Singapore, Spirituality, and the Space of the State 2015-12-16 this book examines spirituality in singapore showing how important the city state is for understanding contemporary global configurations of urban space religion and spirituality joanne punzo waghorne highlights how the formal religious spaces temples churches and mosques have been confined to allotted sites on the map of singapore whereas various spiritual organizations particularly of hindu origins and headed by a guru still continue to operate as societies classified by the government with other clubs these unconventional religiosities are not confined but ironically make their own places meeting in ostensive secular venues high rise flats malls businesses and community centers thus existing in the overall space of religion commerce and the state the book argues that state of singapore also operates between the secular and the religious constructing an overarching spatial regime that both accommodates and yet rivals the alternate spheres that spiritual movements construct under its umbrella both spatial configurations challenge the presumed relationships between myth and reality religion and commerce the ethereal and the concrete the sacred and the secular on the levels of self community and polity singapore now deemed a model for urban development in asia also offers an understanding of a new post secularity and perhaps reveals where the urbanized world is headed

The Ecopolitics of Consumption 2018-11-02 today's highly industrialized and technologically controlled global food systems dominate our lives shaping our access and attitudes towards food and deeply influencing and defining our identities at the same time these food systems are profoundly and destructively impacting the health of the environment and threatening all of us human and nonhuman who must subsist in ecological conditions of increasing fragility and scarcity this collection examines and exposes the myriad ways that the food systems driven by global commodity capitalism and its imperative of growth at any cost increasingly controls us and conforms us to our roles as consumers and producers this collection covers a range of topics from the excess of consumers in the post industrial world and the often unacknowledged yet intrinsic connection of their consumption to the growing ecological and health crises in developing nations to topics of surveillance and control of human and nonhuman bodies through food to the deep linkages of cultural values and norms toward food to the myriad crises we face on a global scale

India-America Relations (1942-62) 2016-01-01 examining india america relations between 1942 62 this book reconsiders the role of america in shaping the imagination of post colonial india it rejects a conventional orthodoxy that assigns a limited role to america and challenges narratives which neglect the natural asymmetries and focus on discord and differences to define india america relations integrating the security political and economic elements of the indo american relationship it presents a synthesis of india's encounter with the post war hegemon and looks at the military economic and political involvement of america during the transfer of power from britain to india bhardwaj delves into the role of american non government agencies and examines the anti communist ideological linkages that the indian political class developed with america the influence of this bonding and the role of american ideas experts funds international relations and strategy in

shaping india s social economic and educational institutions analyzing india s non alignment policy and its linkages to american policy on the non communist neutrals it argues that india s movement towards the soviet union and away from china in the mid 1950s was in tune with the american strategy to cause the sino soviet split the book presents a fresh perspective based on authentic records and adds a new dimension to the understanding of modern indian history and indo american relations it will appeal to scholars and students of indian and american history international relations and strategy

Institutions, Interaction and Social Theory 2018 from hospitals and prisons to schools and corporations no matter how large or seemingly abstract all institutions are ultimately the result of the actions and interactions of people in this original and innovative text gibson and vom lehn show the different ways in which studying people s own meaning making practices can help us understand the role of institutions in contemporary society institutions interaction and social theory takes the reader through the core conceptual foundations of symbolic interactionism ethnomethodology and conversation analysis engaging with a rich tradition in sociological thought it suggests that interactionist perspectives have remained largely absent in the study of institutions and how they contrast with and contribute to the broader field of research in institutional contexts with chapters on healthcare education markets and art and culture this text will be of interest to those studying institutions organisations and work in sociology and in business schools it will also be valuable for students of social theory interested in interactionism and in the challenges and opportunities of connecting complex theoretical discussions to real world examples

The Man who Remade India 2022-10-28 when p v narasimha rao became the unlikely prime minister of india in 1991 he inherited a nation adrift despite lacking the support of his people party or

parliament india s deng xiaoping reinvented his country relying on rao s private papers and over a hundred interviews this biography is a must read for anyone interested in the transformation of india

Teaching Olaudah Equiano's Narrative 2014-09-02 the interesting narrative of the life of olaudah equiano or gustavus vassa the african written by himself 1789 is one of the most frequently and heatedly discussed texts in the canon of eighteenth century transatlantic literature written in english equiano s narrative contains an engrossing account of the author s experiences in africa the americas

