national bestseller a deeply personal account of love's restorative ability as it leads renowned novelist donna morrissey through mental illness family death and despair to becoming a writer told with charm and inimitable humour when donna morrissey left the only home she had ever known an isolated newfoundland settlement at age 16 she was ready for adventure she had grown up without television or telephones but had absorbed the tragic stories and comic yarns of her close knit family and community the death of her infant brother marked the family and years later morrissey suffers devastating guilt about the accidental death of her teenage brother whom she'd enticed to join her in the oilfields her misery was compounded by her own misdiagnosis of a terminal illness all of which contributed to crippling anxiety and an actual diagnosis of ptsd many of those events and themes would eventually be transformed and recast as fictional gold in morrissey's novels in another writer's hands morrissey's account of her personal story could easily be a tragedy instead she combines darkness and light levity and sadness into her tale as her indomitable spirit and humour sustain her morrissey's path takes her from the drudgery of being a grocery clerk who occasionally enlivens her shift with recreational drugs to western oilfields to marriage and divorce and working in a fish processing plant to support herself and her two young children throughout her struggles she nourishes a love of learning and language morrissey layers her account of her life with stories of those who came before her a breed rarely seen in the modern world it centers around iron-willed women mothers and daughters wives sisters teachers and mentors who find the support the wind for their wings outside the bounds given to them by nature and it is a mysterious older woman she meets in halifax who eventually unleashes the writer that morrissey is destined to become an inspiring and insightful memoir pluck illustrates that even when you find yourself unravelling you can find a way to spin the yarns that will save you and delight readers everywhere

Alien Heart 2012-11-02

today almost two decades after her death margaret laurence remains one of canada's best known and most beloved writers twice winner of the governor general's award for fiction she was as the late william french wrote more profoundly admired than any other canadian novelist of her generation lyall powers is both a respected scholar of literature and a lifelong friend of laurence's having met her when they were students together at winnipeg's united college in the 1940s alien heart is the first full length biography of margaret that combines personal knowledge and insights about laurence with a study of her work which often paralleled the events and concerns in her own life drawing on letters personal correspondence journals and interviews lyall powers discusses the struggles and triumphs laurence experienced in her efforts to understand herself in the roles of writer wife mother and public figure he portrays a deeply compassionate and courageous woman who yet felt troubled by conflicting demands while laurence's work is not directly autobiographical powers illustrates how her writing expressed many of the same dilemmas and how the resolution her characters achieved in the novels and stories had an impact on laurence's own life powers provides an in depth analysis of all laurence's work including the early african

essays fiction and translations and her books for children as well as the beloved manawaka fiction the study clearly shows the progression and expression of laurence as a writer of great humanity and conscience

The Centre of the World at the Edge of a Continent 1996

while cape breton s culture is typically depicted as a scenic snapshot of scottish fiddlers and tartans the essay in this book go beyond this tourism image focusing on pastimes the arts community family and identity the authors have interpreted the ways that cultural practices act to maintain a cohesive and rich social world on this singular island the themes in this book offer cape bretoners a glance at themselves and provide visitors with unsung sketches of cape breton life

The Truth Commission 2015-04-14

a book riot best book of 2015 so far four starred reviews susan juby s the truth commission knocked my socks off you should read it gayle forman best selling author of if i stay susan juby is a marvel wise witty and full of heart her writing draws you in and won t let go and just when you think it can t get any better it does meg cabot this was going to be the year normandy pale came into her own the year she emerged from her older sister s shadow and kiera who became a best selling graphic novelist before she even graduated from high school casts a long one but it hasn t worked out that way not quite so normandy turns to her art and writing and the truth commission she and her friends have started to find out the secrets at their school it s a great idea as far as it goes until it leads straight back to kiera who has been hiding some pretty serious truths of her own susan juby s the truth commission a story about easy truths hard truths and those things best left unsaid with a deft hand and an open mind juby presents many layers of truth this is a sharp edged portrait of a dysfunctional family with some thought provoking ideas about what is real publishers weekly starred review a surprising witty and compulsive read school library journal starred review hilarious deliciously provocative and slyly thought provoking kirkus reviews starred review juby s bright dialogue and vivid appealing characters draw readers along as the three young artists navigate truths both light and dark discovering themselves in the process the horn book starred review a smart savvy ya novel about what constitutes the truth its ideas will linger long after the last page shelf awareness starred review i absolutely loved the truth commission every page made me laugh aloud while all the time the tears were creeping up on me the characters are so real that i wouldn t be surprised if they knocked on my door right now i hope they do i want to spend more time with them jaclyn moriarty author of the year of secret assignments and a corner of white

