Competition Law in South Africa 2021-08-17

how organized resistance to new fossil fuel infrastructure became a political force and how this might affect the transition to renewable energy organized resistance to new fossil fuel infrastructure particularly conflicts over pipelines has become a formidable political force in north america in this book george hoberg examines whether such place based environmental movements are effective ways of promoting climate action if they might inadvertently feed resistance to the development of renewable energy infrastructure and what other more innovative processes of decision making would encourage the acceptance of clean energy systems focusing on a series of conflicts over new oil sands pipelines hoberg investigates activists strategy of blocking fossil fuel infrastructure often in alliance with indigenous groups and examines the political and environmental outcomes of these actions after discussing the oil sands policy regime and the relevant political institutions in canada and the united states hoberg analyzes in detail four anti pipeline campaigns examining the controversies over the keystone xl the most well known of these movements and the first one to use infrastructure resistance as a core strategy the northern gateway pipeline the trans mountain pipeline and the energy east pipeline he then considers the resistance dilemma the potential of place based activism to threaten the much needed transition to renewable energy he examines several episodes of resistance to clean energy infrastructure in eastern canada and the united states finally hoberg describes some innovative processes of energy decision making including strategic environment assessment and cumulative impact assessment looking at cases in british columbia and lower alberta

The Resistance Dilemma 2019-09-23

promotion winning canaries gives fans the opportunity to relive all the good times at carrow road as norwich city progressed through the leagues detailing the post war seasons when city went up as champions runners up in third place or via play off drama every promotion winning player is profiled with insight from many at the heart of the action spanning contrasting eras from the late 1950s to the premier league here are all the facts and figures characters and stories behind some classic canaries campaigns exclusive star interviews

reveal the atmosphere in the dressing rooms and what it was like to play in the club's most important historical matches learn how the famous 1959 FA Cup team used the disappointment of their semi-final replay defeat to spur them on to promotion discover the influence of Martin O'Neill in 1981-82 and the impact of Darren Huckerby in 2003-04 looking back on the greatest seasons of all promotion-winning Canaries offers a trip on the Norwich City rollercoaster with all of the ups minus the downs

Promotion Winning Canaries 2023-11-29

exploring the issues of class through in-depth studies of housing sport art music and politics in Britain *Class and Everyday Life* persuasively demonstrates the pervasive influence of class on everyday life and the need to centre a radical understanding of class within emancipatory political movements the need for a more expansive understanding of class is politically urgent there is a disconnect between descriptive and analytical approaches to class and the politics of class and realities around how class is lived discourse has been shaped by top-down frameworks of analysis and measurements which have stripped the study of class of its political radicalism this book makes the case for a sociology of class which is informed by a politics of class based upon using the everyday as the point of enquiry it presents a sociology of class from the bottom up which focuses on everyday life and the point at which class is made and remade in doing so it advocates for an attentiveness to class and everyday life through a conjunctural analysis using an everyday lens this book examines how the shifting conjunctures manifest in everyday spaces in classed ways and how such changes are negotiated resisted and shape the working class subject and communities this is based upon an understanding of everyday classed experiences which identifies and challenges inequalities while also recognising value and hope this perspective aims to offer a recognition of both the opportunities and challenges of class as a way of developing a stronger more politicised understanding of class which takes solidarity and class community power seriously to resist inequality and develop emancipatory politics this urgent and impassioned book will be essential reading for students academics and activists with an interest in the lived experience of class in Britain today

Class and Everyday Life 2017-06-26

while efforts to include gay and lesbian athletes in competitive sport have received significant attention it is only recently that we have begun examining the experiences of transgender athletes in competitive sport this book represents the first comprehensive study of the challenges that transgender athletes face in competitive sport and the challenges they pose for this sex-segregated institution beginning with a discussion of the historical role that sport has played in preserving sex as a binary the book examines how gender has been policed by policymakers within competitive athletics it also considers how transgender athletes are treated by a system predicated on separating males from females consequently forcing transgender athletes to negotiate the system in coercive ways the book not only exposes our culture's binary thinking in terms of both sex and gender but also offers a series of thought-provoking and sometimes contradictory recommendations for how to make sport more hospitable inclusive and equitable transgender athletes in competitive sport is important reading for all students and scholars of the sociology of sport with an interest in the relationship between sport and gender politics identity and ethics

Transgender Athletes in Competitive Sport 2024-02-13

a science-backed recipe for creating engagement fulfillment and achievement we're stuck stuck to the couch stuck scrolling stuck at work stuck in worn-out paths of habitual action stuck in patterns and echo chambers of thought stuck in carefully curated lives where we've traded our agency for endless comforts that wrap us in existential ennui as our eyes fixate on a constant parade of images meant to engage us we notice something in the periphery we see folks who are just like us except they are actually deeply happy and fulfilled they seem to go through life with ease and grace overcoming obstacles and making amazing things happen for themselves peering closer we see that these aren't gods or superhumans they're just people who have chosen to not be stuck and decided to become the main characters in their own lives their success as they define it is not a birthright

bestowed upon a lucky few but the result of lives lived with intention and that's what this book is about a practical guide on infusing purpose into life in a deliberate and evidence based way through a combination of inspiring stories about unlikely high performers and evidence from the bleeding edge of behavioral science we present you with a toolkit for learning intention not as a fluffy concept but as five very trainable skills get your copy of intention today and live your potential

Intention 2019-05-18