and europe as he sought freedom from bondage and became a leading figure in the abolitionist movement while scholars have approached this sophisticated work from diverse critical and historical biographical perspectives there has been until now little written about the ways in which it can be successfully taught in the twenty first century classroom in this collection of essays most of them never before published sixteen teacher scholars focus explicitly on the various classroom contexts in which the narrative can be assigned and various pedagogical strategies that can be used to help students understand the text and its complex cultural intellectual literary and historical implications the contributors explore topics ranging from the religious dimensions of equiano s rhetoric and controversies about his origins specifically whether he was actually born in africa and endured the middle passage to considerations of the narrative s place in american literature survey courses and how it can be productively compared to other texts including captivity narratives and modern works of fiction they not only suggest an array of innovative teaching models but also offer new readings of the work that have been overlooked in equiano studies and slavery studies with these two dimensions this volume will help ensure that conversations over equiano s eighteenth century autobiography remain relevant and engaging to today s students eric d lamore is an assistant professor of english at the university of puerto rico at mayagüez a contributor to the greenwood encyclopedia of american poets and poetry he is also the coeditor with john c shields of new essays on phillis wheatley *Geek Sublime* 2022-12-31 the nonfiction debut from the author of the international bestseller sacred games about the surprising overlap between writing and computer coding vikram chandra has been a computer programmer for almost as long as he has been a novelist in this extraordinary new book his first work of nonfiction he searches for the connections between the worlds of art and technology coders are obsessed with elegance and style just as writers are but do the words mean the same

thing to both can we ascribe beauty to the craft of writing code exploring such varied topics as logic gates and literary modernism the machismo of tech geeks the omnipresence of an indian mafia in silicon valley and the writings of the eleventh century kashmiri thinker abhinavagupta geek sublime is both an idiosyncratic history of coding and a fascinating meditation on the writer s art part literary essay part technology story and part memoir it is an engrossing original and heady book of sweeping ideas

Women's Sexuality and Modern India 2022-01-09 between the first and second decade of the millennium women across the world reconsidered the sexual roles they had been playing under patriarchy the 2012 protests in india triggered some of this global change ushering indians squarely into the desired yet uncomfortable third wave feminism which demands the recognition of women as sexual subjects beginning from the premise that each country is in a unique relationship to patriarchy women s sexuality in india in a rapture of distress offers pictures of how individual indian women locate their sexuality amidst the fantasies of indian patriarchy and of world culture that imagine their sexuality for them built from a data set of upper middle class women the book opens up a number of provocative questions how is dismantling the patriarchy in the imagination different from fighting patriarchy in the outer world what aspects of sex under patriarchy do women want to give up and what would they like to keep what conflicts unfold when daughters welcome as sexual liberation ideas that their mothers believed had come from the west a west that has been until fairly recently a hated colonial oppressor how did the control of upper middle class women s sexuality serve as an anchor for collective anxieties about the inherent instability of gender and sexuality what is the nature of the spectator effect when post sexual revolution countries listen to the sexuality narratives of countries like india that have not had a sexual revolution

Post Independence India 2022-09-30 post independence india india gained independence from great britain in 1947 but the british provinces under the crown were partitioned into two dominions of india and pakistan and all princely states acceded to either of the two dominions after independence a new era began pt nehru took the reins of the newly independent nation nehru era made a new history later came on the scene indira gandhi her eventful period was followed by janata party rule and thus the story went on there are a lot of books on indian history already published and stacks in libraries are packed with them but it is always felt that a seriously composed compact and not so lengthy book on the subject could always create a niche for itself hence this endeavor contents introduction india before independence dawn of freedom significant developments after independence prime ministers indo pakistan conflicts and wars system of governance in india national symbols of india

Political Economy of Development and Business 2014-10-02 this book presents an alternative critical perspective on the political economy of development and business the everyday issues experienced by those on the margins are examined to highlight the eurocentric bias at the centre of development theory public policy and business practices ruling class projects within these areas are critically evaluated in order to present a vision of development that recognises pluralistic traditions and people s everyday experiences eurocentric liberal myopia and its praxis are outlined in development theory public policy and business practices particular focus is given to tribal planning needs based development public private partnerships modes of capital accumulation conscious capitalism and creative business education this book stands in defense of critical inquiry and pluriversal knowledge against the monolithic knowledge traditions and use of ruling class projects in development public policy and business ethics it aims to explore new forms of economic transformation that are inclusive and worker led it will be relevant to students and researchers interested in the political economy

development economics and international business

Caricaturing Culture in India 2013-05-07 a highly original study of newspaper cartoons throughout india s history and culture and their significance for the world today

Creativity and Strategic Innovation Management many organizations in both the private and public sector are confronted with stiff challenges as they face rapid changes in the business environment understanding the causes of these changes is essential if organizations are to fashion suitable management responses in a highly competitive and globalized scenario business creativity provides the spark that fosters the development and implementation of innovation and organizational change increased understanding of the concepts of business creativity and strategic innovation management provides valuable insights into how organizations can change to meet new challenges the book aims to explain the nature of the acceleration in discontinuous change that is affecting the western business environment emphasise the importance of taking a strategic approach to management responses to encourage creative and innovative skills indicate how a detailed strategic plan can be developed to support organizations intent on profitable survival in the twenty first century this textbook will be the perfect accompaniment to postgraduate courses on innovation management and creativity management the wide ranging approach means that the book will also be useful supplementary reading on a range of courses from management of technology to strategic management