Soldiers Made Me Look Good 2008

a riveting follow up to the best selling peacekeeper including mackenzie s provocative views on leadership and the current state of the canadian armed forces since retiring from the armed forces lewis mackenzie has not stayed out of the spotlight but continues to speak his mind in this straight talking memoir he

traces his post military career as an international commentator on military affairs a consultant to the irish government and a federal political candidate and here he answers his critics including journalist carol off for her criticism of his handling of the un mission in bosnia in a hard hitting chapter he discusses his professional disagreement with the leadership priorities demonstrated by romi o dallaire in the early hours of the rwandan genocide he continues his story to the present to the first real litmus test for nato afghanistan divided into two parts pre 1993 when mackenzie calls himself a cold war grunt and post 1993 after his controversial stint in bosnia soldiers made me look good is laced with anecdotes both funny and profound it concludes with ten pointers on leadership in which lewis mackenzie shares hard earned insights from a life on the front lines

Oversight hearings on equal employment opportunity and affirmative action 1982

the unique and inspiring story of a boy born with the odds against him and the family whose love and support helped him overcome incredible hardships robert hoge was born with a giant tumour on his forehead severely distorted facial features and legs that were twisted and useless his mother refused to look at her son let alone bring him home but home he went to a life that against the odds was filled with joy optimism and boyhood naughtiness home for the hoges was a bayside suburb of brisbane robert s parents mary and vince knew that his life would be difficult but they were determined to give him a typical australian childhood so along with the regular gruelling and often dangerous operations that made medical history and gradually improved robert s life there were bad haircuts visits to the local pool school camps and dreams of summer sports ugly is robert s account of that life from the time of his birth to the arrival of his own daughter it is a story of how the love and support of his family helped him to overcome incredible hardships it is also the story of an extraordinary person living an ordinary life which is perhaps his greatest achievement of all there is much to be learned from this ugly man whose spirit is truly beautiful saturday age this is an incredible life story that will no doubt attract much publicity and discussion about beauty ugliness and how we value ourselves australian bookseller publisher if robert hoge reckons he belongs to the ugly club then ugly must mean humour and courage love and decency william mcinnes a frank wry and funny memoir sunday age this fabulous easy to read tale is a treasure for anyone who has ever given their looks a second thought ugly offers a bracing perspective on life love and the real definition of beauty good reading author biography robert hoge has worked as a journalist a speechwriter a science communicator for the csiro and a political advisor to the former queensland premier and deputy premier he has had numerous short stories articles interviews and other works published in australia and overseas he also enjoys photography and is interested in disability advocacy and social engagement while he never went far with his professional lawn bowls career robert did carry the olympic torch in 2000 he is married and lives in brisbane he has an eleven year old daughter who thinks his olympic torch would make a really great cricket bat

Double Lives of Teachers 2004-10

adam jason has long suffered with heart disease and now while only in his forties he s finally slipping away forced to say a premature good bye to his beloved wife and son and the parents who have always supported him but that s when things get strange what happens next will challenge adam s faith shake his perception of the meaning of love and forever alter his point of view adam jason gets born again but not in a way he could ever have imagined with unexpected twists and turns a healthy dose of humor and a deep emotional resonance life after death offers a unique and imaginative perspective on life which will echo with the reader long after its last page is turned

Ugly: My Memoir 2013-08-20

in this volume aurélien mokoko gampiot a sociologist and son of a kimbanguist pastor provides a fresh and insightful perspective on african kimbanguism and its traditions the largest of the african initiated churches kimbanguism claims seventeen million followers worldwide like other such churches it originated out of black african resistance to colonization in the early twentieth century and advocates reconstructing blackness by appropriating the parameters of christian identity mokoko gampiot provides a contextual history of the religion s origins and development compares kimbanguism with other african initiated churches and with earlier movements of political and spiritual liberation and explores the implicit and explicit racial dynamics of christian identity that inform church leaders and lay practitioners he explains how kimbanguists understand their own blackness as both a curse and a mission and how that underlying belief continuously spurs them to reinterpret the bible through their own prisms drawing from an unprecedented investigation into kimbanguism s massive body of oral traditions recorded sermons participant observations of church services and healing sessions and translations of hymns and informed throughout by mokoko gampiot s intimate knowledge of the customs and language of kimbanguism this is an unparalleled theological and sociological analysis of a unique african christian movement

during an armed conflict or period of gross human rights violations the first priority is a cessation of violence for the cease fire to be more than a lull in hostilities and atrocities however it must be accompanied by a plan for political transition and social reconstruction essential to this long term

reconciliation process is education reform that teaches future generations information repressed under dictatorial regimes and offers new representations of former enemies in teaching the violent past cole has gathered nine case studies exploring the use of history education to promote tolerance inclusiveness and critical thinking in nations around the world online book companion is available at ccea org resources for educators and students teaching the violent past index html

