and protecting the health of your community public health is becoming an increasingly central area of healthcare practice and people working in public health come from a wide range of disciplines and backgrounds this practical and accessible book maps out the range of exciting and varied options open to people considering a career in public health and provides helpful