Kimbanguism 2017-03-20

life is not what it seems we should be open to all possibilities of what life could be about and what life has to offer edward the main character goes through life s journey this person is a decent educated family oriented and self driven individual he is hard working and plays by the rules yet life still fails him something else out there is affecting him and telling him to wake up to something different something more beautiful life itself opens up to him because he dares to open up to the possibilities this story blends realism mysticism spirituality psychology and science together in an intriguing and inspirational plot although the book is in a fictional category it has an element of a self help non fiction genre as well dare to be reflective about the true nature of our reality dare to realize that perhaps there is more to us than first meets the eye dare to be spiritual dare to realize that our common experience is deceptive and allow yourself to open up to other possibilities dare to have the courage and wisdom to say on your death bed i have lived a full life and not say what if my life has been all wrong

A Non-regents Course of Study in English 1938

this book is about affirmation based pedagogy and affirmation literacy affirmation mindfulness based pedagogy for learner centered teaching can make a difference in the lives of our students and our children mindful communication is the key to building insight and professionalism when modeling behaviour to students and colleagues this book offers appropriate self awareness and communication skills development and understanding of thinking patterns to develop goal orientation and insight orientation strategies these strategies can enhance understanding of what it means to be successful by analyzing both psychological and sociological theories on approaches to the significance influence of mental health on overall well being students can develop strategies to consider constructive options that effectively solve problems in daily life this book offers appropriate self awareness and communication skills development and information on affirmations in general by programming ourselves to be more positive in and out of the class so to our students will develop emotional and cognitive awareness and understanding bodily awareness and coordination and interpersonal awareness

Resources in Education 1983

the present book is a tool for the teaching of the liberal arts in high school or in the freshman year of college for those students whose high school studies were inadequate it is intended to be at once a handbook and a textbook as a handbook it should be used by the student throughout his four years in

high school in every course every teacher in the school should insist that in each subject of the curriculum the processes of definition statement and argumentation outlined here should be exactly practiced in the student s reading recitation discussion and examination for that subject in this way the transfer of training can be made explicit and effective on the other hand this work is also a textbook to assist in the learning of these logical processes the most appropriate place for its use is in the customary english courses here it will not replace the customary material but it will serve as a guide for teacher and student in using material to develop the liberal arts

Annual Report 1865

aims to provide the context for a better understanding of the political issues in the northwest territories where a majority of the residents are native the author discusses such issues as land claims division constitutional development self government and economic development

Annual Report of the Board of Education Together with the ... Annual Report of the Secretary of the Board 1865

based on a three year study the authors describe how comprehensive teacher induction systems can both provide teacher support and promote learning more about how to teach this book calls for re thinking what teacher induction is about whom it should serve what the curriculum of induction should be and the policies programs and practices needed to deliver it

Report 1865

daily struggles offers a unique critical perspective on poverty by highlighting gender and race analyses simultaneously unlike previously published canadian books in this field this book connects human rights political economy perspectives and citizenship issues to other areas of social exclusion this new book is

ideally suited for a wide variety of sociology social work and political science courses in the areas of social inequality and stratification poverty social policy and welfare gender race and ethnicity and anti racism book jacket

Public Documents of Massachusetts 1865

hajara not yet 10 was a house girl working dawn to dusk in a world of drudgery and abuse when tom and cheryl martin rescued her they found kenny in the streets an orphan with twisted limbs who desperately needed a wheelchair and school fees in following the martins you meet them and many more experiencing the changes that hope can bring it takes many forms school fees for children training and tools for adults medication for the sick university tuition for promising students suddenly impossible dreams become possibilities children are their primary focus but unencumbered by organizational straitjackets they embrace anyone in need working in hectic bursts for six weeks a year in each of three countries in the eleven years since the martins launched their organization more than eighty north american supporters have travelled to meet the kids and families they sponsor to share meals tears and laughter successes and failures for many the visits have been life changing

Teaching the Violent Past 2007-10-04

in january 2004 i travelled to zambia with voluntary service overseas vso to take up a two year placement as a physics teacher at kasempa day high school in northwestern province i returned to the uk in december 2005 in an attempt to piece together a coherent chronology of my time in zambia this book presents a compilation of emails journal entries and letters that i wrote

A Chosen Destiny 2012-09

education is a contested topic and not just politically for years scholars have approached it from two different points of view one empirical focused on explanations for student and school success and failure and the other philosophical focused on education s value and purpose within the larger society rarely have these separate approaches been brought into the same conversation education justice and democracy does just that offering an intensive discussion by highly respected scholars across empirical and philosophical disciplines the contributors explore how the institutions and practices of education can support democracy by creating the conditions for equal citizenship and egalitarian empowerment and how they can advance justice by securing social mobility and cultivating the talents and interests of every individual then the authors evaluate constraints on achieving the goals of democracy and justice in the educational arena and identify strategies that we can employ to work through or around those constraints more than a thorough compendium on a timely and contested topic education justice and democracy exhibits an entirely new more deeply composed way of thinking about education as a whole and its importance to a good society
